## Foreword by Helen Moorcroft, Headteacher

At Bredbury Green Primary School, safeguarding the welfare of every child is our highest priority. We are committed to taking all reasonable and practicable steps to protect the children in our care, ensuring a safe and nurturing environment in which they can thrive. Our warm, inclusive atmosphere supports both academic and personal development, fostering confidence, curiosity, and a love of learning. We take pride in our achievements and hold high expectations for every child, guided by our mission: *'To inspire and empower children in a supportive and inclusive environment: creating self-belief, independence and respect.'*

We will implement clear policies and robust procedures to uphold the safety and wellbeing of all pupils. These include, but are not limited to: child protection, behaviour, safe recruitment of staff, health and safety, harassment and discrimination, female genital mutilation (FGM), anti-bullying, online safety, staff conduct, mobile phone and camera use, risk assessments, emergency response, school visits, and the prevention of radicalisation.

We are fully committed to meeting our statutory responsibilities to the highest possible standard. While we acknowledge that life inevitably carries some degree of risk, we will do everything within our power to minimise those risks and maintain a secure environment for children.

The governing body, alongside all staff and volunteers, will prioritise safeguarding above all else to ensure that every child can learn, grow, and thrive free from fear or harm. This policy is fully aligned with the statutory guidance outlined in *Keeping Children Safe in Education*, and reflects our belief that safeguarding is essential to inspiring and empowering every learner.

This policy draws on the principles set out in The Education Learning Trust Child Protection and Safeguarding Expectations document and should be read in conjunction with that and other linked school/Trust policies. These can be found on the Education Learning Trust website:

<https://educationlearningtrust.com/about-us/policies>

**Our school values (self-belief, independence and respect) link to safeguarding. We respect children and help them if they don't feel safe. It's very important that we respect people for who they are and not what people want them to be. All children should be able to believe in themselves and feel safe enough to share with school staff if they feel less than 'green'. Independence links because we all have our independent human rights and these are put in place to keep us physically and emotionally safe. – Pupil Voice**

## Purpose and Principles

The purpose of this document is to ensure that all stakeholders are aware of the arrangements that Bredbury Green Primary School have in place for safeguarding and promoting the welfare of its pupils. It provides guidance to help staff who may have concerns about the safety or welfare of a child and sets out the school's position in relation to the safeguarding process.

This policy:

- has been written in line with the Department for Education (DfE) statutory guidance – Keeping children safe in education, September 2025, and any other relevant UK legislation and government guidance.

- applies at all times when the school is providing services or activities directly under the management of the Bredbury Green Primary staff.
- is publicly available on the school website, and a printed copy can be made available via the school office.

This policy is consistent with all other policies adopted by the Trust/Governors and should read in conjunction with the following policies relevant to the safety and welfare of children:

- Anti-Bullying Policy
- Positive Relationships Policy
- Staff Code of Conduct
- ICT Acceptable Use Policy
- Whistle blowing Policy
- Attendance Policy

## Outline

Safeguarding and promoting the welfare of children and young people is everyone's responsibility. Everyone who comes into contact with children, their families and carers has a role to play in safeguarding them and promoting their welfare. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child centred. This means that they should consider, at all times, what is in the best interests of the child.

No single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who meets them has a role to play in identifying concerns, sharing information, and taking prompt and restorative action. In line with this understanding, any adult working or volunteering in the school community has a responsibility to recognise when a child or young person may be in need or be vulnerable in some way, and to respond to this recognition in a timely and appropriate way.

## The Definition of Safeguarding

Safeguarding and promoting the welfare of children is defined as:

- providing help and support to meet the needs of children as soon as problems emerge
- protecting children from maltreatment, whether that is within or outside the home, including online
- preventing impairment of children's mental and physical health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- promoting the upbringing of children with their birth parents, or otherwise their family network through a kinship care arrangement, whenever possible and where this is in the best interests of the children
- taking action to enable all children to have the best outcomes in line with the outcomes set out in the Children's Social Care National Framework.

(*Working Together to Safeguarding Children* 2023)

## The Definition of Child Protection

Child protection is part of safeguarding and promoting the welfare of children and is defined for the purpose of this guidance as activity that is undertaken to protect specific children who are suspected to be suffering,

or likely to suffer, significant harm. This includes harm that occurs inside or outside the home, including online.

THIS SAFEGUARDING POLICY ENCOMPASSES CHILD PROTECTION.

## Our Rationale

At Bredbury Green Primary School we recognise the responsibility we have under Section 175/157 of the Education and Inspections Act 2002, to have arrangements for safeguarding and promoting the welfare of children. The Governing Body approve the S175/157 (self-assessment audit) return to the LA on a yearly basis. This policy demonstrates our commitment and compliance with safeguarding legislation.

Staff and volunteers working in our school have a crucial role to play in noticing indicators of possible abuse, neglect, or exploitation, and referring them to the correct persons or services for support and intervention. Everyone working or volunteering at this school is trained to recognise signs of concern and in line with this policy, must report concerns following school and local authority procedures.

Staff and volunteers are updated on safeguarding issues frequently across the year via a bespoke package of face-to-face and online training. These updates include learning from serious case reviews and local learning reviews on how to improve practice to prevent children from harm.

## Safeguarding- our approach

### Introduction

Bredbury Green Primary School recognise our statutory responsibility to safeguard and promote the welfare of all children. Safeguarding is everybody's responsibility and all those directly connected (staff, volunteers, governors, leaders, parents, families and pupils) are an important part of the wider safeguarding system for children and have an essential role to play in making our school a safe and secure setting, placing our pupils at the centre of all we do.

We believe that the best interests of children always come first. All children (defined as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, gender, ability, culture, race, language, religion or sexual identity or orientation, have equal rights to protection.

When concerned about the welfare of a child, staff will always act in the best interests of the child and if any member of our community has a safeguarding concern about any child or adult, they should act immediately.

Bredbury Green Primary School works continuously to build and maintain an effective culture of safeguarding. We seek to provide an environment within school that will help children to be safe and to feel safe. In our school children are respected and are encouraged to talk openly. We will ensure children's wishes and feelings are taken into account when determining what safeguarding action to take and what services to provide.

Our core safeguarding principles are:

- **Prevention:** positive, supportive, safe culture, curriculum and pastoral opportunities for children, safer recruitment procedures.
- **Protection:** following the agreed procedures, ensuring all staff are trained and supported to recognise and respond appropriately and sensitively to safeguarding concerns.

- **Partnership:** to ensure timely, appropriate communications and actions are undertaken by collaborating with the right people at the right time where there are safeguarding concerns.
- **Support:** for all pupils, parents and staff, and where appropriate specific interventions are required for those who may be at risk of harm

The procedures contained in this policy apply to all staff, governors, partner agency staff and volunteers. This policy is consistent with the statutory guidance set out in KCSIE 2025.

This policy is implemented in accordance with our compliance with the statutory guidance from the Department for Education, 'Keeping Children Safe in Education' 2025 (KCSIE) which requires individual schools to have an effective child protection policy.

This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004 and related guidance. As part of our commitment to and compliance with safeguarding legislation and guidance; we also refer to:

- Working Together to Safeguard Children 2023 (WTSC)-*currently under review.*
- Ofsted: Education Inspection Framework'
- Framework for the Assessment of Children in Need and their Families 2000
- Early Years and Foundation Stage Framework 2025 (EYFS)
- The Education Act 2002
- Education and Inspections Act 2006
- The Education (Independent School/college Standards) Regulations 2014
- The Non-Maintained Special School/colleges (England) Regulations 2015
- The Human Rights Act 1998
- The Equality Act 2010 (including the Public Sector Equality Duty)

**If you feel scared then you can identify a trusted adult. They can help you with anything that you might need (like reassurance) and help you feel valued. If a child has problems that they don't feel like they've been able to tell anyone, then the trusted adult might be their best choice. We know the staff at Bredbury Green really care about us and want the best for us. – Pupil Voice**

## Information sharing and confidentiality

We take data handling and information sharing seriously. School staff have received appropriate training in relation to information sharing and confidentiality. We have a trained Data Protection Officer (DPO) as required by the General Data Protection Regulations (GDPR) to ensure that our school is compliant with confidentiality and information sharing requirements. Our DPO is Amanda Salt, Business Manager. At Trust level, this is Tracey Payton.

Sharing information enables practitioners and agencies to identify and provide appropriate services that safeguard and promote the welfare of children. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children. Staff also have a professional responsibility to be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of children; this may include sharing information with the DSL and with other agencies as appropriate.

In regard to confidentiality and information sharing staff will only involve those who need to be involved, such as the DSL (or deputy) and other allocated services. All staff are aware they cannot promise a child that they will not tell anyone about a report of any form of abuse, as this may not be in the best interests of the child.

Where we share information in relation to safeguarding or a child protection matter we follow local and national guidance, we pay particular regard to [Information sharing advice for practitioners in safeguarding services](#) and [Data Protection Toolkit for School/colleges](#)

All members of staff must be aware that whilst they have duties to keep information confidential, in line with our confidentiality policy.

## **PURPOSE:**

The purpose of the policy is to ensure that the welfare of children is always understood and promoted. In this school we understand that the welfare of the child is paramount.

We strive to ensure that all children regardless of their age, gender, ability, culture, race, language, religion, or sexual identity are protected from harm in all its forms. All staff and volunteers have an equal responsibility to act on concerns, suspicions or disclosures that lead them to suspect or understand a child may be at risk of harm.

As part of our duty of care we also work to ensure that pupils and staff involved in safeguarding and child protection issues receive appropriate support. In line with Keeping Children Safe in Education 2025 we work with a range of partners and adhere to local practice guidance supported by The Stockport Safeguarding Children Partnership.

