

## Primary P.E. and Sport Premium

### Funding Impact 2020-21

The aim of the P.E. Premium funding is to improve the quality and breadth of P.E. and sport provision whilst increasing the participation and enjoyment of all pupils in P.E. and sport; the funding is 'ring-fenced' and can therefore only be spent on achieving these goals. For this academic year, Bramham Primary received in total **£17,450.00**. This year the money has also been able to be carried over into the 2021-2022 academic year because of the Covid-19 pandemic as there was not the opportunity to use all of the funding. Any funding which was unspent last year because of Covid-19 will remain allocated to the same aspects for the forthcoming year. The highlighted amounts in each section are the funding adjustments if other planned aspects do not happen because of Covid-19. All planned activities and implementation will only take place when government Covid-19 guidelines allow. Both Bramham and Shadwell have their own allocation and must therefore use their own funding for their own pupils.

At Bramham and Shadwell Federation we are proud of the continually increasing opportunities we provide all of our pupils; our P.E. team, led by Mr Brotherton, has the responsibility of developing P.E. and Sport across both schools and we are excited about the future of P.E. and sport within the Federation. This document outlines the impact of the funding for the 2020-2021 academic year.

	<p>Increased number of friendly fixtures for KS2 children throughout the year, devised and implemented by Mr Brotherton.</p> <p>Expansion of the school's afterschool club programme to offer a variety of activities; led by Mr Brotherton and external agencies.</p> <p>New equipment bought for use in P.E. lessons.</p>	<p>KS1 during lunchtimes through working with Mr Brotherton. This facilitates younger children within the school to be active and has allowed KS2 children to develop their leadership and teamwork skills.</p> <p>KS2 children will be able to access healthy competition, broadening their experience of sports whilst improving social skills.</p> <p>Children will be able to compete against other schools at the appropriate level to give them the balanced experience of playing in a competitive environment whilst applying their skills.</p> <p>Increased focus on specific skills and team play within P.E. lessons. Children sense P.E. is an exciting subject with up-to-date equipment. Old or broken equipment to be replaced.</p>	<p>Bramham Primary continued to host Football fixtures in the Summer Term and increase the importance of competitive sport throughout the school. P.E. lessons are able to be more focused and specific, as well as the improved feeling of the importance of playing sports for school - The Federation developed its own in-house football tournament (World Series), one for boys and one for girls, in which almost every pupil in KS2 took part during the Summer term. The ethos of this was a mixture of friendly competition and participation; all children were equally involved and it provided a positive atmosphere around physical activity, building relationships and resilience back into being a part of the pupils' lives.</p> <p>The school also devised a weekly newsletter dedicated to the tournament where pupils could see themselves in the match reports, keep up with league tables and engage in reading.</p> <p>Increased number of non-competitive fitness clubs to improve pupils' health and wellbeing.</p>
