

SCHOOL COUNCIL MEETING

Date	10/12/2025
Present	Mrs Iqbal, Amina Afraz, Airah Ayub, Fatima Arshad, Sultan Sulman, Ibrahim Ahmed, Muhammad Ibrahim, Nabiha Qadeer, Daniyal Mehmood, Haseeb Ali, and Husnain Ballal

- The children have asked if the lunchtime staff can have the key to the top gate so they can go out to get balls. They have the key to the bottom gate so they are still able to go out.
- There is a board game club for years 5 and 6 – years 3 and 4 would love to have a board games club too so I will email the staff in years 3 and 4 to see if anyone is available to run one.
- Years 3 and 4 have also asked for a football club too however only years 5 and 6 have football clubs as they take part in competitions with other schools. The children in years 3 and 4 will get the opportunity to try out for football once they are in year 5.
- Some children have asked for longer PE sessions but this isn't possible as we have a lot of different subjects that we have to fit into our curriculum and we do follow the recommendations by Lancashire County Council.
- As the children love experiments, they have asked if they can do more experiments in Science – they will need to speak to their teachers who will tell them if they have some planned in their units.
- Year 2 have asked if they can have some new reading books for their bookshelf in class.

Thank you children for your contributions.
