AGENDA

We will now share our agenda with you.

An agenda tells you what we talked about and the decisions we made.

1. Why do we have a School Council?

It is here so that every child in school has a voice and they are able to make their opinions heard. As school councillors we have agreed

- that we will listen to the views of all children
- we will share those views (that might be different to our own) in a School Council meeting.

The other councillors and Mrs Kirby will be there to listen to those views and we will all work together to make our school a better place to learn.

2. Election of responsibilities.

Every member of School Council has an important job to do.

We decided as members of the council who would take responsibility for the different areas.

- **Chair:** Alfie
- **Deputy Chair:** Maria
- **Fund Raising Manager:** Louis
- **Letter writer:** Freya
- **Minute distributor:** Oles

3. Food in school

Reception children are now in the hall. It is a big space for them and it is very different to being in their classroom. Some of them find it quite scary especially when everyone is a bit noisy. Please would everyone remember to talk quietly to them and help them if they appear to be unsure of what they are doing. We can all help new children to settle into school by being kind and caring.

The school Food Ambassadors will be looking to see which table will be awarded with 'Table of the week'.

4. Adventure Playground

Over the last two years, children at Bramham School have been particularly keen to raise money for an adventure playground. This costs a lot of money, however FOBs have agreed to help try and raise this money as well as trying to bid for money from companies who might be able to help us fund this. This equipment will be great as it will help us to keep fit and healthy as well as improving our coordination, balance and of course, it means we will have lots of fun! We have to make sure that the product we buy is safe and sturdy and fit for everyone in school to use and enjoy.

Last Friday, we had a visit from a company who design adventure playgrounds for primary schools. With some school councillors from Class 5, they looked at some possible designs that we could add to our playground on the grassed section next to Class 6.

There were lots of possibilities and these have been narrowed down to 15 ideas that could form a trail in this area of the playground.

During this meeting, we would like you to look carefully at each design and then vote for your favourite 7 pieces of equipment. Make a tally of your top 7 and then cut out the pictures of the equipment and glue them onto the transformation sheet. These need to be handed back to Mrs Kirby on Thursday so we can apply for a bid to raise funds.

We would like to have the adventure playground in place for next Summer. We discussed some ways of raising funds ourselves over Winter.

Do you have any suggestions of how we can raise money over Winter?

Please write your suggestions below

Thank you for your suggestions. We will discuss them at our next School Council meeting.