All staff, volunteers and external service providers are required to adhere to our Code of Conduct and Safer Working Practice Guidance (Including the use of ICT and social media). All staff, volunteers and external service providers understand what to do if there are concerns or allegations about any adult working or volunteering in our school during or outside of the normal school day.

**The procedures contained in this policy apply to all staff, volunteers, external service providers, placement students or anyone working** on behalf of Bredbury Green Primary School. We expect that this policy takes primacy over other agency policies when work is being delivered on this site and/or on our behalf, as we maintain a duty of care to all in our school community. Any expected exception to this must be named and negotiated ahead of work being undertaken. Colleagues from partner agencies who are based in our school adhere to school policies regarding reporting concerns, safer working practice and the use of ICT. Any parties hiring our facilities should also refer to safeguarding clauses in our hire agreement, and also note that in line with KCSIE 2025, we will ask for policies to be shared and report any issues to the LA /LADO where appropriate.

## **LANGUAGE:**

Safeguarding and promoting the welfare of children refers to the process of protecting children from maltreatment, preventing the impairment of children's health or development, ensuring that children are growing up in circumstances consistent with the provision of safe and effective care and acting to enable all children to have the best life chances.

Early Help refers to mechanisms providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years.

Child Protection refers to the activity undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.

Staff refers to all those working for or on behalf of the school in either a paid or voluntary capacity and will be used from this point on in this document.

Child refers to all children and young people who have not yet reached the age of 18.

Parent refers to birth parents and other adults who are in a parenting role including: step-parents, foster parents, carers and adoptive parents.

## CONTENTS

This policy has been divided into four key areas:

Prevention  
Procedures and Record Keeping  
Safer Recruitment  
Additional information and sources of support

Additional materials are referenced or provided in the Appendices.

Detailed procedural guidance and additional references are available to all staff and governors here- [Greater Manchester Safeguarding Procedures](#) .

## PREVENTION

---

We will establish and maintain an ethos where:

Children feel safe and secure in an environment which allows them to learn and develop on a journey to achieving their full potential. We will educate and support our children in an inclusive, supportive non-judgemental environment.

Children understand that there are adults in the school whom they can talk to if worried, scared or facing difficulty. We will work hard to be a restorative staff team who actively listen and respond.

Staff development and awareness in respect of safeguarding is given the highest priority across the school to ensure we all fully understand and implement the national and local agenda. All our staff and volunteers are required to read Keeping Children Safe in Education (KCSiE) Part 1 and annex A. All staff are required to undertake annual safeguarding training and update training in line with KCSiE2025.

We deliver a broad, balanced and age appropriate PSHEE (Personal, Social, Health & Economic Education) Programme, where children and young people acquire the knowledge, understanding and skills they need to manage their lives, now and in the future. It will support them to manage and assess risk effectively and develop the skills to recognise healthy and unhealthy relationships (both online and in the physical world); and where to find sources of support.

Children are supported in recognising risks in various forms including on the internet. They understand what kind of physical and virtual contact is acceptable and can recognise inappropriate pressure from others, including that which threatens their personal safety and well-being and give them strategies to counter this.

Staff feel empowered to share safeguarding concerns in a swift and timely way bringing them to the attention of the Designated Safeguarding Lead (DSL) and the Headteacher. Accepting that safeguarding is the responsibility of all in our community, staff feel able to ask safeguarding questions and receive appropriate feedback following up on concerns as part of this shared responsibility to children.

Emerging issues and themes are proactively addressed and fed back to the Local Authority (LA) and Stockport Safeguarding Children Partnership (SSCP), via the Safeguarding in Education Service (SiES) to ensure a multi-agency awareness and that strategies are developed.

There is a clear approach to substance misuse (drugs and alcohol). Any issues of drugs and substance misuse are recorded and there are strategies to educate children appropriately delivered throughout the school and curriculum.

We use the mechanisms and services available to understand the range of issues which may make a child vulnerable and ensure children and young people receive the most appropriate support or referral and access to other provision; actively supporting multi-agency planning for those children and, in doing so, providing information about the 'voice of the child' and the child's personal experiences and perspectives as evidenced by observations or information provided.

Our school's arrangements for consulting with, listening and responding to pupils are:

- Developing and nurturing positive relationships between adults and children
- Pupil voice activities, including pupil leadership roles
- All pupils identify trusted adults
- Pupils are invited to reflect on their learning experiences within the curriculum
- Inclusive decision making, including a focus on democracy as a British Value, fostering ownership and responsibility
- Pupils are given space to express their views in a variety of creative outlets
- Mental Health First Aiders are visible at social times
- An SEMH panel has been designated to review, respond to and support pupils
- Regular assemblies with a focus on well-being
- On-site counselling is available

Our school's arrangements for consulting with, listening and responding to parents are:

- Teachers are available at the classroom door at the beginning and end of the school day
- Pastoral support available, led by our Pastoral Manager, including drop-in sessions supported by external services
- Regular newsletters, Class Dojo posts, home visits, the school website and class assemblies keep families informed
- Regular curriculum open sessions are held, where feedback is encouraged from all who participate
- Parent Voice sessions are held, where parents are invited to contribute to the review of key school policies and curriculum development

There is a commitment to the continuous development of staff with regard to safeguarding training:

- All staff access training annually with regular updates across the academic year
- We undertake SSCP 'endorsed' Basic Awareness training and all new staff, as part of their induction, access safeguarding training within the first term of their employment/placement.
- The Designated Lead and/or deputy attends the SSCP DSL safeguarding training in line with the requirements set out in KCSiE-at least every other year.
- The Designated Safeguarding Lead, and/or Deputy attend the Designated Safeguarding Lead Network Meetings held each term, coordinated by the SiES, thereby enabling them to keep up to date with safeguarding practices and be aware of any concerns/themes emerging locally.

**Our teachers keep us emotionally safe and I'm really glad that we've learnt about how to stay safe if we are feeling anxious or as though we may want to hurt ourselves. Even though it's a sensitive topic, we're taught about it because it is so important. If we were feeling that bad, we know that we could tell an adult, go to the quiet room, use our Zones of Regulation activities or go and put a slip in to see our school counsellor – Pupil Voice**

## DEFINITIONS

Staff are trained and supported to understand and recognise indicators of the types of abuse that some children experience and work to the following definitions:

All school staff are aware that abuse, neglect, exploitation and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases multiple issues may overlap with one another.

**Abuse:** a form of maltreatment of a child. Somebody may abuse, neglect or exploit a child by inflicting harm or by failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others. This can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse, including where they see, hear or experience its effects. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults or by another child or children.

**Physical abuse:** a form of abuse which may involve hitting, shaking, throwing, poisoning, burning, or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

**Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development.

It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person.

It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate.

It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another.

It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children.

Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

**Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing, and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

**Neglect:** the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing, and shelter (including exclusion from home or abandonment)
- protect a child from physical and emotional harm or danger.
- ensure adequate supervision (including the use of inadequate caregivers)
- ensure access to appropriate medical care or treatment.
- include neglect of, or unresponsiveness to, a child's basic emotional needs

## COMPLEX SAFEGUARDING

In Stockport, domestic abuse has been included within this definition in acknowledgement of the similarities between the process of grooming and controlling victims of domestic abuse and those subject to complex abuse and the need for a specialist and sensitive approach to working with children and families at highest risk of all these areas of concerns to reduce risk and effect positive outcomes. Stockport family have agreed that the following areas are encompassed within complex safeguarding:

- Domestic Abuse including honour-based violence and forced marriage.
- Child Sexual Exploitation (CSE)
- Serious Organised Crime – including Child Criminal Exploitation (CCE)
- Modern Slavery and Trafficking
- Female Genital Mutilation
- Radicalisation and Extremism

**Child Sexual Exploitation (CSE):** is a form of child sexual abuse, it involves exploitative situations, contexts, and relationships where young people receive something (for example food, accommodation, drugs, alcohol, gifts, or money) as part of a grooming process. Ultimately, this results in them engaging in sexual activities. Sexual exploitation can take many forms ranging from the seemingly 'consensual' relationship where sex is exchanged for affection or gifts, to serious organised crime by gangs and groups. All staff are alert to possible indicators and will raise concerns as appropriate.

Child Sexual Exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can occur through the use of technology.

(Child Sexual Exploitation, DfE)

### **Children and young people who harm others (also referred to as Child-on child abuse):**

We understand that safeguarding issues can manifest themselves via Child-on Child abuse. This may include:

- bullying (including cyber bullying and prejudice-based behaviours),
- gender based violence/sexual assaults.
- taking, collecting, and sharing of naked or semi-naked images and *upskirting*
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm.
- initiating/hazing type violence and rituals

Staff are clear on our procedures with regards to child-on-child abuse and such matters are always taken seriously. In our school we ensure that our children feel listened to and provide individual support for children and families. This is regularly reviewed to ensure that the supportive measures put in place by the school are effective and helpful. We ensure staff are available at unstructured times to support our children. Our PSHEE and RSE curriculum covers appropriate touch and behaviours and how to report any concerns.

## Sexual Violence and Sexual Harassment

Sexual violence and sexual harassment can occur between two children of **any age and sex**. It can also occur through a group of children sexually assaulting or sexually harassing a single child or group of children.

Children who are victims of sexual violence and sexual harassment will likely find the experience stressful and distressing, and it may adversely affect their educational attainment. Sexual violence and sexual harassment exist on a continuum and may overlap, they can occur online and offline (both physically and verbally) **and are never acceptable**. It is important that **all** victims are taken seriously and offered appropriate support.

