Provide a high standard of education in a safe, secure, happy, stimulating, challenging and caring learning environment;

Develop in each child positive values and a caring attitude towards the school community, towards others and the environment;

Provide a balanced curriculum of the highest quality and meet the individual needs of every child;

Develop children's understanding of British Values; through an embedded Social, Moral, Spiritual and Cultural understanding;

Set regular homework to consolidate or extend learning;

Inform children and parents/carers what the teachers aim to teach the children each half term;

Be welcoming and offer opportunities for parents/carers to become involved in school life through workshops, event days, questionnaires, sharing celebrations.

Contact parents/carers as soon as concerns are raised about your child's work, wellbeing, behaviour, attendance or punctuality;

Have a clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy;

Communicate between home and school through notices, newsletters, website and general meetings.

PARENTS/CARERS

To help my child at school, I will do my best to:

See that my child attends school every day, is punctual, properly equipped and ready to learn;

Inform the school on the first day of absence;

Raise any concerns or problems that might affect my child's ability to learn;

Support the school to make sure my child maintains good behaviour;

Support my child with homework and other home learning opportunities and listen to my child read daily;

Attend parent meetings with the teacher to discuss my child's achievements and progress;

Support all staff in their efforts to create a caring community which values children and their rights;

Read all letters/messages/emails that are sent home;

Inform the school immediately of any changes to parents/carer and emergency contacts details;

Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with school as it is much healthier to work out solutions together.

We encourage parents and carers to use your talents and experiences to enhance your child's learning at home. Your child will benefit greatly from what you can show them, discuss with them and teach them.

CHILDREN

I will try my hardest to:

Respect other children's culture, race, feelings, beliefs and values.

Look after our school family members whether they are younger or older than me.

Accept responsibility for the things that I do.

Talk to a grown up in school if I am worried or unhappy about anything.

Be responsible for my school work and home work.

Ask for help if I need it and try my very best in all that I do.

Ensure I take home any letters or information for my grown ups at home.

Be kind to everyone and speak politely to everyone in school.

Take good care of the building, equipment and school grounds.

Behave in a sensible way which keeps everyone safe and happy.

Be helpful, kind and thoughtful.

Bramham Shadwell Federation Aims and Values

We aim to achieve a respectful, civilised, secure and safe environment where everyone shows consideration and kindness towards each other.

We aim to provide our children with an inspirational and relevant curriculum; one which inspires children; one which encourages problem solving, fluency and reasoning to build Excellence for All in school, where children are happy supported, confident and enthusiastic.

We facilitate children in reaching their potential; respecting others' cultures and maintaining mutual respect for, equality and tolerance of those with different faiths and beliefs and for those without faith.

We teach children how to challenge concepts appropriately in a democratic and supportive environment where all opinions are respected and where ideas are valued.

We aim to expose to children the successes the educated world has to offer to them and aspire for them to become totally committed, through their learning, to joining that world and being successful.

We aim to create an environment where children feel safe to make mistakes and to learn from these, ensuring they are committed to growing in their learning in this way.

We aim to produce happy, healthy children who know how stay safe and who enjoy their relationships with others; understanding healthy boundaries.

We aim to foster a sense of wonderment and inspire a constant curiosity within our pupils.

We have a dedicated team of talented teachers who understand their children's academic and emotional needs and in doing so, ensure all children are in receipt of a challenging and rich curriculum where high standards are set and where secure relationships are built.

Excellence for All Mission Statement

Within our Bramham and Shadwell Federation, we are proud of our family; we actively welcome new members and take their needs into account. We work towards our aspirations for the future and quickly develop our engagement in learning; we focus on our goals, we evaluate our progress along the way and we are determined to succeed. We support one another and strive for good physical and mental health. Our teachers are supportive and dedicated to all the children; they celebrate our dreams and ambitions and believe that each day in school is an exciting opportunity to help us exceed our expectations. Children only have one childhood and one chance at Primary School and every moment is precious as we grow as learners, building knowledge, resilience, independence and tolerance. We care for the environment and one another, learning to build positive and respectful relationships. If we make mistakes, we bounce back. Everyone is unique and acknowledged as part of our diverse family; this includes the children, parents, staff and governors - and together we continue to achieve 'Excellence for All'.
