

## **Bredbury Green Primary School**

### **Protocol for dealing with children not collected from school at the end of the school day or school activity**

#### **Introduction**

Bredbury Green Primary School recognises that it has a statutory duty to safeguard and promote the welfare of its pupils and that this duty extends to having arrangements in place for dealing with children not collected from school at the end of the school day or school activity.

This protocol explains those arrangements, which have been agreed with the Local Authority education services, MASSH (Multi-Agency Safeguarding and Support Hub) and the Police.

It is essential that parents provide the school with a record of their contact details i.e. names(s), address (es), home, work and mobile telephone number(s). If possible, parents should also provide the school with the contact details of at least two other relatives/carers who can be called when the parent/carer cannot be contacted or in the event of an emergency. The school will endeavour to keep this record up to date by reminding parents of the need to notify the school of any changes.

The school agrees to care for a pupil who has not been collected until such time as he/she is collected by a parent/carer, or appropriate alternative arrangements are made with MASSH (Multi-Agency Safeguarding and Support Hub) and/or the police to ensure the child's safety.

The school's designated person for child protection will keep a record of incidents where parents do not collect a child from school, are late in doing so, (for no good reason) or where this is a repeat occurrence.

Any child welfare concerns arising out of such an incident(s) will be dealt with in accordance with the school's safeguarding and child protection procedures.

In all cases, the Headteacher should discuss the incident with the parent(s)/carer(s) at the earliest opportunity in order to address the issues and prevent any further incidents.

If there are three or more such episodes within a six-week period, staff should consider consultation with MASSH (Multi-Agency Safeguarding and Support Hub).

#### **Procedure**

In the event that a child is not collected by a parent or carer, this will be brought to the attention of the Headteacher or person with designated responsibility for safeguarding and child protection.

The Headteacher, Designed Safeguarding Lead or senior teacher, in the absence of the Headteacher will then make every effort to contact the parent or carer or named alternative carer(s) as per the child's school records.

If the child has not been collected and no contact has been made with the child's parent(s) or carer(s) by 4pm (or within 30 minutes of the end of the school activity), the Head teacher or person with designated responsibility should telephone the MASSH and/or the police.

If the child is known to social care, contact should also be made with the child's allocated social worker or the emergency duty social worker if it is out of normal office hours. (All contact details are available from the main school office).

When telephoning the MASSH and/or the police, the following information should be provided:

- Brief circumstances of incident
- Child's details
- Date of birth
- Address
- Gender
- SEN/behavioural difficulties/medical needs
- Parent/carer/alternative carer details
- Home/work/mobile telephone number(s)
- Any current or previous child protection concerns
- Any previous incidents of not being collected from school

The MASSH and/or the police will give advice and may carry out appropriate checks and make further attempts to contact the parent/carer. If the family is known to social care and there are any concerns about the welfare of the parent/carer, social care or emergency duty social worker will ask the local police to visit the home address.

If an appropriate relative or carer is located, he/she will be asked to ensure that the child is collected from the school.

If at this stage, the police cannot locate an appropriate adult to come for the child or there is a genuine reason why the relative or carer is unable to do this, the police will notify social care via the Out of Hours Teams who will arrange for the child to be taken to a place of safety e.g. a temporary foster carer. The police may decide to take a Police Protection Order (PPO) as part of this process. They will notify the school of the child's placement and provide contact details as appropriate. Plans for transporting the child will be dependent upon staff availability out of hours and will take into consideration, the need for adequate insurance cover, appropriate gender balance, and any information about special needs or behavioural difficulties etc provided by the school. Where possible, two adults should be present. If there is a shortage of staff a taxi could be used with a suitable escort. Social care for the school area will liaise directly with the social workers for the area in which the child resides, if this is different.

### **Major Incidents**

If an incident occurs which results in a large number of children not being collected, it may be necessary to accommodate the children at a single location until an appropriate carer is located. For this reason, MASSH (Multi-Agency Safeguarding and Support Hub) should be contacted at the earliest opportunity. If the nature of the incident is considered serious, the arrangements for collecting and caring for the children, including overnight placements, will form part of social care's emergency plan.
