

## SCHOOL COUNCIL MEETING

Date	27/11/2024
Present	Mrs Iqbal, Haaniya Hassan, Lannie Whittaker, Adam Ameen, Muhammad Ibrahim, Ammaar Mehmood, Umama Saqib, Ibrahim Katana,, Rumaysah Fatima, Zakariya Faisan

- The School Council asked Friends of Bradley for some funds for wet play games for the classrooms. FOB asked the children to ask their classes for a list of games/activities that they would like and then they will look at what they can buy for the children. Each class has made a list of suggestions and FOB will have a look at these at their next meeting in a few weeks.
- Children are being reminded to look after the play equipment in the yard – the giant connect 4 isn't being looked after properly as the pieces are being used as footballs and balls. If this continues, this piece of equipment will be removed.
- The children would like to run some kind of Christmas competition, however, as we have a lot going on in school at this time of year and we have MADD week too, it will be difficult to fit this in.
- Next week, Mrs Ishfaq and our Mental Health Champions will be attending our meeting so we look forward to that.

Thank you children for your contributions.
