18th June 2020

Dear Parents and Carers

I would like to share with you details of some changes for our Year 6 children. With effect from Monday 22 June, year 6 will be merged into **ONE WHOLE CLASS** and taught by Miss Prankard in the Year 6 classroom.

There will be less than 15 children in the class and therefore we are able to meet all Government guidelines and protocols for the safe return of children into Class 6. In addition, the classroom will be deep-cleaned before children return into one class.

Opening for all children will be 8.30am – 12.30pm.

For children who were previously taught in the year 4 classroom, this will mean that the drop-off and pick-up points have changed.

At 8.30am, please enter the school through the bottom gate, past the outside Reception area and enter the KS2 playground. Please stand outside Class 6 on the markers, and wait for your child to be called into the building one by one. Parents can exit the playground by the same entry point, however, please maintain social distancing. At 12.30pm, your child can be collected from the same point and leave by the same exit.

Where possible, only one parent/adult should accompany their child to/from school and bringing younger children is discouraged.

Mrs Hemingway will be available daily to pick up telephone messages and respond to emails. Adults will not be able to enter the building.

We very much appreciate your support with the above guidance.

Kind regards.

Sarah Richards
