Dear Parent/Carer

5th September 2025

Thank you to everyone that has supported the school this week with our new safety measures for the main school drive as the building work progresses.

Please note that children's safety is our priority and we really need every parent/carers to comply with what has been asked. Unfortunately, we have had some parents removing cones and accessing the drive without permission and simply driving past staff whilst pupils are on the drive.

A reminder about what was asked earlier this week: Please note that NO parent/carers cars will be allowed to access the school drive in the mornings as students and staff arrive. This is because construction work has started and the only pedestrian access for students is via the school drive. Staff/visitors/deliveries will not be able to use the drive between 8:30 and 9:00 am. After 9 am, parents with appointments at school can access the school drive. Parking is extremely limited because of the construction. Pupils that arrive late either on foot or in a vehicle must walk up the drive. There will be no vehicle entry/exit from school after 3:10 pm until 3:30 pm.

We would ask that all parents/carers/visitors support us with this safety measure. If cones are out across the school pedestrian crossing please do not move these. As soon as possible AFTER 3:30 pm they will be removed. If children are still exiting school, please be patient and wait until a staff member removes the cones. As you may be aware Moor Lane is very busy. Please be mindful of where you park - keeping residents' driveways clear and observing the traffic and parking regulations.

We have been advised that parking enforcement cameras will be in operation this term. I would also like to take this opportunity to remind parents and carers of the need to be courteous and respectful to staff who are simply doing their duty to protect all of our children.

Kind Regards

Heidi Gale
Headteacher
