

SCHOOL COUNCIL MEETING

Date	15/01/2025
Present	Mrs Iqbal, Haaniya Hassan, Lannie Whittaker, Adam Ameen, Danyal Mehmood, Umama Saqib, Ibrahim Katana, Zainab Majid Rumaysah Fatima, Zakariya Faisan

- Some of the children have asked why breadsticks and cheese are not being sold on the fruit trolley. I believe this is because of littering. Wrappers are not being thrown into the bin so these items are unavailable for the time being.
- Children have asked if there can be more monitors in classes and around school. They need to speak to their teachers for jobs in their classroom, however, I will ask Mrs Taylor if there is any need for any monitors around school.
- The children have asked if the basketball hoops can be moved from outside 5F to somewhere else – I have asked them to come back with suggestions to where they can go.
- Children have asked for more trips, they need to speak to their class teachers, who can arrange trips linked to the curriculum, as well as trips for enrichment.
- There have been requests for a chess club so I will email Mr Leyland to ask him if he has time to run one. Also, they would like a boxing club again so I will ask Mr Connor.
- There have also been requests for more external visits for sports activities and also for the Hobgoblin Company.
- Year 5 have asked if they can have more iPads as they share a set between both classes and the children are having to carry them up and down the stairs.
- Some of the boys have asked if they could have more comic books and books about football in classes and in the library.
- Some children would like more colouring paper/sheets for lunchtime. They would also like more dressing up items, badminton and a variety of balls. I will pass this on to Mrs Hills.

Thank you children for your contributions.
