**THANK YOU** to everybody who donated the Libya and Morocco disasters that we fundraised for last week. We raised a total of £405.21! This has been donated to 2 charities raising funds to support those affected.

As the weather gets colder, please make sure that you have appropriate clothing and a coat every day for play times.

Please make sure that when you park your car appropriately when dropping off and collecting your child from school. Please do not park on double yellow lines, on the zig zag lines outside of school on Dover Street and please do not block off the streets. This is very important so that we can ensure the safety of children on Dover Street at busy times.
