## AGENDA

We will now share our agenda with you.

An agenda tells you what we talked about and the decisions we made.

1. Everybody was welcomed to the School Council meeting and last month's agenda was discussed.

## 2. Adventure Playground

Mrs Baxter from FOBs has kindly arranged for two companies who supply adventure playgrounds to visit Bramham School and see what their costs might be. We already have one company who has costed but FOBs felt it was important to get some further quotes to compare. These companies will be visiting in the next two weeks. After this time we will look at the costs and decide which company offers the best value for what we would like. Watch this space!

### 3. Suggestions to raise money for the Adventure Playground

Maria and Freya in Class 6 have organised a letter for parents which will be sent out this week to ask for donations towards our Winter Fair. If anyone has any second hand winter wear in good condition such as hats, gloves and scarves that they no longer need, please bring these into school to Class 6 and they will be sold to raise money for funds towards the Adventure Playground.

The letter will be sent to parents next week with details of the date this event will be happening.

### 4. Child-friendly Policies

Following on from discussions at the last School Council Meeting about how our child-friendly policies should look, Mrs Kirby typed up children's ideas into a draft policy. Children at School Council reviewed the policy which was linked to anti-bullying. All children were happy with the policy and this will now be set up in school so that everyone has the opportunity to view this policy when needed. We are also considering an online safety policy which will be in a child-friendly format which will be useful for children.

School Councillors asked at Class Council meetings who would be interested in the office area containing a set of documents, information and policies for children and parents to view so that if anyone has any queries, they are able to access information easily.

<b>YES</b>	<b>65</b>
<b>NO</b>	<b>16</b>

Children voted overwhelmingly for this and thought it was a wonderful idea for the office area to contain this useful information. Mrs Kirby will speak to Mrs Humphreys about purchasing some shelving that could hold this information.

**Thank you for helping to make  
our school great**

**Together we make a brilliant  
school.**

**Mrs Kirby**

**Remember to:  
Read out these minutes  
to your classmates so  
they know what is going  
on in school and how  
together we are helping  
to make it a better**
