A message from the Headteacher:

Dear Parents,

As we come to the end of another busy but productive term, I would like to thank you all for your continued support of our school. We really do appreciate how much you do to support your children's learning at home and how generously you give to events we organize for the children and local charities.

This term in particular, I couldn't be prouder of how hard the children have worked to deliver a nativity play, brilliant results in their assessments and in their end of unit pieces of work. I have seen super moving parts in DT, amazing sewing skills, impressive stories and poetry and lovely music performances.

I hope next week you will join us for our annual art exhibition where the children's work will be on display and available for you to buy.

On behalf of all the staff at Bradley, we wish you all a very happy and peaceful Christmas and we look forward to another exciting year ahead.

Best Wishes

Mrs S Taylor

Headteacher.

*Merry Christmas*
