

SCHOOL COUNCIL MEETING

Date	08/11/2023
Present	Mrs Iqbal, Salahuddin Raja, Shahzain Ali, Abira Hussain, Fuzail Mustafa, Zain Mahmood, Sabaa Ali, Zain Raja, Eessa Muhammad and Subhan Ejaz.

- The children have been thinking about how we can keep our school hall tidy especially at lunch times. Some of their suggestions were:
 - To have hall monitors on a rota
 - To have small bins on each table
 - Have compost bins - although I think we have tried this one before
 - Mrs Taylor can hold assemblies for each key stage encouraging them to keep the hall clean during lunch.
 - The children said that if you see your friend dropping something on the floor you should tell them to pick it up.
 - Someone also suggested a vacuum robot!
 - The school council is thinking of running a competition after Christmas for children to design a poster about keeping the hall clean and tidy.
- The new school website is up and running. Unfortunately, not everything has been transferred over so our page is showing last year's representatives. Once I have navigated my way around it, I will update the page with the new children and I will also add the minutes again.
- The children have been forward planning and are thinking about ideas for a competition for Eid. Watch this space.....
- They would also like to run an Easter Egg competition again too.

Thank you children!
