

31st January 2025

A message from Mrs Dowell:

We are going to have a non-uniform day on Friday 14th February to raise money for my sister who has a brain tumour. Unfortunately, the cancer treatments she has had haven't worked and there is nothing else that the NHS can try. We are raising money to pay for treatment abroad in the hope that something can help her to live a little longer. Please use Scopay to make any donations that you can.

Thank you all so much,
Mrs Dowell

Goodbye, today we say goodbye to Miss Markey, one of our Year 3 Teaching Assistants. Miss Markey has been a TA at Bradley for many years and has worked across school in most year groups. She has also been part of the Breakfast Club Team, Nurture and Friends of Bradley. Miss Markey is leaving to start a new job in a school in Haslingden. I hope that you will all join me in thanking her for all she has done at Bradley and we wish her all the very best in her new venture.

Mrs S Taylor
Headteacher

Hot chocolate & a muffin sale £1.50 next week! in the junior hall at break times.

We can confirm that we've had a great response to the Mad Science After School Programme and it will be going ahead as scheduled on Monday 24th February 3:15pm-4:15pm. There are 2 places remaining so if you want to book your child on please book online at <https://northengland.madscience.org/parents-register-a.aspx> or contact the Mad Science Team on office@madsciencenw.com or call 01772 628844.

**Thursday 27th February Parent Webinar 6pm - 7pm
Children's mental health in the digital age Workshop**

We would like to invite parents/carers of young people to a workshop which explores Children's mental health in digital age

The workshop explores :

- Evidence around social media, technology and mental health
- Moving with the times
- Impact on mental health
- Thoughts, feelings, behaviour cycle
- What can you do to support your child.

Parents are welcome to ask questions or share any tips or strategies that they find beneficial in supporting their child.
