- Welcome back to the first meeting of 2025.
- We have two new School Council members: Zainab Majid in 4L and Danyal Mehmood in 5F. Welcome to them both! I will update the website and board with their photos.
- The children are going to ask their classes for suggestions for this year's Easter competition. The egg decorating has been a huge success in the past but the children are open to new ideas. Once they have decided, they will make some flyers.
- The children are going to ask their classes for any ideas, thoughts or suggestions on anything that they would like to change in school. They are going to bring at least two different ideas to the next meeting.

Thank you children for your contributions.
