Communications toolkit for UKHSA stakeholders

We are seeing extremely high levels of norovirus, with numbers far above the five year average for this time of year. If you've caught the virus, take steps to avoid passing the infection on. If you've caught the virus, take steps to avoid passing the infection on. • If you have diarrhoea or vomiting, do not return to work, school or nursery until 48 hours after your symptoms have stopped and don't prepare food for others in that time either. Wash any soiled clothes/bedding at 60 degrees. • If you are unwell, avoid visiting people in hospitals and care homes to prevent passing on the infection in these settings. • Washing your hands with soap and warm water and using bleach-based products to clean surfaces will also help stop infections from spreading.

Thursday March 20th Parent Webinar 6pm - 7pm
Exam Stress Workshop

We would like to invite parents/carers of young people to a workshop which explores how you can support your child's exam stress-

The Webinar explores :

- To understand the body's natural reactions to worry and stress
- To discuss helpful ways of supporting your child in managing exam stress
- Normalising worry

Parents are welcome to ask questions or share any tips or strategies that they find beneficial in supporting their child.

We realise that it is Ramadan, but as a primary school we do not allow the children to fast due to their age. Thank you for understanding.

The next school holiday:

School closes for the Easter holidays at 1:30pm Friday 4th April and we reopen on Tuesday 22nd April at 8:45am. Thank you
