

SCHOOL COUNCIL MEETING

Date	18/06/2025
Present	Mrs Iqbal, Haaniya Hassan, Lannie Whittaker, Adam Ameen, Umama Saqib, Danyaal Mehmood, Rumaysah Fatima, Zakariya Faisal, Ibrahim Katana, Zainab Majid

- The children have a list of questions for Mrs Taylor – she will attend next week’s meeting to answer the questions:
 - Could we have more PE sessions, where we have professional coaches come into school to deliver some sessions, such as: rugby, hockey, cricket, tennis and basketball?
 - Would it be possible to have a harder football, as it’s difficult to play with the current ones as they feel deflated?
 - Could we have some new rounder’s equipment as the bases have snapped and the bats are very tatty? Also, the balls aren’t bouncy enough – some of them are very soft and we can’t hit them properly.
 - Could we take part in more external sporting tournaments?
 - If the weather is forecast very hot (over a certain temperature), can we come to school in our own clothes?
 - As balls are thrown out of the yard regularly, could we have nets around the tops of the railings to catch them?
 - Would it be possible to do some science experiments outside? Could we also do more science experiments as we don’t feel like we get the opportunity to do many?
 - Could we have some more equipment outside, such as: hula hoops, basketballs and skipping ropes?
 - Would it be possible to have a longer playtime?
 - Now that we have a lovely front garden, could we please have a vegetable patch?
 - Could we have a competition for the summer holidays, where children have to do a project? For example, a collage or a sculpture and we are thinking of some more ideas.
 - We love Sports Day, so wondered if we could have two per year.
 - Will you be choosing a head boy/girl for next year?
 - Could KS2 use the front garden, at lunchtimes, on a rota basis?
 - Would you consider re-opening the side gate (by year 1) at lunchtimes so we can use both playgrounds?
 - We have heard our school summer holidays are changing, is this true?

Thank you children for your contributions.
