

BREDBURY GREEN PRIMARY SCHOOL & RESOURCED NURSERY
www.bredburygreenprimary.com

21st October 2020

Dear Parents/Carers,

As we near the end of half term, I would like to thank you all for your vigilance, understanding and patience in getting all children safely back to school. It has not gone unnoticed that you as parents are supporting the school with ensuring all measures sited in the risk assessment are being implemented e.g. one parent to drop off/collect, arriving on time and leaving promptly at designated points, observing social distancing etc. We have been fortunate in our school community that no children have tested positive so we have not had to close any bubbles. Please be reassured if this does happen we have measures in place.

Over half term, school will still need to be contacted if there is a positive case. We will need to identify close contacts and ask families to self-isolate in the same way we would during term time. Please let us know immediately by emailing to:

admin@bredburygreenprimary.com

These emails will be monitored daily and appropriate action will be taken in line with the school risk assessment.

Remote Learning

Attached with this letter is our 'live lesson protocols.' If individual children are isolating we are using Class Dojo as a platform for the teachers to set work. Please ensure your child can access Class Dojo or contact us if you need a new QR code. If a class bubble has to isolate we intend to use "Microsoft Teams" to implement some live lessons (see protocols) as well as setting work on Class Dojo. It is important that children have contact with the teacher and feedback can be given directly and in a timely manner. I am really pleased that a lot of parents have taken up the option of a 'Teams' meeting for parents evening. If successful, this could be a future avenue for us for events such as parent workshops etc.

Parents Evenings

Parents evenings are taking place on Wednesday 21st October 4:00-6:00pm and Thursday 22nd October 4:00-6:00pm. You should have received a Parentmail with a link for your booked time slot. Click on the link to join the meeting at the required time. The appointment will last for 10 minutes and the following topics will be covered:

- How your child has adapted to the new routines and settled back into school
- Progress in maths, reading and writing

- Learning behaviour and attitude

For those of you who requested a telephone call instead of a Teams meeting these are happening during the sessions below when teachers have non contact time:

Friends Of Bredbury Green

Thank you for all the entries for our pumpkin competition, it was really difficult to judge! I will announce the winners to the children in assembly (via Zoom) on Friday. We have put the winning entries on various fences, gate and lamp posts to form a pumpkin trail for the children to follow. This starts at school and goes down Clapgate and then along Powicke Drive – see if you can find them all! On each pumpkin there is a letter which when unscrambled spells Bredbury Green.

On Friday, it is a Halloween themed non-uniform day. We would like children to bring a box of chocolates for the Christmas hampers or pay £2 towards PTA funds.

Halloween Menu – Friday 23rd October

For Friday our cooks have designed a special Halloween menu instead of the usual menu:

Petrifying Pizza or Freaky Fish Fingers or Jack-o-lantern Jackets

Creepy Crypt Chocolate Cupcakes

Fantasy Fruit Salad

Children will need to order in the classrooms on Friday morning if you wish them to have one of these options.

Have a lovely half term break. We will see you back in school on Tuesday 3rd November (Monday is INSET).

Kind regards,

Helen Moorcroft
Head of School