We understand that reports of sexual violence and sexual harassment are extremely complex to manage. We have a zero-tolerance approach and recognise that it is essential that victims are protected, offered appropriate support and every effort is made to ensure their education is not disrupted. It is also important that other children, adult students and school staff are supported and protected as appropriate. We take reports of sexual harassment and sexual violence seriously and will always act to address reports and concerns we do this by:

- not tolerating or dismissing sexual violence or sexual harassment as “banter”, “part of growing up”, “just having a laugh” or as typical behaviour for young people.
- challenging behaviour (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia and flicking bras and lifting skirts. Dismissing or tolerating such behaviours risks normalising them; and
- understanding that all the above can be driven by wider societal factors beyond the school/college and college, such as everyday sexist stereotypes and everyday sexist language. Ensuring we have a whole school/college/college approach (especially preventative education).
- We will always make referrals as appropriate and ensure staff are trained and informed of our approaches to this matter.

## Contextual Safeguarding

Safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside the school. All staff, but especially the designated safeguarding lead (or deputy) should be considering the context within which such incidents and/or behaviours occur. This is known as contextual safeguarding, which simply means assessments of children should consider whether wider environmental factors are present in a child’s life that are a threat to their safety and/or welfare. Children’s social care assessments should consider such factors, so it is important that schools provide as much information as possible as part of the referral process. This will allow any assessment to consider all the available evidence and the full context of any abuse.

## Roles & Responsibilities

---

### Governance and leadership

The Trust, school governing body and school leadership team have a strategic responsibility for our safeguarding arrangements and will comply with their duties under legislation. The Trust and school

governing body have regard to the KCSIE guidance and will ensure our policies, procedures and training is effective and complies with the law at all times.

The Trust and governing body will facilitate a whole Trust/school approach to safeguarding which involves everyone. They will ensure that safeguarding and child protection are at the forefront and underpin all relevant aspects of process and policy development, so that all systems, processes, and policies operate with the best interests of the child at their heart.

The Trust and governing body are aware of their obligations under the Human Rights Act 1998, the Equality Act 2010, (including the Public Sector Equality Duty), and the local multi-agency safeguarding arrangements set out by the Stockport Safeguarding Children Partnership (SSCP).

The Trust, school governing body and school leadership team will ensure that there are policies and procedures in place to ensure appropriate action is taken in a timely manner to safeguard and promote children's welfare.

The Headteacher will ensure that our child protection and safeguarding policies and procedures adopted by the Trust and governing body, are understood, and followed by all staff.

The Headteacher will allocate sufficient time, training, support, and resources, including cover arrangements, when necessary, to enable the DSL and deputy to carry out their roles effectively, including the assessment of students and attendance at strategy discussions and other necessary meetings.

The Headteacher will ensure that all staff feel able to raise concerns about poor or unsafe practice and that such concerns are handled sensitively and in accordance with confidential reporting/whistle blowing procedures.

The Headteacher will ensure that students are provided with opportunities throughout the curriculum to learn about safeguarding, including keeping themselves safe online.

The Headteacher will liaise with the Local Authority Designated Officer where an allegation is made against a member of staff and ensures that anyone who has harmed or may pose a risk to a child is referred to the Disclosure and Barring Service.

The Headteacher will ensure any learning requirements following an allegation management review are implemented effectively and will work with LA Officers as needed such as the Senior Advisor for Safeguarding in Education.

The Trust and governing body will ensure an appropriate senior member of staff, from the school leadership team, is appointed to the role of designated safeguarding lead. The Trust, governing body and school leadership team will ensure that the DSL is supported in their role and is provided with sufficient time so they can provide appropriate support to staff and children regarding any safeguarding and welfare concerns.

The school has a nominated governor for safeguarding. The nominated governor will support the DSL and have oversight in ensuring that the school has an effective policy which interlinks with other related policies. Also, that locally agreed procedures are in place and being followed, and that the policies are reviewed at least annually or more often when required.

## **Designated Safeguarding Lead (DSL)**

The school has appointed a member of the senior leadership team, as the Designated Safeguarding Lead (DSL). The lead DSL is the Headteacher, Helen Moorcroft. At Bredbury Green Primary School, the Pastoral Lead, Stephanie Goodall also has DSL responsibility. The Deputy Headteacher, Ellis Cuttress is the Deputy DSL.

The DSL has overall responsibility for the day-to-day oversight of safeguarding and child protection systems (including online safety) in school. Whilst the activities of the DSL may be delegated, the ultimate

lead responsibility for safeguarding and child protection remains with the DSL and this responsibility will not be delegated.

The school has also appointed a Deputy DSL who will have delegated responsibilities and act in the DSL's absence.

The DSLs (and any deputies) ensure there are robust systems to build an understanding of the presenting safeguarding needs of our children and young people. They retain oversight and will support and advise where there are safeguarding concerns. They will ensure an appropriate response is co-ordinated.

It is the role of the DSL to carry out their functions as identified in Annex C of KCISE 2025. This includes but is not limited to:

- Acting as the central contact point for all staff to discuss any safeguarding concerns.
- Maintaining a confidential recording system for safeguarding and child protection concerns
- Coordinating safeguarding action and intervention for individual children
- When supporting children with a social worker or looked after children, the DSL should have the details of the child's social worker and the name of the virtual school head in the authority that looks after the child, with the DSL liaising closely with the designated teacher.
- Liaising with other agencies and professionals in line with KCSIE 2025 and WTSC 2018
- Ensuring that locally established procedures as put in place by the three safeguarding partners as part of the Stockport Safeguarding Children Partnership (SSCP) procedures, including referrals, are followed, as necessary.
- Representing the school at multi-agency safeguarding meetings (including child protection conferences), or ensuring appropriate representation
- Managing and monitoring the school role in any multi-agency plan for a child.
- Being available during school hours for staff in the school to discuss any safeguarding concerns.
- Helping promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children, including children with a social worker, are experiencing, or have experienced, with teachers and school leadership staff.
- Ensuring adequate and appropriate DSL cover arrangements in response to any closures and out of hours and/or out of term activities.
- Ensuring all staff access appropriate safeguarding training and relevant updates in line with the recommendations within KCSIE.
- Liaising with the Headteacher to inform them of any safeguarding issues, especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- Ensuring that the requirement for children to have an Appropriate Adult PACE Code C (2019) is understood and observed at all times.

The DSLs will undergo appropriate and specific training to provide them with the knowledge and skills required to carry out their role. Deputy DSLs will be trained to the same standard as the DSL. The DSLs' training will be updated formally at least every two years, but their knowledge and skills will be updated through a variety of methods at regular intervals and at least annually. This will include attending network events, reading updates and bulletins and engaging with the SSCP.

## Members of staff

All staff play a particularly important role in safeguarding as they are in a position to identify concerns early, provide help for children, promote children's welfare, and prevent concerns from escalating.

All members of staff have a responsibility to:

- provide a safe environment in which children can learn.
- be aware of the indicators of abuse, neglect, and exploitation so that they can identify cases of children who may need help or protection.

- know what to do if a child tells them that they are being abused, neglected, or exploited and understand the impact abuse and neglect can have upon a child.
- be able to identify and act upon indicators that children are, or at risk of developing mental health issues.
- be prepared to identify children who may benefit from early help.
- understand the early help process and their role in it.
- understand the school safeguarding policies and systems.
- undertake regular and appropriate training which is regularly updated.
- be aware of the local process of making referrals to children's social care and statutory assessment under the Children Act 1989.
- know how to maintain an appropriate level of confidentiality.
- reassure children who report concerns that they are being taken seriously and that they will be supported and kept safe.
- act in line with Teachers' Standards 2012 which state that teachers (including headteachers) should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.

Staff at Bredbury Green Primary School recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as being abusive or harmful. This should not prevent staff from having professional curiosity and speaking to a DSL if they have any concerns about a child.

Staff at Bredbury Green Primary School will seek to build trusted relationships with children, young people and parents/carers which facilitate appropriate professional communication in line with existing and relevant policies, for example our Positive Relationship Policy.

Where a member of staff is concerned that a child is in immediate danger or is at risk of harm, they should report this to the Designated Safeguarding Lead, or their Deputy, **without delay**. A written record will be made of these concerns immediately following the disclosure/concern being raised.

Where staff have conversations with a child who discloses abuse, they follow the basic principles:

- Listen and remain calm.
- Never ask a child if they are being abused.
- Make a record of discussion to include time, place, persons present and what was said (child language – do not substitute words.)
- Advise you will have to pass the information on.
- Never take photographs of any injury.
- Never record a child.
- Never undress a child to physically examine them.
- Allow time and provide a quiet space for support.
- At no time promise confidentiality to a child or adult.
- Make a written record of discussions, decisions, and referrals on CPOMS.

We will notify any Lead Social Worker if:

- a pupil subject to a Child Protection Plan (CPP) is excluded (fixed term or permanent)
- there is an unexplained absence of a pupil on a CPP of more than 2 days or 1 day following a weekend, or as agreed as part of a CPP.
- if a child is missing and there is a need to follow Stockport's policy and any statutory guidance on Children Missing Education (CME)
- additional concerns arise.

We understand that parents often hold key information about incidents, allegations or concerns therefore, **in the majority of situations; the Designated Safeguarding Lead or key staff member of**

**school/college staff will speak to the parents and gain their consent** to discuss any matters with other relevant agencies. There will be very few instances where, to speak to the parents, could further endanger the child. In those situations, they would still consult/refer, but would have clearly recorded reasons as to why they had not gained parental consent.

### **The use of 'reasonable force'**

There are circumstances when it is appropriate for staff in school to use reasonable force to safeguard children. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed'.

Further information regarding our approach and expectations can be found in our Positive Relationships Policy and is in line with the DfE ['Use of reasonable force in school/colleges'](#) guidance.

### **Pupils who harm others (child-on-child abuse)**

We believe that all pupils have the right to be taught in a safe environment to enable them to optimise their learning and achievement. We expect all pupils to have respect for themselves and others and work to ensure everyone in our community feels safe, valued, and supported. The school promotes the values of honesty, acceptance, inclusion, and fairness within a caring, restorative, and nurturing environment.

