

**Andrew Stephenson -  
Member of Parliament for Pendle  
Visit to school  
June 2024**

On Friday the 14<sup>th</sup> June 2024, our local MP, Andrew Stephenson, visited our school to talk to the children in KS2.

First of all, Mr Stephenson told the children a little bit about himself and his career.

Then, the School Council representatives asked him a question each. They had some very interesting questions!

Finally, we had a little time for any other questions.

The children thoroughly enjoyed questioning Mr Stephenson and listening to his answers.
