**Strike action by members of the National Education Union on
Wednesday 15th and Thursday 16th March 2023**

I am now in a position to give you more information about arrangements in school for **Wednesday 15th and Thursday 16th March.**

In seeking to explore all options to keep the school open to as many pupils as possible, whilst respecting the staff's individual wishes to undertake strike action, I can confirm that school **will be open to all pupils during both days of action, Wednesday 15th and Thursday 16th March 2023.**

With the support of the Trust, the leaders of the school have assessed the impact of the planned industrial action and we are assured that we can remain fully operational with a risk assessment in place to cover any changes that may take place.

A national strike by teachers is very unusual. Taking strike action is not something that any teacher would undertake lightly. As further strike days are planned, we will have to take each proposed day with separate consideration. We will aim to keep you as updated in a timely manner as much as possible, as we continue to consult with staff and unions.

Kind regards
