16th June 2020

Dear Parents and Carers

I am writing to inform you about some changes and developments that are being made in regards to the re-opening of school. Following the success of the return of our Year 6 classes, the decision has been made to extend the re-opening of the school to our Class 1 pupils. As a result of this, the decision has been made to merge the Year 6 bubbles at Bramham into one class bubble. Therefore, as of Monday 22nd June, group B who until this point have been in Year 4 with Mr Brotherton will be joining group A with myself as the teacher in the Year 6 classroom.

We are confident that we are able to do this safely and have considered and implemented the following measures in order to ensure this is done safely:

- The number of children who have returned to school will still be below the recommended number of children per bubble.
- The classroom set up will be adjusted so that children still have their own desk and resources at the recommended distance.
- During the weekend prior to Monday 22nd June, the classroom will undergo a deep clean.
- Mr Brotherton will be placed in the Year 5 classroom as extra support if needed.

Therefore from Monday, all Year 6 children will be coming to school at 8.30am where they will come to the playground and wait in a line on the 2 metre markers and finish school at 12.30pm. All other procedures in place will remain the same.

Whilst I appreciate that this is another change following an unsettled period, it will be absolutely lovely to have all the children back together as a class during their final weeks of primary school. I am very much looking forward to seeing them all together again.

Should you have any further questions, please get in touch.

Kind regards.

Miss Prankard
