

Computing Curriculum Overview 2022-2023

Class:	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Class: Reception	Using a mouse	Using a keyboard	Sound (E-Safety)	Images, Video and Animation	Text and Multimedia	Digital Research
Class: Year 1	Programming	Digital Research	Text and Images (E-Safety)	Computer Science/Thinking	Multimedia	E-Mail
Class: Year 2	Virtual Reality	Presenting Information	Multimedia (E-Safety)	Sound	Computational Thinking	Programming
Class: Year 3	Presenting Information	Digital Research	Communication/Networking (E-Safety)	Programming	Movies/Multimedia	Computer Science
Class: Year 4	Sound	Presenting Information	Computational Thinking	Data Handling	Programming (E-Safety)	Data Logging
Class: Year 5	Simulations	Digital Research	Computational Thinking / Networking (E-Safety)	Modelling CAD	Programming	Multimedia (Green Screen)
Class: Year 6	Digital Research	3D Modelling / CAD	Presenting Information (E-Safety)	Computational Thinking / Networking	Programming	App Building
