

Hello everyone!

This year, the school council organised a Halloween colouring competition. We split the school into four different groups: reception; years 1 and 2; years 3 and 4 and years 5 and 6. For each group the school council offered three different pictures to colour, so that there was a selection to choose from – they had the half term holidays to colour them in and bring them back on Monday 31st October. On Wednesday 2nd November, in our school council meeting, we judged them. In each group there was a winner and a runner-up. On Friday 4th November, in our assembly, the school council representatives announced the winners and the runners-up and gave them their prizes, which were a bag of sweets each for the runners-up and a huge bucket of sweets for each of the winners.

We would like to thank everyone who took part in the competition. It was a very difficult task choosing just two winners from each group so well done!!