Pupils at our school have a variety of needs, some being very complex. We aim to provide a high level of pastoral care and support for all pupils and encourage appropriate and cooperative behaviour.

## **SAFER USE OF THE INTERNET AND DIGITAL TECHNOLOGY**

Bredbury Green Primary School recognises that in a modern learning environment, use of the Internet, multimedia devices and digital imaging facilities are part of everyday requirements. However, a child's safety will remain the priority of the school.

All staff are aware that any items that have capability for use of the Internet or the creation of digital images (including mobile phones) must be used by children under appropriate supervision and in accordance with the school's ICT Acceptable Use Policy. If any such item that belongs to a member of staff is brought onto the school site, it is the responsibility of that staff member to ensure that these items contain nothing of an inappropriate nature and that they are used in line with school policy.

If there is any suspicion that any multimedia device or computer contains any images or content of an inappropriate nature it will be locked, secured and, the Headteacher or DSL will be informed immediately and the steps laid out in this guidance and [guidance for the sharing of naked images](#) and or [When to call the police- guidance for school/colleges and colleges](#) may be applied.

### **Use of mobile phones**

Mobile phones have a place in settings, especially on outings when they are often the only means of contact available to settings and can be helpful in ensuring children are kept safe.

We will:

- Only use mobile phones appropriately, and ensure staff have a clear understanding of what constitutes misuse and know how to minimise the risk.

- Ensure the use of a mobile phone does not detract from the quality of supervision and care of children.
- Ensure all mobile phone use is open to scrutiny.
- Ensure staff are vigilant and alert to any potential warning signs of the misuse of mobile phones.
- Ensure staff are responsible for their own behaviour regarding the use of mobile phones and understand how to avoid putting themselves into compromising situations, which could be misinterpreted and lead to potential allegations.
- Ensure the use of mobile phones on outings is included as part of the risk assessment, for example, how to keep personal numbers that may be stored on the phone safe and confidential.
- Adhere to the school/college policy on the recording of images and the use of equipment which can be found in the ICT Acceptable Use Policy.

## Work mobile phones

To protect children, we will ensure that the work mobile:

- Is only used by allocated people.
- Is protected with a password/ PIN and clearly labelled.
- Is stored securely when not in use.
- Is not used in areas such as toilets, changing rooms, nappy changing areas and sleep areas.
- If used for taking photographs, the images are deleted regularly and are taken in line with written parent/carer permission.

To protect children, we will ensure that personal mobiles:

- Are stored securely in classroom stock cupboards and will be switched off whilst staff are on duty.
- Are not used to take pictures of the children attending the setting or that images are not shared.
- Will not be used to take photographs, video, or audio recordings in our setting.
- Are not used to contact parents or children –exception will only be by agreement with the SLT.

Visitors are not permitted to use mobile phones or other camera/ internet enabled devices without the express permission of the Headteacher. This is clearly displayed on visitor landyards.

With parent/carer's permission children in Year 6 ONLY can bring a mobile phone to school. This will be stored securely in the school office and be switched off or on silent whilst in the setting.

In line with Keeping children safe in education 2025, we have a clear policy on the use of mobile technology in the school for all. This is the Trust ICT Acceptable Use Policy.

## Cameras: Photography and Images

Most people who take or view photographs or videos of children do so for entirely innocent, understandable, and acceptable reasons. However, due to cases of abuse to children through taking or using images, we must ensure that we have safeguards in place.

To protect children, we will:

- Obtain parents/carers' consent for photographs to be taken and used for or published e.g in the media, on the school website, on class dojo and other internal use.
- Ensure the school designated equipment is only used in the school and any images taken will not be emailed as it may not be secure. (In some instances, it may be required to seek parental permission to email images, but the potential risks must be made clear to parents).
- Ensure that children are appropriately dressed, and only use the child's first name with an image.
- Ensure that personal cameras are not used to take photographs, video, or audio recordings in our school without prior explicit consent from the school, for example, for a special event, such as a

Christmas play. Parents/carers may use own devices to take images of their own children and reminders are always given at the start of the event.

- Ensure that all images are stored securely on the school network which is password protected.
- Ensure where professional photographers are used, we have taken appropriate steps such as DBS checks, references and parental consent prior to photographs being taken.
- Ensure 'acceptable use' rules regarding the use of cameras and camera enabled devices by children are embedded in practice.
- Ensure the use of cameras is closely monitored and open to scrutiny.

Digital media and photographs play an important part of recording events in school life. School provides the capability for still and video digital images to be captured by children and staff (ICT Acceptable Use Policy).

## Personal Tracking Devices

To ensure the safety, privacy, and wellbeing of all pupils and staff, the use of personal tracking devices is not permitted on school premises or during any school-organised events, including trips, residentials, and extracurricular activities. This measure applies to all personal devices capable of monitoring location, recording audio or video, or collecting data, and is designed to protect the integrity of our community and uphold everyone's right to privacy.

## The sharing of nude or semi-nude pictures

In the latest advice for school/colleges and colleges (UKCIS, 2020, updated 2025), this is defined as the sending or posting of nude or semi-nude images, videos, or live streams online by young people under the age of 18. This could be via social media, gaming platforms, chat apps or forums. It could also involve sharing between devices via services like Apple's AirDrop which works offline. Alternative terms used by children and young people may include 'pics' or similar.

The motivations for taking and sharing nude and semi-nude images, videos and live streams are not always sexually or criminally motivated.

Where staff members or others working in our setting become aware of the sharing of any such imagery the following steps should be taken.

## What to do if an incident comes to your attention

**Report it to your Designated Safeguarding Lead (DSL) or equivalent immediately. Your setting's child protection policy should outline codes of practice to be followed.**

**Never** view, copy, print, share, store or save the imagery yourself, or ask a child to share or download – **this is illegal.**

If you have already viewed the imagery by accident (e.g., if a young person has showed it to you before you could ask them not to), report this to the DSL (or equivalent) and seek support.

**Do not** delete the imagery or ask the young person to delete it.

**Do not** ask the child/children or young person(s) who are involved in the incident to disclose information regarding the imagery. This is the responsibility of the DSL (or equivalent).

**Do not** share information about the incident with other members of staff, the young person(s) it involves or their, or other, parents and/or carers.

**Do not** say or do anything to blame or shame any young people involved.

**Do** explain to them that you need to report it and reassure them that they will receive support and help from the DSL (or equivalent).

Further advice can be found here:

[sharing-nudes-and-semi-nudes-advice-for-education-settings-working-with-children-and-young-people/sharing-nudes-nd-semi-nudes-advice-for-education-settings-working-with-children-and-young-people](#)

## Online Harms

We recognise that technology plays a significant role in many safeguarding and wellbeing concerns. Children and young people may be at risk of online abuse from individuals they know—including peers—as well as from strangers. In many cases, this abuse occurs concurrently online and in their daily lives. Staff are reminded to remain vigilant to these risks and to consider how online harm may manifest alongside offline behaviours.

To support our learners in navigating the digital world safely, we have developed a curriculum that raises awareness of online risks and promotes critical thinking. In line with Keeping Children Safe in Education (KCSIE) 2025, we are committed to equipping children and young people with the knowledge and skills to identify and understand disinformation, misinformation, and conspiracy theories.

KCSIE 2025 also highlights the emerging safeguarding risks associated with artificial intelligence (AI), including deepfakes, AI-generated harmful content, and the potential misuse of generative AI tools. Schools are expected to ensure that any use of AI by staff or pupils is safe, supervised, and aligned with safeguarding policies. This includes implementing appropriate filtering and monitoring systems, educating learners about the responsible use of AI, and maintaining human oversight in all safeguarding decisions.

Through our curriculum and the implementation of robust safeguarding policies, we actively work to mitigate these risks. We also promote a culture of professional curiosity, encouraging staff to engage with and understand the online experiences of our children and young people.

## Cybercrime

We understand that children with particular skill and interest in computing and technology may inadvertently or deliberately stray into ‘cyber-enabled’ (crimes that can happen offline but are enabled at scale and at speed online) or ‘cyber dependent’ (crimes that can be committed only by using a computer/internet enabled device) cybercrime.

If staff are concerned that a child may be at risk of becoming involved in cyber-dependent cybercrime, the DSL or a deputy will be informed, and consideration will be given to accessing local support and/or referring into the [Cyber Choices](#) programme which aims to intervene when young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

Where there are concerns about ‘cyber-enabled’ crime such as fraud, purchasing of illegal drugs online, child sexual abuse and exploitation, or other areas of concern such as online bullying or general online safety, they will be responded to in line with the child protection and other appropriate policies.

See also- <https://www.gmp.police.uk/advice/advice-and-information/fa/fraud/online-fraud/cyber-crime-fraud/>

## CYBER-BULLYING

Cyber bullying is defined and referenced in our Anti-Bullying Policy:

<https://bredburygreenprimary.com/school-information/policies-and-procedures>

Online bullying: use of social media, messaging and calls and misuse of associated technology is included in types of bullying. ‘The nature of cyber bullying in particular means that it can impact on pupils’ wellbeing beyond the school day. Staff, parents and carers and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities as outlined in this policy.’ (Anti-Bullying Policy)

## ONLINE & GAMING SAFETY

The internet and internet gaming are enjoyed by many people and are often activities families can enjoy together. However, use of the internet and online games isn't without risk.

As part of our approach to online safety we will support pupils and their families in understanding the potential risks of online activity and how best to avoid them. We will work with parents and carers to support them in the following:

- Understanding the appropriateness of games and apps
- Location and access to information and resources for adults and pupils
- Teaching e-safety in the curriculum
- Offering parental information and advice sessions
- Raising awareness of online grooming
- Teaching our children how to report abuse or concerns.

