Dinner money:

Please make sure dinner money debts on Scopay are cleared. There are quite a lot of large dinner money debts on the system. If this builds up, your child may have to be put on packed lunches. If you have a debt, please clear this as soon as possible. Thank you

Maths:

It only takes a minute!

Have you heard about the amazing app from White Rose Maths?

The app is free and can be downloaded on any android, kindle or apple device.

It is designed for children in KS1 and supports the learning that we do in the classroom.

However, it also includes work on multiplication and division that is suitable for children right up to year 6.

It breaks tasks down into manageable 1 minute chunks.

The challenges are quick and fun and it gives children the opportunity to build their number sense and mathematical understanding.

If you have the opportunity, check it out!
