

## How can you enrich your child's learning?

There a lot you can do as a parent to help your children with their learning:

### Maths

- ✓ The children will be given times tables and other number facts to practise and learn at home.

### Reading

- ✓ Your child will have an appropriate reading book to take home twice weekly (Monday and Thursday).
- ✓ Reading at home should be done every day.

If you have any concerns, or need any information, we are available to speak to you after school. Alternatively, you can ring up and make an appointment to speak to your child's teacher.

## Things to remember for Year 2

### PE kit

Your child will participate in PE every week on a Wednesday. Children are to come into school wearing their PE kits. Our PE kit is a white, plain t-shirt, black trainers, black shorts or leggings. Children may wear tracksuit bottoms if the weather is cold. Please ensure that your child isn't wearing jewellery on our PE day.

### Homework

Homework will be given out on a Monday and is to be completed for Friday. All homework will be set on Seesaw.

### Spellings

Spelling homework will be given out on a Monday. Every Friday, your child will undertake a spelling test in school. Please help your child by ensuring that their SACAWAC sheets are complete and support them in learning their spellings.

The classes are 2F and 2L  
2F - Miss Fisher  
2L - Mrs Lord.

The teaching assistants are Mrs Latif, Mrs Wiseman, Mrs Garbos and Mrs Bolton.

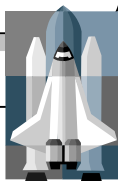

# Autumn Term 1

## Religious Education

In RE, we will be looking at the religion of Christianity and how Christians believe God was the creator of the world.

## Physical Education

In Year Two, we will be learning to play net and wall games.

## History

We will be comparing two astronauts - Neil Armstrong and Tim Peake. We will be looking at their journeys into space.

## Science

We will be looking at the life cycle of animals and humans. We will be focusing on how animals and humans change during their lifetimes.

## English

This half term, we will be reading The Jolly Postman and creating acrostic seasonal poems.

## Spelling

In Spelling, we will focus on a spelling rule each week and learning how we can use the spelling rule to support our spelling and writing.

## Maths

- Counting up to 100 and writing these numbers in numerals and words.
- Counting in 2, 5 and 10s.
- Understanding place value.
- Comparing and ordering numbers to 100.

## Art

We will be looking at the artist L.S Lowry and his famous matchstick men paintings.

## Computing

We will be working with Mr Smith on Virtual Reality.

## Music

We will be learning a song called Heart, Feet and Hands. This is a song from South Africa.
