

Newsletter 26th May 2023

Dear Parents,

At last the sun is out! I hope it stays nice for everyone during the half term and the children can play out at last.

We have had another very busy half term and the weeks have flown by. I think the recent bank holidays have made the term seem really short.

Firstly, I'd like to congratulate Year 6 and Year 2 for completing their SATs tests over the past few weeks. The children all tried their best and staff are very proud of them. Results will be shared with parents in July.

This week we have enjoyed a range of sports during our Sportlympic week. The children have listened to some inspirational athletes who shared their journey into professional sports. They have also enjoyed yoga, athletics, skating and boxing sessions throughout the week. Today we finish our week with a presentation assembly for children who have shown great sportsmanship and determination.

On Tuesday and Wednesday, a group of 30 Year 6 children visited London on our annual residential. They had a great time visiting The Houses of Parliament and Downing Street and then The London Eye and the changing of the guards. The children were a credit to their parents and to school and were a pleasure to take.

Two of our Year 5 children, Destiny and Husna, recently visited The North West Kurling Event at Bolton Arena. They competed against teams from all over the county.....and won!! Well done girls!

There have been lots of other events during the term, a firefighter in Reception, 2 linking school visits in year 3, owls in Year 2, and a lamb in Reception.

If you have missed the photographs from these events, you can find them on our

Facebook page: Bradley Primary School or on our website: www.bradley-pri-lancs.sch.uk

Thank you for your continued support and have a lovely half term holiday.

Kind Regards

Mrs S Taylor

School closes today at 3:15pm for the Spring holidays. We will reopen on Monday 5th June at 8:45am. We hope everybody has a lovely week off!
