

## CHILDREN IN NEED

In our school council meeting, we decided to hold a Pudsey Bear colouring competition to raise funds for Children in Need. At break times, we sold colouring sheets for 50p each. In total, we raised £42.50 to go to Children in Need. The entire school was split into 3 groups – KS1, lower KS2 and upper KS2. In our school council meeting on Wednesday the 16<sup>th</sup> of November, we judged them and in our celebration assembly on Friday, our school council representatives announced the winners and gave them their prizes – which were: a pack of gel pens, a notebook and a certificate. Thank you to everyone who participated. It was a tough decision choosing the winners.
