

Curriculum Newsletter

Bramham Shadwell Federation Class 4 November - December 2020

All our learning in class this half term will be focused around the question:

How did people in the past protect themselves?

English

- English work will begin with a focus on **narrative writing** to develop the children's writing skills and understanding of story structures.
- Children will participate in practical experiences to gain the understanding of sequencing events.
- Children will focus on **punctuating** a variety of sentences, using **creative** language, possessive and personal pronouns and relative clauses.
- Children will revise how to use coordinating and subordinating conjunctions, and learn about their position and purpose within a sentence.
- Throughout this unit, children will deepen their understanding of inverted commas.
- During speaking and listening work children will practise speaking with expression through a Read, Write,
 Perform unit where each child will perform a battle cry speech they have written.
- The texts we will focus on are: 'Escape from Pompeii' by Christina Balit and a Read, Write, Perform unit called 'Battle Cry'.
- The outcome will be: To write a narrative story with an alternative ending to 'Escape from Pompeii' and our cross curricular write will be a battle cry speech.

How can I help / information for Helping

Discuss the different types of stories you have read and encourage them to look at different genres too. Discuss how a story is put together and the impact creative language and punctuation have on a reader. We will continue to revise year 3 objectives and develop this with new year 4 learning.

What are subordinating and coordinating conjunctions?

Subordinating conjunctions. A conjunction is a word, or words, used to connect two clauses together. Words such as: 'although', 'because' or 'when'. A subordinating clause is a part of a sentence that adds additional information to the main clause.

Coordinating conjunctions are one-word connectors that sit between the two words, clauses or phrases they're connecting. There are seven coordinating conjunctions: and, but, or, nor, for, so, yet. These conjunctions join equal parts.

Maths

- The children will continue to use practical resources to learn formal methods of calculation, focusing on addition, subtraction, multiplication and division.
- They will begin to understand mathematical vocabulary such as 'quotient' in relation to division.
- They will learn **how to calculate multiplication equations** using the multiplication facts that they know.
- They will understand the difference between **sharing and grouping** and they will understand **the commutative law in multiplication**.
- We expect all the children to know multiplication and division facts up to the 12 times table for use in calculations and this will be worked on continuously throughout the year.
- Once the children have used **practical mathematical resources** they will then put this experience into practice with word problems.
- The class will continue to solve word problems, two step calculations with addition and subtraction and learn to explain, convince others and justify their findings using specific vocabulary: I am certain that..., I think..., because..., I know that ..., so ..., must be ...,

 Additionally, the KIRF target is outlined below; please help your child achieve this target.

How can I help / information for Helping

Ask the children to recall their 6, 7, 9, 11 and 12 times tables.

Go on this website to practise times tables:

https://www.timestables. co.uk/multiplicationtables-check/

KIRF Target – Autumn Term 2

I know my multiplication and division facts for the 6 times tables.

Children must be able to efficiently recall these facts e.g. 6x1 =

6x6 =

48 divided by 6 is 6 lots of 3 are

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

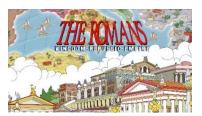

Topic – History

During the first week back, we will revisit the Year 3 topic - Changes in Britain from the Bronze Age to the Iron Age and recap key learning.

Then our key Year 4 focus is: 'Romans'. The children will learn about when and why the Roman army invaded Britannia and the reasons why the Roman army was so successful.

Skills/Knowledge to be developed: Children will have the opportunity to develop their knowledge about the Roman period of history. They will be able to develop their research skills and chronological understanding. The children will also explore significant invasions, what life was like to be a Roman soldier, Roman legacies and finally the children will have the opportunity to be 'young archaeologists' and study Roman artefacts.

Art links: The children will create a Roman mosaic using both primary and secondary sources of information.

Applied through:

History/Geography/ English /Drama/ Maths /Art

How can I help / information for Helping

Discuss the different Roman invasions of Britain. Talk about what life might have been like then in comparison to now.

Talk to your child about why armour was important. Discuss the legacies the Romans left behind and how things would be different if these legacies didn't exist today.

SITE

Focus is: To create a Christmas themed lantern using a **simple series electrical circuit** to illuminate it.

Skills / knowledge to be developed: Children will look at 'Electricity' in Science where they will create simple circuits and identify good conductors and insulators. In DT, they will use their acquired scientific knowledge to plan, design and create a Christmas lantern using a simple series circuit. In ICT, the children will work together to create a PowerPoint presentation about how they made their lantern and how it can be controlled by a switch in the circuit.

Applied through:

Science/DT/ICT

P.E

Focus is: Net and Wall games- Tennis Skills
Skills / knowledge to be developed: The children
will develop their passing, co-ordination and
control skills through a range of fun activities.
Applied through:

Ball and racket games.

