Dear Parents,

The staff and children at Bradley Primary have had a very busy start to the Spring 2 term with lots of clubs, visitors and special days.

Mother Tongue Day

One of the special days we have enjoyed so far was Mother Tongue Day. The children looked amazing in their traditional dress and the children had a fantastic day learning each other's languages and trying different food. On this day we also raised money for the Turkey and Syria Earthquake Appeal. Thank you so much for your generous donations, the school raised around £475.00

World Book Day

The children have also celebrated World Book Day, coming to school in their pyjamas and enjoying stories in class. We had an author in school who read her stories to the children and a whole school assembly.

Staffing

Two of our long-standing members of staff have made the decision to retire after many years of dedicated teaching at Bradley Primary. Mr Burrows and Mrs Ardron will be retiring at Easter. Over the years they have taught and inspired hundreds of children, some who now have children of their own attending our school. I know that many of our families will want to wish them well and the children and staff wish them all the very best for a long and happy retirement.

In the summer term, Year 5A will be taught by Mrs Hills and Year 5B will be taught by Mrs Clarke (currently on secondment at Trawden Primary school.)

NEU Strike Action

Next week, on Wednesday 15th March and Thursday 16th March, there will be further industrial strike action from the NEU. On both days, Year 1 and Year 2 will be closed. All other year groups will be open as normal.

Kind regards,

S Taylor