Parental advice is available here- [https://www.thinkuknow.co.uk/11\\_13/Need-advice/Gaming/](https://www.thinkuknow.co.uk/11_13/Need-advice/Gaming/)

In school we ensure that we have suitable filtering and monitoring systems in place, as described in Keeping children Safe and the Prevent Duty. Our staff are aware of our systems and their individual responsibilities and roles.

The DSL has responsibility for ensuring our filtering and monitoring systems and standards are efficient and effective. The DSL ensures they are in line with those set out in KCSIE 2025 and [meeting-digital-and-technology-standards-in-schools-and-colleges/filtering-and-monitoring-standards-for-schools-and-colleges](#).

**In our curriculum, we are taught how to respond if we feel unsafe or someone is being a bad influence. We are also taught how to be safe online and why that is important. We're also taught about appropriate and inappropriate touch and how to respond and report that if we need to – Pupil Voice**

## Mental health and Wellbeing

All staff recognise that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.

Staff are aware that children's experiences, for example where children have suffered abuse and neglect, or other potentially traumatic Adverse Childhood Experiences (ACEs), can impact on their mental health, behaviour, and education.

Staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

If staff are concerned about a child's mental health, they understand they must treat it as a safeguarding concern, immediate action should be taken by speaking to the DSL or a deputy. This may then be referred to our Social, Emotional and Mental Health panel at Bredbury Green Primary which is led by a Senior Leader and contains our trained Mental Health first aiders. After this appropriate intervention and action can be taken.

## PROCEDURES AND RECORD-KEEPING

---

We will follow Greater Manchester Safeguarding Procedures in detail and adhere to any local guidance and policies from SSCP as required.

### Sharing concerns

---

#### Supervision and support

The induction process will include familiarisation with child protection responsibilities and procedures to be followed if members of staff have any concerns about a child's safety or welfare.

The school will ensure that members of staff who are working within the Early Years are provided with appropriate supervision in accordance with the statutory requirements of Early Years Foundation Stage (EYFS) 2025.

The school will provide appropriate supervision and support for all members of staff to ensure that:

- All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children
- All staff are supported by the DSL in their safeguarding role.
- All members of staff have regular reviews of their own practice to ensure they improve over time.

Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.

The DSL will also put staff in touch with outside agencies for professional support if they so wish. Staff can also approach organisations such as their Union, counselling, and welfare services.

#### Whistleblowing/Confidential Reporting

**Safer culture-** As part of our approach to safeguarding, the Trust and Bredbury Green Primary School has created and embedded a culture of openness, trust, and transparency in which our values and expected behaviour as set out in our ELT Code of Conduct Policy are constantly lived, monitored and reinforced by all staff (including volunteers and contractors) and where all concerns are dealt with promptly and appropriately.

'We aim to ensure that the Trust is a learning and work environment where everyone is safe, happy and treated with respect. The Education Learning Trust's Code of Conduct Policy is anchored in the Seven Nolan Principles of Public Life and outlines principles that support ethical decision-making and challenges unethical behaviour. The Code of Conduct Policy sets out the professional standards expected and the duty upon all adults working for the Education Learning Trust to abide by it.' (ELT Code of Conduct Policy)

Staff are encouraged and should feel confident to self-refer, if they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards. This includes where concerns may be felt to be deliberately invented or malicious; such allegations are extremely rare and as such all concerns should be reported and recorded.

As part of our ongoing commitment to safeguarding we work to ensure we have a culture where everyone has a voice. All staff and volunteers should feel able to raise concerns about poor or unsafe practice and potential failures in the school's safeguarding regime and know that such concerns will be taken seriously by the senior leadership team.

If there are concerns about a colleague, or any other adult in our setting then these should be shared with the Headteacher, or the Deputy Headteacher in their absence.

If there are concerns about the Headteacher, then these should be shared with the Chair of Governors at [wholden@bredburygreenprimaryschool.com](mailto:wholden@bredburygreenprimaryschool.com)

Our Whistleblowing Policy can be found here: <https://bredburygreenprimary.com/school-information/policies-and-procedures>

If a staff member feels unable to raise an issue within our setting, or feels that their genuine concerns are not being addressed, other whistleblowing channels are open to them:

- general guidance on whistleblowing can be found via: [advice on whistleblowing](#)
- the NSPCC's [what you can do to report abuse](#) dedicated helpline is available as an alternative route for staff who do not feel able to raise concerns regarding child protection failures internally, or have anxiety about doing so- 0800 028 0285.

Where school has a statutory duty to refer to the Disclosure and Barring Service (DBS) it will do so ensuring that the LADO and the Senior Advisor for Safeguarding in Education are aware.

## Recording concerns

All professionals working at Bredbury Green Primary School are obligated to use CPOMS to safeguard all children at Bredbury Green.

### What is CPOMS?

**CPOMS** is the market leading software application for monitoring child protection, safeguarding and a whole range of pastoral and welfare issues. Working alongside a school's existing safeguarding processes, **CPOMS** is an intuitive system to help with the management and recording of child protection, behavioural issues, bullying and welfare needs.

Every member of staff across school has an obligation to report any concerns which they may have. **CPOMS** allows them to record information in a central repository and have relevant people alerted immediately.

All safeguarding concerns, discussions, decisions, and reasons for those decisions, will be recorded on the school electronic system CPOMS and passed without delay to the DSL. Our records will include a clear and comprehensive summary of any concerns, details of how concerns were followed up and resolved, and a note of any action taken, decisions reached and outcomes.

Incident/Welfare concern forms (notes of concern) are kept on this system and appropriate staff in school are tagged into concerns e.g. DSL, DDSL, class teacher etc.

Records will be completed as soon as possible after the incident/event, using the child's words, and will be dated by the member of staff. Child protection records will record facts and not personal opinions. A body map will be completed if visible injuries have been observed.

If there is an immediate safeguarding concern the member of staff will consult with a DSL before completing the log as reporting urgent concerns takes priority.

If members of staff are in any doubt about recording requirements, they will discuss their concerns with the DSL.

Child protection records will include a clear and comprehensive summary of the concern, details of how the concern was followed up and resolved and details regarding any action taken, decisions reached and the outcome.

Child protection records will be kept confidential and stored securely. Child protection records will be kept for individual children and will be maintained separately from all other records relating to the child in the school. Child protection records are kept in accordance with data protection legislation and are retained centrally and securely by the DSL.

All child protection records will be transferred in accordance with data protection legislation to the child's subsequent school, under confidential and separate cover as soon as possible; within 5 days for an in-year transfer or within the first 5 days of the start of a new term. Child protection files will be transferred securely to the new DSL, separately to the child's main file, and a confirmation of receipt will be obtained.

In addition to the child protection file, the DSL will also consider if it would be appropriate to share any information with the DSL at the new school in advance of a child leaving, for example, information that would allow the new school to continue to provide support.

Where the school receives child protection files from another setting, the DSL will ensure key staff such as the Special Educational Needs Co-ordinators (SENDCOs)/ named person with oversight for SEN, will be made aware of relevant information as required.

Where a pupil joins the school and no child protection files are received, the DSL will proactively seek to confirm from the previous setting whether any child protections exist for the pupil, and if so, if the files have been sent.

The school ensures that safeguarding information, including Child Protection information, is stored, and handled in line with the principles of the Data Protection Act 2018 and General Data Protection Regulation (GDPR) ensuring that information is:

- Used fairly and lawfully.
- Used for limited, specifically stated purposes.
- Used in a way that is adequate, relevant, and not excessive.
- Accurate.
- Kept for no longer than necessary.
- Handled according to people's data protection rights.
- Kept safe and secure.

There is always a DSL on hand to support and guide staff. They have the necessary seniority and skills, has undertaken appropriate safeguarding training, and is given the time to carry out this important role.

In the case of child protection referral, the DSL will contact MASSH immediately (alongside any other emergency or support services that may be required).

In the case of poorly explained serious injuries / injuries causing concern or where behaviour or concerns arouse suspicion or if in any doubt, the DSL should contact the MASSH for advice.

## Safeguarding and School Attendance

---

Ensuring children attend education regularly is a key aspect of safeguarding. Absence from education—particularly when prolonged, repeated or unexplained—can be an important indicator of safeguarding issues, including neglect, child sexual exploitation, child criminal exploitation (such as county lines), and other forms of abuse. In line with Keeping Children Safe in Education (KCSIE) 2025, Bredbury Green Primary School has robust systems to monitor and address attendance concerns, and these are detailed further in our Attendance Policy: <https://bredburygreenprimary.com/school-information/policies-and-procedures>

## **Roles, Responsibilities, and Monitoring**

All staff are trained to recognise the links between poor attendance and safeguarding. The Designated Safeguarding Lead (DSL) has overall responsibility for ensuring attendance is closely monitored, patterns are identified, and concerns are acted upon without delay. Where concerns arise, these are discussed with parents/carers and, where appropriate, shared with relevant safeguarding partners such as the local authority, early help, or children's social care.

## **Persistent and Severe Absence**

- Persistent Absence: Defined as a pupil missing 10% or more of possible sessions.
- Severe Absence: Defined as a pupil missing 50% or more of possible sessions.

When persistent or severe absence is identified, staff will seek to understand the underlying causes and work collaboratively with families and other agencies to support the pupil's return to regular education.

## **Educational Neglect**

Educational neglect is the failure of a parent or carer to ensure their child's access to appropriate education. Staff must consider whether patterns of absence may constitute educational neglect. Where there is reasonable cause to suspect a child is suffering, or likely to suffer, significant harm due to educational neglect, a referral will be made to children's social care in line with statutory requirements.