How can I help / information for Helping

Talk about different materials and appliances around your house that carry electrical currents and how they are insulated to keep you safe.

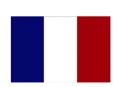

Discuss electrical safety issues with your children.

How can I help / information for Helping

P.E usually takes place on a Thursday afternoon. Please ensure that your child has both a **warm outdoor kit** and an indoor kit in school (including trainers) for the whole week as other indoor and outdoor sessions might take place at alternative times.

French
Focus is: Writing in French using
grammatical aspects of this language.
Counting to 31 in French and
understanding basic classroom
instructions.
Skills / knowledge to be developed:
The children will develop their
speaking, listening and writing skills.
Applied through:

Talk partners and group work. Written sentences in their Jolie Ronde books. Questions and answers and the use of songs.

Focus is: Using a glockenspiel.

Skills / knowledge to be developed: Children will revisit what they did in

Music

Class 3 by developing their knowledge of musical language through playing the glockenspiel. The learning is focused around exploring and developing playing skills using different key notes (c, d, e, f and g) in time with a given beat.

Applied through: Listening to a variety of music compilations and commenting on the styles, tempo and beats. The children will work in groups to create a musical performance.

Focus is: Physical health and wellbeing: What is important to me? Skills / knowledge to be developed: Their understanding of certain lifestyle choices (why people eat/avoid certain foods). Understanding the importance of being healthy and getting enough sleep. Children will develop their skills when choosing what is important for them to live healthily and promote their positive wellbeing.

PSHE / MindMate

In MindMate, the children will be exploring the different emotions they can feel and how to deal with them appropriately.

Applied through: Discussion /

Circle time / Debate

R.E.

How Focus: are important ceremonies remembered?

Skills / knowledge to be developed:

The children will develop their understanding of the different religions within our community and how important events are celebrated across the world.

Applied through: Class discussions / partner talk.

How can I help / information for Helping

Ask the children what they have been learning in French. Encourage the use of discussion and

ask children to verbally recall key vocabulary.

How can I help / information for Helping

Discuss different musical instruments and elements such as beat, tempo, pitch and volume and how it affects the listener. Identify different instruments played in songs.

How can I help / information for Helping

Discuss making the right food choices and what the different food groups are. Why are they all important?

How can I help / information for Helping

Discuss different faiths in your community and religious events that you celebrate / how they are celebrated.

Homework

Any Other Information / Dates for the Diary

Ongoing Homework

Friday 13th November – Children in Need day. Children can wear something spotty!

 Reading: a minimum of 15 minutes reading every night (logged by the children and noted in their reading record). In their homework diaries the children are to log Red words (words they don't know), Amber words (words they have heard before but are unsure of) and Green words (words they know and can use).

Monday 16th November – Friday 20th November – Anti-bullying week. On Monday 16th November we will be holding an "Odd Socks Day" along with schools around the country. The aim is to encourage children to celebrate diversity and what makes us all unique.

• KIRF target: see maths

Friday 20th November – Non-uniform day

Times Tables: see Homework Diary

Wednesday 25th **November** – No Pens Day.

 Spellings: learn their spelling list given. The spelling sheet has spelling support strategies on it. Please see the class teacher if your child has not received a sheet. If you could spend a little time each week practising these with your child, it would be greatly appreciated.

Thursday 26th November – A completed piece of English, Maths and Topic work to be sent home with children.

Please continue to log children's progress with these activities on the weekly homework sheet – children earn house points for each part that is fully completed.

Friday 27th November – Training Day.

Tuesday 15th December – Year 4 Christmas Party.

Maths / English Homework

Friday 18th December – Christmas Jumper Day.

One piece of Maths homework and one piece of English homework will be sent home each week.

Please ensure that your child has a water bottle in school every day. They must remember to take it home every evening to wash the bottle and bring it in to school already full. This will ensure that the bottles are kept clean and germ-free for the children's use each day.

Homework is given out on a Thursday to be returned the following Tuesday.

We encourage you to follow our school Twitter account: @BramhamShadwell. We regularly post updates and photographs of what your children are learning in class alongside other important school information, reminders and updates.

Please encourage your children to discuss their homework at home in order to help them develop their explanation and reasoning skills.

Children will be set a Learning Log activity once during every half term. This will be related to the Enriched Curriculum. On weeks when this is set, it will replace Maths or English homework.

To keep our children safe, please can we politely ask that you refrain from using the school field and climbing equipment after school and please leave the grounds as quickly as possible.

Thank you, as always, for your continuous help and support. If you have any queries please do not hesitate to contact the office who will pass them on to me and I will contact you by phone as soon as possible.

Miss Ings and Mrs Turner
