

Meeting Minutes

Time and date of the meeting:

Friday 21st January 2022

Eco-Committee members present:

Maggie, Eli, Rufus, Lily, Austin, Aefia, Sebastian, Phoebe, Coby, Adam.

Eco-Committee members not present:

All in attendance.

What was discussed?

Eco-Warriors discussed ways in which they would like to spend the £774 leftover as part of a grant they applied for in 2019. Children decided they wanted to:

- Buy things to increase the biodiversity of the school pond.
- Buy new gardening equipment and pond dipping equipment.
- Buy storage containers to keep the equipment safe and rust free.
- We also discussed buying a new compost bin and food waste bins for the kitchen.

After this we returned to our conversation around recycling bins in classrooms following our waste audit.

Children thought out and have started designing labels for classroom general waste, recycling and fruit waste bins.

Next steps:

Children to finish labels for bins before Mrs Eggleston laminates these and hands out to teachers.

Children to draft an email to all teachers, cleaners and kitchen staff reminding them about the different bins and letting them know about another waste audit.

Mrs Eggleston to put in order for new equipment wanted by the children from the grant.

When and where is the next meeting?

Friday 14th February – 2:30pm -Hall