## **Children Missing Education (CME)**

Section 175 of the Education Act 2002 places a duty on schools and colleges to investigate unexplained or prolonged absences. In accordance with statutory guidance on Children Missing Education and KCSIE 2025, we have clear processes in place to manage these situations, ensuring all relevant checks are completed and referrals made where necessary. Staff understand that children missing from education, especially repeatedly, may be vulnerable to safeguarding risks.

If the destination of a child who leaves our setting is unknown, we will follow all statutory and local procedures, including notifying the local authority and referring the child as missing education.

## **Elective Home Education (EHE)**

If a parent or carer expresses their intention to educate their child at home, the school/college will respond in line with the Elective Home Education statutory and local Stockport guidance. Our approach is to work collaboratively with parents/carers and all relevant professionals to ensure that decisions are made in the best interests of the child, considering safeguarding at every stage.

For more detailed information, please refer to our Attendance Policy and our Children Missing Education procedures.

## Alternative Provision (AP) Safeguarding Responsibilities

When a pupil is placed with an Alternative Provision (AP) provider, the school/college retains overall responsibility for the pupil's safety and wellbeing. In line with statutory safeguarding guidance, including *Keeping Children Safe in Education (KCSIE) 2025*, the following measures are taken:

- **Safeguarding Checks:** Written confirmation from the AP provider that all required safeguarding checks, including enhanced DBS checks, have been completed for all adults working with pupils.
- **Risk Notification:** Ensure the AP provider notifies the school/college of any arrangements or circumstances that may pose a safeguarding risk to the pupil.
- **Attendance and Location Monitoring:** Maintain accurate and up-to-date records of the pupil's attendance and location during school/college hours.
- **Regular Review:** Conduct formal reviews of the AP placement at least once every half term (or more frequently if necessary) to assess the quality of provision and the pupil's safety and progress.
- **Responsive Action:** Where safeguarding concerns arise, the placement will be reviewed immediately and, if necessary, suspended or terminated to ensure the pupil's safety.

These expectations form part of our wider safeguarding framework and reflect our commitment to ensuring that all pupils, regardless of setting, are protected from harm.

## Searching and Screening

Following a concern about a child's safety or welfare, the searching and screening of children and confiscation of any items, including any electronic devices, will be managed in line with the school behaviour policy is informed by the DfE 'School' guidance: The national DfE 'Searching, Screening and Confiscation' guidance was updated July 2023.

The designated safeguarding lead (or deputy) will be informed of any searching incidents, this will be done as a matter of urgency where the member of staff has reasonable grounds to suspect a pupil was in possession of a prohibited item/s such as:

- knives and weapons
- alcohol
- illegal drugs
- stolen items

or any article that the member of staff reasonably suspects has been, or is likely to be used:

- to commit an offence,
- to cause personal injury to, or damage to property of; any person (including the pupil)
- an article specified in regulations
- tobacco and cigarette papers
- fireworks
- pornographic images

Staff members should also involve the designated safeguarding lead (or deputy) without delay if they believe that a search has revealed a safeguarding risk.

Advice from the Headteacher and/or the Designated Safeguarding Lead (DSL) will be sought if it is considered that a police search may be required. The Headteacher and DSL are aware of the requirement for children to have an Appropriate Adult present, as outlined in PACE Code C (2019), in situations involving detention, treatment, or questioning by police officers. They will respond to any concerns in accordance with the school's behaviour policy, both of which are informed by the Department for Education's guidance: 'Searching, screening and confiscation at School.'

## SUPPORTING VULNERABLE PUPILS

The school will endeavour to support vulnerable pupils through:

- Its ethos and culture which promotes a positive, supportive, and secure environment; giving pupils a sense of being valued.
- Its behaviour policy -aimed at supporting vulnerable pupils in school/college. Our staff will provide a consistent approach, working to support children in developing positive behaviour.
- Our Team Around the School (TAS) partnership.
- Liaison with other appropriate agencies which support the pupil.
- Developing supportive relationships.
- Recognition that children living in difficult home environments are vulnerable and need support and protection.
- Monitoring pupil welfare, keeping accurate records and notifying appropriate agencies when necessary.
- Ensuring designated safeguarding staff and their team have the opportunity to attend face to face SSCP training and network updates. (For example, Network events, child sexual exploitation, domestic violence, drugs / alcohol substance misuse, Female Genital Mutilation-FGM, etc.)
- Ensuring information is transferred safely and securely when a pupil with a child protection record moves to another school. Also notifying Key Workers or Social Workers where a child leaves the school (as appropriate)

## Children with special needs and disabilities

We ensure that staff have knowledge and understanding of the additional barriers which can exist when recognising abuse, neglect, or exploitation in children with special needs/disabilities.

These barriers **can** include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration
- children with SEN and disabilities being disproportionately impacted by things like bullying - without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers

We regularly review our training and practice to enable staff to respond to these specific needs.

## EARLY IDENTIFICATION RECOGNISING AND RESPONDING TO SAFEGUARDING NEEDS

The school acknowledges the findings of Serious Case Reviews, local learning reviews and audits. Findings are shared with all staff as part of a culture of improvement and learning. The DSL ensures they have information from SSCP in relation to learning reviews and ensures this information is passed on to staff to promote improvement in respect of safeguarding. As part of our ongoing culture of vigilance and development we will share learning and responses from any other relevant issues to ensure we are offering the safest environment for our pupils and staff.

All staff have seen and understand [Stockport's-multi-agency-response-to-need-guidance-document](#) document and know how to pass on any concerns no matter how 'small or low level' they seem. In accordance with local and national guidance all staff receive regular training and updates to help them identify when a child is vulnerable. We ensure appropriate referrals are made in a timely manner. We seek to work in a transparent way with our families and where appropriate will share our concerns directly with parents and indicate possible routes of support. We actively support multi-agency approaches when supporting children and families. We do this based on an awareness that early help and intervention can prevent future escalation of any presenting issues. We aim to provide information from the child's point of

view in the context of their lived experience as evidenced by observations or information provided. Where staff have concerns, they will always alert the DSL.

In school we have staff that are trained and can support colleagues to identify and respond to:

- Neglect
- Drug/substance/alcohol misuse (both pupil and parent)
- Child sexual exploitation / trafficked children
- Children missing education
- Domestic abuse
- Peer relationship abuse
- Child-on-child
- Children at risk of radicalisation
- Emotional wellbeing & mental health
- Sexual health needs
- Obesity/malnutrition
- Online grooming
- Inappropriate behaviour of staff towards children
- Self-Harm
- Bullying in its various forms
- Discrimination in its various forms
- Female Genital Mutilation
- Forced Marriage
- Young carers
- The potential additional needs of some learners such as- Children Looked After (CLA), children who are care experienced, those who have Special Educational Needs or Disabilities (SEND) and children whose families are seeking asylum.
- How an Education Health Care (EHC) plan links with other safeguarding processes

**The DSL and their deputy are members of the school senior leadership team.** In line with local and national guidance they receive regular training and updates to equip them with the skills and knowledge to deliver in this role. A DSL is always available to offer advice and support to school staff when school is open including before and after school activity or for trips and visits.

School staff contribute to assessments and actively support multi- agency planning for children. Staff understand the Stockport Early Help Assessment (EHA) and Intervention model and make decisions based on a child's development needs, parenting capacity and family & environmental factors to support referrals. We refer to [Stockport's-multi-agency-response-to-need-guidance-document](#) to support our decision making along with [Greater Manchester Procedures](#)

In contributing to meetings, in addition to information about the child's academic functioning, the school provides information about the 'voice of the child' and the child's experiences of life as evidenced by observations or information provided through the multi-agency forum.

Our school operates a **Team around the school model** (TAS). At Bredbury Green Primary School external support is sought from external agencies when needed but also TAS meetings are held regularly to review cases. Consent is gained from parents/carers before information is shared. Drop-in sessions are held termly for parents/carers to attend to access support.

## Extremism and Radicalisation

All schools and colleges have a statutory duty under section 26 of the Counter-Terrorism and Security Act 2015 to prevent radicalisation and terrorism—known as the Prevent duty. Our Designated Safeguarding Lead (DSL), Deputies, and all staff have completed Prevent training, including materials covering the latest guidance for education and childcare settings. Staff are aware of the risks of radicalisation and their responsibilities in identifying and supporting children at risk.

We are aware some children may be targeted for recruitment or exploitation by extremist groups. We treat any concern about radicalisation or extremism as a safeguarding matter, referring promptly to the DSL and, where appropriate, external agencies like Channel or Children's Social Care.

Our approach to prevention and risk reduction includes:

- Delivering a balanced curriculum that builds resilience to extremist narratives through spiritual, moral, social, and cultural (SMSC) and personal, social, health, and economic education (PSHEE)
- Ensuring all staff, including those with SEND responsibilities, complete relevant Prevent and safeguarding training
- Applying clear policies on inclusion, anti-bullying, and assemblies to create an environment where all students are supported and protected from marginalisation
- Carefully monitoring community use of our facilities through a robust lettings policy, ensuring no conflict with pupils' safety or staff wellbeing
- Maintaining close collaboration with local safeguarding partners, police, and other agencies for effective multi-agency responses to concerns

We regularly review our safeguarding practices to stay aligned with statutory duties and best practice, with the priority of providing a safe, inclusive environment free from extremism and radicalisation.

We will follow local guidance- [Safeguarding Children and Young People Vulnerable to...](#)

**We are taught about our human rights. This means that we are able to get our voices out there and be heard. This keeps us safe because we know what we are entitled to. – Pupil Voice**

### OTHER SPECIFIC SAFEGUARDING ISSUES

**Domestic abuse/violence:** In our school we believe that all our pupils have the right to be safe at school and in their own homes. We are aware that some children may be living in situations where they are directly or indirectly affected by incidents of domestic abuse or violence. Where we are concerned that domestic abuse or violence is present in the home, we will follow our safeguarding and domestic abuse processes. We are an Operation Encompass School. We receive information from the Police informing us of domestic abuse incidents relating to the circumstances of children and young people on our roll. Based on the information received our trained staff will make informed decisions on how best to support children and their families.

