Work Hard • Be Well • Do Well

Welcome

At Bramcote College 6th Form our strength is our size; we often say that we are 'small but mighty' and believe that this is a perfect fit for the students who come to us for Years 12 and 13. We welcome students from a broad range of secondary schools, as well as a small number of overseas students each year.

We believe in ensuring students are studying the right courses to not only enjoy a full two years of study at BC6F but also to open doors to their future.

Our students get the encouragement and guidance they need to progress well in their studies and be ambitious about their plans. BC6F Students have gone on to a diverse set of destinations such as going to the universities of Cambridge, Durham, Leeds, Nottingham etc. as well as taking on apprenticeships with Rolls Royce, Jaguar, Unilever and Derbyshire Police.

Work Hard • Be Well • Do Well

“

There are high
aspirations for all
Students ...
OFSTED 2024

”

Our Ethos

Our ethos of 'Work Hard, Do Well, Be Well' focuses on the importance of Students doing their best to achieve their goals but not at the expense of their wellbeing. We support and encourage our Students and recognise that as they progress from being Year 11s into 6th Form students and then going on to leave us a young adults, what they need from us in College changes too.

With this in mind, while we have enjoyed year on year improvements in our exam results, with 2025 seeing our best ever, placing us alongside some of the strongest 6th Forms in Nottinghamshire, we also know that each student is an individual and needs personalised support and guidance to achieve what they need to allow them to move on.

We work hard to ensure that our students not only get the grades they need to get 'there' but that they will also be happy once they are 'there'.

“ In the Sixth-Form staff challenge students to think deeply. ”
OFSTED 2024

Achievement

Work Hard • Be Well • Do Well

At BC6F we take pride in being 'small but mighty' with small classes delivering a personalised experience which means that Students achieve their personal bests with us.

- 23% of grades achieved were A* - A
- 50% of grades achieved were A* - B
- 75% of grades achieved were A* - C
- 69% of grades achieved were A* - D
- Applied (BTEC) subjects achieved 91% Merit or above, with an average grade of Distinction

“ The College provides strong support for Students' mental health and well-being. ”
OFSTED 2024

Course Choices

At BC6F we offer as diverse a range of courses as our size allows us to, which often means our classes are small; we rarely go over 16 in a class and a more average size class is between 6 and 10, with our smallest classes dropping to just 4 students.

While our size is our strength, because it allows us to offer small teaching groups, it does also limit the number of courses that we can offer, which means we recognise that BC6F might not be the right place for everyone. We believe firmly in the right courses for each student to ensure that they will be able to complete the full two year course and achieve outcomes that will allow them to progress to the next stage in their lives, be that university, apprenticeships or work.

All students are expected to select three courses; this could be all A Levels, all Level 3 BTECs or a combination of the two.

Don't just take it from us, see what our students have to say too – click here:

Pick 3 or 4 subjects from different blocks (university and apprenticeship offers are based on 3 subjects)

A typical day at BC6F

Students can start arriving from 8:15 to meet friends or do some work

Lesson 1 starts at 9:10. Lessons are 75 minutes long

Lesson 2 starts at 10:25 and finishes at 11:40 (these are our only 2 lessons without a break in between)

At 11:40 Lunch 1 starts. The canteen serves a range of hot & cold food

Lesson 3 starts at 12:15 & finishes at 1:30

At 1:30 Lunch 2 starts – the canteen is open again

Lesson 4 starts at 2:05 & finishes at 3:20

Students can stay to do enrichment or study until 5:00pm

Students are expected to be in College on time for their lesson, however, free lessons can be taken in or out of College.

In **Year 12** students have **3 timetabled lessons per subject** (so 9 or 12 lessons) + 1 lesson of Tutor Time & 1 lessons of Personal Development.
In **Year 13** this goes up to **4 timetabled lessons per subject** + 1 Tutor Time & 1 Personal Development.

“ Sixth-Form students are very well supported to achieve their ambitions. OFSTED 2024 ”

Enriching the curriculum

Work Hard • Be Well • Do Well

In addition to courses that we offer, we recognise the importance of offering a wide range of experiences outside the classroom for our Students to participate in and enjoy.

Our extra-curricular activities include:

- The College musical production
- Duke of Edinburgh (silver & gold)
- British Sign Language GCSE
- BC6F Ambassadors Scheme
- Engineering Gold (Physics)
- Sports teams
- Arts and creatives
- College bands and lunch time music
- K-Pop dance crew

We also offer residential trips to various destinations in Britain and abroad, all of which are aimed at building memories and broadening horizons.

Safeguarding

At Bramcote College safeguarding is everyone's responsibility.

We work hard to maintain a culture which places wellbeing and safety at the core of everything we do. Staff are trained throughout the year to provide appropriate support and signposts which prioritise our students' health and wellbeing, not just in College but throughout their lives.

We work closely with our students and, where suitable, a range of organisations not only to support our Students but to build their confidence and resilience now and in the future. Skills learned in College become life-long habits.

Students know how to identify and raise any concerns they may have with our staff; our safeguarding systems give them the confidence to know that their concerns will be taken seriously.

“

Students trust staff to keep them safe.

New Build Plans

You may be aware that we have a greatly anticipated new build planned. While the planning process has been exceptionally slow, we have finally started the building process and anticipate moving into the new building in 2027.

While we have made the most of our time in our current building, we are very much looking forward to moving into a building designed and built to provide the best possible facilities for a 21st Century education, as well as providing a range of community facilities for use outside College hours.

6th Form facilities will include a dedicated Common Room and workspace, as well as tutorial rooms around the school designed to accommodate our smaller A Level groups.
