Outgrown infant uniforms?

As a school we are kindly requesting donations of spare school uniform that is **aged 4 to 6 years old**. We encourage you to bring the uniform that no longer fits your child to be brought into school and used as spares. We appreciate your kind donations. Thank you.

Reminder—

As the weather gets colder, we kindly ask that you make sure your child wears a warm coat to school each day. As the colder months are approaching a coat will allow your child to stay healthy and comfortable during school..

Thank you for your support in keeping all our children warm and happy while at school.

Dropping Off and Picking Up

We would like to share a quick reminder about parking at drop-off and pick-up times.

Please park safely and respectfully around school. We ask that everyone takes a little extra care when arriving and leaving, as the roads can be busy and there are many children and families nearby. Please do not block resident's driveways, even if you are only stopping for a short time. This helps us remain considerate to our neighbours and keeps the area moving more smoothly for everyone.

A gentle reminder too: please do not drive down Dover Street. We cone off the road to keep the children safe around our main entrance, and it is important that this is kept clear at all times. The cones are there for a very good reason, and we appreciate your support in following this arrangement.

We understand that it is busy when dropping off your children, and mornings can feel rushed. Thank you for your patience and understanding during these times. If you are able to plan a little extra time for your journey, it can make the whole process calmer for everyone involved.

If possible, please think about walking to school. It is a healthy, friendly way to start the day, and it also helps reduce congestion near the entrance.

Thank you, as always, for your support in helping us keep our school community safe and considerate for all.