**So Called Honour Based Violence (HBV) including Forced Marriage (FM):** Our staff have been trained to understand so called honour-based violence and forced marriage; they are alert to possible indicators. They are aware that forced marriage is an entirely separate issue from arranged marriage; that it is a human rights abuse and falls within the Crown Prosecution Service definition of domestic violence and that HBV and FM can affect both young men and women.

As a school we would never attempt to intervene directly; where this is suspected, nor would we speak to parents before sharing our concerns with appropriate agencies.

**Female Genital Mutilation (FGM):** All Members of our school/college community are alert to the possibility of a girl being at risk of FGM, or already having suffered FGM. They have been made aware of potential indicators that a child or young person may be at risk of FGM and will act accordingly on any concerns or disclosures. We will also follow national guidance on mandatory reporting requirements.

**Breast Ironing:** Staff have been made aware of an act of abuse performed on young girls (from around the age of 9 years old) in which their breasts are ironed, massaged and/or pounded, burned with heated objects, or covered with an elastic belt to prevent or delay the development of their breasts. Where such abuse is suspected, or disclosed staff will follow safeguarding and child protection systems.

## Serious Youth Violence

Serious youth violence (including Knife crime) has a huge impact on children and the communities in which they live. It is a societal problem, and it cannot be tackled by school/colleges or single agencies alone.

In our school/college we will seek to support, help, and protect children on the school/college site, and to teach our children/young people about the dangers of weapons/knives and other related dangers. We understand that violence and knife crime do not exist in a vacuum and children who are victims or perpetrators may also be experiencing multiple vulnerabilities. If we become aware that a child or young person is vulnerable, we will use the most appropriate interventions and pathways to address these needs such as completing an Early Help Assessment, Child protection referral or support from Stockport Youth Offending Service.

## Site safety & security

We take the safety of staff and pupils seriously and have in place a range of measures to protect and promote the wellbeing of all on site. This includes controlled access to our premises such as undertaking appropriate checks, signing visitors in and out and issuing guidance on acceptable conduct on site

We follow the Government Guidance of November 2019 -[school/college-and-college-security](#) and have a **Education Learning Trust Business Continuity and Critical Incident Policy** which is known by staff and is over seen by Mike Guest, Director of Operations. When leasing the building we ensure we follow the guidance outline in KCSIE 2025 and check the safeguarding policies and processes of those involved.

**Bredbury Green make sure that the building is secure and safe so that people with bad intentions can't get in. We do things like fire drills and lockdown drills to make sure we know what to do too – Pupil Voice**

## SAFER RECRUITMENT AND SAFER WORKING PRACTICE

The school pays full regard to DfE guidance 'Keeping Children Safe in Education' 2025, Disqualification under the Childcare Act 2006 with reference to the 'Position of Trust' offence (Sexual Offences Act 2003). We ensure that all appropriate measures are applied in relation to everyone who works in the school who is likely to be perceived by the children as a safe and trustworthy adult.

We do this by:

Operating safer recruitment practices including appropriate Disclosure and Barring Service (DBS) and reference checks, verifying identity, academic and vocational qualifications, obtaining professional references, carrying out online checks, checking previous employment history and ensuring the person has the right to work in the UK. Our practices also include undertaking interviews and checking if individuals are barred or prohibited from working with children in accordance with DBS and Department for Education (DfE) guidance. We maintain a single central record to evidence checks completed for staff and volunteers working in the school community. This document is reviewed termly by the Headteacher.

- All members of staff are required to work within our clear guidelines on safer working practice as outlined in the Education Learning Trust's code of conduct.
- The DSL will ensure that all staff and volunteers (including agency and third-party staff) have read our Safeguarding and child protection policy and are aware of the school expectations regarding safe and professional practice via the staff Code of conduct and Acceptable Use Policy (AUP).
- Staff will be made aware of the school behaviour policy and will manage behaviour effectively to ensure a good and safe educational environment and will have a clear understanding of the needs of all children. Any physical interventions and/or use of reasonable force will be in line with our agreed policy and procedures, and national guidance.
- All staff will be made aware of the professional risks associated with the use of social media and electronic communication (such as email, mobile phones, texting, social networking). Staff will adhere to relevant school policies including staff Code of Conduct and ICT Acceptable Use Policies (AUPs).

Every volunteer and member of staff (including supply staff and those contracted to deliver sports, Forest and other activities such as counselling) has a 'safeguarding induction' and we ensure that staff and volunteers always adhere to a published code of conduct and other relevant professional standards. This extends to before and after school activities. Staff and visitors are aware of the requirements in respect of phone usage, camera enabled devices, social media, and on-line conduct. Other professionals and visitors to our school/college are made aware of the requirement and expectations we have in respect of safeguarding our children including the use of mobile and camera enabled devices.

Our commitment to safer recruitment continues post appointment, we ensure that:

- Any disciplinary proceedings against staff related to safeguarding and child Protection matters are concluded in full in accordance with Government guidance "Keeping Children Safe in Education 2025" and SSCP, LADO and HR Policy, procedures, and guidance.
- All staff and other adults on site are aware of the need for maintaining appropriate and professional boundaries in their relationship with pupils and parents, following the Code of Conduct and Safer Working Practice Guidance.
- Adequate risk assessments are in place including extended school/wrap around provision, volunteers, work placements and holiday activities (directly related to school).
- Staff are clear how to raise a concern, and where, when appropriate, to find 'whistleblowing' policies. They are also confident of how to report concerns of misconduct.

- All staff are required to disclose any convictions, cautions, court orders, reprimands and warnings that may affect their suitability to work with children (whether received before or during their employment at the setting).

More detailed information can be found by visiting [Greater Manchester Safeguarding Procedures-allegations management](#)

### Concerns that do not meet the 'harm threshold' (low level concerns)

In some cases, we may still need to take action in response to 'low-level' concerns about staff. Additional information regarding low-level concerns is contained within our Education Learning Trust **Safeguarding Concerns and Allegations made about Staff, Supply Staff, Contractors and Volunteers policy**. This includes what a low-level concern is, the importance of sharing them and the confidential procedure to follow when sharing them.

We strive to build an open and transparent culture in which concerns about **any** adults working in or on behalf of the school are dealt with promptly and appropriately; this enables us to identify inappropriate, problematic, or concerning behaviour early, minimise the risk of abuse and ensure that adults working in or on behalf of the school are clear about and act within appropriate professional boundaries, and in accordance with our ethos and values.

- A 'low-level' concern does not mean that it is insignificant; a low-level concern is any concern that an adult working in or on behalf of the school may have acted in a way that is inconsistent with our staff Code of Conduct Policy, including inappropriate conduct outside of work and does not meet the 'harm threshold' or is otherwise not serious enough to consider a referral to the LADO.
- Low-level concerns may arise in several ways and from a number of sources. For example, suspicion, complaints, or allegations made by a child, parent, or other adult within or outside of the organisation, or as a result of vetting checks.

It is crucial that all low-level concerns are shared responsibly, recorded, and dealt with appropriately to protect staff from becoming the subject of potential false low-level concerns or misunderstandings.

Low-level concerns should be shared confidentially in line with our Education Learning Trust **Safeguarding Concerns and Allegations made about Staff, Supply Staff, Contractors and Volunteers policy to the Headteacher, Helen Moorcroft**. Where low-level concerns are reported to the school, the headteacher will be informed of all low-level concerns and is the ultimate decision maker in respect of the response to all low-level concerns.

- The headteacher will share concerns and liaise with the LADO
- Low-level concerns shared about supply staff and contractors will be shared with their employers so any potential patterns of inappropriate behaviour can be identified.
- If the school is in any doubt as to whether the information which has been shared about a member of staff as a low-level concern in fact meets the harm threshold, we will consult with the LADO or the Strategic Lead for Safeguarding in Education (SLSE).

Low-level concerns will be recorded in writing and reviewed so potential patterns of concerning, problematic or inappropriate behaviour can be identified.

- Records will be kept confidential and will be held securely and retained and in compliance with the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR) and other relevant policies and procedures (for example data retention policies).
- Where a pattern is identified, the school will implement appropriate action, for example consulting with the LADO or the SLSE and following our disciplinary procedures.

## Staff learning and development

Learning about safeguarding is an essential part of staff development at Bredbury Green Primary School. We are committed to building knowledge and expertise and to ensuring strong internal capacity through performance management and continuous personal development. The senior leadership team ensure that all staff regularly undertake a comprehensive range of learning to promote safe practice in classrooms, around the school and off site.

All new staff to the school have a comprehensive induction, this includes reading and understanding:

- Information sharing: advice for practitioners who are providing safeguarding services
- Part one / Annex A of 'Keeping children safe in education 2025'
- School Behaviour Policy
- Staff Code of Conduct
- This Safeguarding & Child Protection Policy
- 'What to do if you're worried a child is being abused' guidance

Designated staff are trained in specialist areas of work, such as:

- Designated Safeguarding Lead
- Mental Health Champions
- Domestic Abuse Champion etc.
- Designated Teacher for Looked After Children

A variety of learning materials on safeguarding are made available in school to ensure staff continually develop their understanding and practice around safeguarding, these include:

- Annual update training
- SSP Multi-Agency Learning and Development Programme
- Leaflets
- Mentoring
- Online learning
- The sharing of materials detailing referral processes and key topics
- Staff handbook
- Staff induction pack
- Standing agenda item staff meetings
- In-house training

All learning and training is documented and logged which also helps us map learning needs across the staff team for further development. A checklist is used as part of the induction process, and thereafter in the performance management process to ensure all compulsory learning has taken place.

