Dear Parents/Carers,

Curriculum Open Session: Thursday 2nd February 2023 9:15 - 10:15am

This is a polite reminder that this week we will be holding our Curriculum Open Sessions for all parents. This will give you the opportunity to see your child learning in their classroom environment as well as giving you the chance to participate in an actual lesson.

Messaging on Class Dojo

Class Dojo was introduced with the intention of using it to keep you informed about the curriculum and provided useful updates for parents. It has been brought to my attention that the messaging facility on Class Dojo is being used for different purposes and this is affecting staff well-being. Some parents are using it to bring up concerns they have and these messages are often coming through late at night or even at the weekends. Please raise concerns directly and in person with class teachers. If you cannot get into school, please ring the school office and an appointment can be made with the teacher at the earliest convenient time. In the interest of staff well-being, I have instructed teachers not to check Class Dojo after 5:00pm or at the weekend.

Thank you for your support with this.

Kind regards

Helen Moorcroft
