Would you like to improve your health?

If so, then Up Active can support you through the FREE food and drink programme that helps you to eat healthier, learn about food and boost your mental and physical wellbeing. This programme is for 12 weeks and will be running at Bradley Primary School. If you are interested, please speak to Mrs Ishfaq on 01282 615772 or WhatsApp 07445345419.

Some of the year 5 children have been on their residential trip to Winmarleigh this week! They have all had lots of fun doing activities such as raft building, climbing and Jacob's ladder. They have really enjoyed themselves and we can't wait to hear all about it!

Well done to all our year 6 children for completing their SATS tests this week! You have all worked very hard and we are so proud of you. They are celebrating by having a party today which is definitely well deserved!

New intake Sept 2024: If you have a child starting with us in September, please make sure you have replied to the email sent out recently to confirm your child's school place. There is also a form filling day on Tues 21 May. Please attend so we can fill in the admission forms for your child and you are also able to ask the teachers any questions.

There have been lots of children losing coats, jumpers and packed lunches recently in school. Parents, please make sure that your child's name is in all of their belongings to avoid this problem. Thank you
