YEAR 3 & 4 Virtual Reality sessions:

On Thursday, Year 3 and 4 took part in virtual reality workshops. A company visited school and brought in VR headsets for the children to use. It was wonderful to see the reactions during the workshop and the children were really excited to talk about what they'd seen. This ranged from taking part in a helicopter ride over New York, a visit to Rome, standing on the top of Mount Everest, standing near an active volcano and visiting animals in their natural habitats. The lions roaming around the grasslands were very popular with Year 3!

The classes all behaved wonderfully and the staff that led the workshop commented on how well behaved they were and how welcoming everyone had been during the visit. The children even got to take part in some bonus videos because of their fantastic listening and behaviour! We are very proud of them and it was lovely for us to be able to take part in such a fun workshop them.

Year 4 Chester Zoo trip takes place on the 14th May (4T) and 21st May (4L). Please make sure you have made a payment on Scopay.

4T swimming lessons next Tuesday 6th May is cancelled as the Swimming Pool is closed. They will return to their normal lessons on Tuesday 13th May.