Safeguarding is always re-visited at least on an annual basis in staff performance management sessions, to ensure they are as confident and competent in carrying out their safeguarding responsibilities as they possibly can be.

All training events are offered out to all volunteers working in school and the governing body, to ensure they too have the opportunity to understand the processes and practices as they apply in the school.

As and when required, other external agencies may be consulted to assist with staff learning and development.

## Working in our school - practice & expectations

---

### Staff awareness, induction, and training

All members of staff have been provided with a copy of part one of 'Keeping Children Safe in Education' 2025 which covers safeguarding information for staff.

- School leaders, including the DSL will read KCSIE in its entirety.
- School leaders and all members of staff who work directly with children will read annex B.
- All members of staff have signed to confirm that they have **read and understood** the national guidance shared with them. A record of this is kept on our electronic recording system Every Compliance but also by our Admin Team.

All new staff and volunteers (including agency and third-party staff) receive safeguarding and child protection training (including online safety), including information to ensure they are aware of the school internal safeguarding processes, as part of their induction. This training is regularly updated and is in line with advice from the safeguarding partners. Posters are placed around school to ensure all visitors know procedures for raising concerns.

All governors and trustees receive appropriate safeguarding and child protection (including online safety) training at induction. This training equips them with the knowledge to provide strategic challenge to test and assure that our safeguarding policies and procedures are effective and support the delivery of a robust whole school approach to safeguarding. This training is updated annually and refresher training is completed. The Governance of Safeguarding on TES Educare is completed annually by all our governors.

All staff members (including agency and third-party staff) will receive appropriate child protection training (including online safety) to ensure they are aware of a range of safeguarding issues. This training will be updated at least annually. Part One is led by a DSL and Part Two is led by an employee from Stockport Local Authority. Prevent, Cyber and Online Safety training is completed annually using TES Educare.

In addition to specific child protection training, all staff will receive regular safeguarding and child protection updates to provide them with relevant skills and knowledge to safeguard children effectively. Updates are shared via email from one of the DSL's and during the staff briefings which are held on Monday mornings.

Bredbury Green Primary School recognises the expertise staff build by undertaking safeguarding training and from managing safeguarding concerns on a daily basis and staff are encouraged to contribute to and shape school safeguarding arrangements and child protection policies. DSLs attend termly Stockport LA meetings, local cluster meeting and also the Education Learning Trust DSL community of practice.

**The DSL/headteacher will provide termly updates to the governing body detailing safeguarding and training undertaken by all staff and will maintain an up-to-date record of who has been trained.**

## **OTHER RELATED POLICIES**

The school takes safeguarding seriously and understands this policy is over- arching. The school/Trust also maintains other linked policies in line with the legislative requirements; together these make up the suite of policies to safeguard and promote the welfare of children in this school.

- ELT Child on Child Abuse Policy
- Bredbury Green Primary Attendance Policy
- ELT Safer Recruitment Policy
- ELT Data Protection Policy
- ELT Code of Conduct Policy
- ELT Contractors at Work Safeguarding Policy

## Additional information & Support

---

### Appendices

## All the staff at Bredbury Green Primary school are committed to safeguarding all our children.

We will strive to:

- Provide a safe environment for our children
- Support children and families using early intervention strategies
- Notice and take appropriate action to help any of our children who are either at risk of, or are suffering from, significant harm

Our designated safeguarding lead is:

Helen Moorcroft  
Headteacher  
(Prevent Lead)

In her absence the role will be fulfilled by:

Ellis Cuttress  
Deputy Headteacher

Stephanie Goodall  
Pastoral Manager

(Prevent Leads)

If you have any concerns about the welfare of any of our children, record your concerns using CPOMS.

For further advice contact: MASSH - 0161 217 6028

- select **option 1** to tell us about a concern about a child's welfare
- select **option 2** to request support for your child, make a referral to Emotional Wellbeing Hub or SEND Hub, request advice about making a referral or request advice about a child you are working with

## Children with Family Members in Prison

- National information Centre on Children of Offenders (NICCO): <https://www.nicco.org.uk/>  
**Children in the court system**
- Children are sometimes required to give evidence in criminal courts, either for crimes committed against them or for crimes they have witnessed. There are two age-appropriate guides to support children:
  - [Young witness booklet for 5 to 11 year olds - GOV.UK \(www.gov.uk\)](http://www.gov.uk)
  - [Young witness booklet for 12 to 17 year olds - GOV.UK \(www.gov.uk\)](http://www.gov.uk)
- Making arrangements via the family courts following separation can be stressful and entrench conflict in families. This can be stressful for children. The Ministry of Justice has launched an online

[child arrangements tool](#) with clear and concise information on the dispute resolution service. This may be useful for some parents and carers.

## What to do if you are concerned that a child/young person is being abused

### Procedures Initial concern:

If staff or volunteers have any concerns about a child's welfare they should act on them immediately. Teaching staff and support staff with a lot of contact with pupils should make a written record of the concerns on the School's CPOMS (Child Protection Online Monitoring and Safeguarding) system and alert the relevant Designated Safeguarding Lead and Deputy/ies to this record. If necessary, a skin map should also be completed on CPOMS.

Other support staff and volunteers should give a written record or email a written record to the relevant Designated Safeguarding Lead or Deputy for them to put on CPOMS. Staff and volunteers must speak to the relevant Designated Safeguarding Lead or Deputy immediately if the concern needs urgent attention.

A member of staff or volunteer who hears a disclosure from a pupil must:

- listen carefully to the child and keep an open mind. Staff should not take a decision as to whether or not the abuse has taken place.
- reassure the child that they are being taken seriously and that they will be supported and kept safe. A child should never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor should a child ever be made to feel ashamed for making a report.
- not give a guarantee of absolute confidentiality. The member of staff should explain that they need to pass the information to the relevant Designated Safeguarding Lead who will ensure that the correct action is taken.
- not ask leading questions, that is, a question which suggests its own answer.
- make a sufficient written record of the conversation. The record should include the date, time and place of the conversation and the essence of what was said and done by whom and in whose presence.

Staff should be aware that children may not feel ready or know how to tell someone that they are being abused, exploited or neglected and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated or are being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers.

This should not prevent staff from having a professional curiosity and speaking to the Designated Safeguarding Lead if they have concerns about a child. Staff and volunteers should maintain an appropriate level of confidentiality; this means only involving those who need to be involved, such as the Designated Safeguarding Lead or Deputy and Children's Social Care. When necessary the Designated Safeguarding Lead or Deputy can be contacted outside of normal school hours.

### INFORMATION YOU MAY BE ASKED TO PROVIDE

When you make a referral to Social Care (Children's Services) or to the police, you should provide as much of the following information as possible:

- **Child's name, date of birth, address, telephone number and ethnic origin;**
- **Family details** - who lives in the home - and any other significant adults;
- What is causing concern and the **evidence** that you have gathered to support your concerns;
- Any **additional needs** the child and/or family may have including language, disability and communication;
- Clarification of discussion with any family members if a discussion has been appropriate;
- Clarification of any ongoing assistance that you are giving to the family;
- Your name, workplace and contact telephone number.

All Child Protection referral phone calls made to the Multi-Agency Safeguarding & Support Hub (MASSH) to secure a response from Social Care must be supported with written documentation. In Stockport this is through the online Child Protection Referral form.

**Remember- Anyone in school/college can make a child protection referral**

## INFORMATION & TELEPHONE NUMBERS FOR CONSULTATION AND REFERRAL

---

Children's Services- child protection referral

tel. (0161) 217-6028 or 6024
- Senior Adviser for Safeguarding in Education tel. (0161) 474-5657

## What to do if you are concerned that a child/young person is being abused (flowchart for Education)

**REMEMBER:** It is not the role of Education to investigate a Child Protection concern. Report the information you have and Social Care and/or the Police will investigate.

<http://www.safeguardingchildreninstockport.org.uk/wp-content/uploads/2024/04/Stockports-multi-agency-response-to-need-guidance-document.pdf>

## Possible indicators of abuse

Indicators are provided as a guide, concerns and context should be discussed with the DSL

## The Designated Officer (DO) -also known as the Local authority Designated Officer (LADO)

---

### Greater Manchester procedures online- Allegation management

The process of managing allegations starts where information comes to the attention of a manager which suggests that an adult working with children may have:

- Behaved in a way that has harmed a child, or may have harmed a child;
- Possibly committed a criminal offence against or related to a child; or
- Behaved towards a child or children in a way that indicates he/she may pose a risk of harm to children.

Concerns or allegations about the behaviour of an adult may be brought to the attention of a manager in a variety of ways. For example:

- An allegation made directly by a child or parent;
- An allegation made by a colleague or member of staff;
- Information from police or local authority social care team;
- Information from a third party or the general public;
- Information disclosed anonymously or online; or
- Concerns generated through an employment relationship.

The procedures allow for consideration of the adult's behaviour at the earliest opportunity when a concern or allegation arises and is brought to the manager/employer's attention.

## When to contact the Local Authority Designated Officer (LADO)

It is important to ensure that even apparently less serious allegations are seen to be followed up, and that they are examined objectively by someone independent of the organisation concerned.

Discussion should always take place between the employer and the DO when the concern or allegation meets the criteria.

Some examples of this may be where an individual has:

- Contravened or has continued to contravene any safe practice guidance given by his/her organisation or regulatory body;
- Exploited or abused a position of power;

- Acted in an irresponsible manner which any reasonable person would find alarming or questionable given the nature of work undertaken;
- Demonstrated a failure to understand or appreciate how his or her own actions or those of others could adversely impact upon the safety and well-being of a child;
- Demonstrated an inability to make sound professional judgements which safeguard the welfare of children;
- Failed to follow adequately policy or procedures relating to safeguarding and promoting the welfare of children;
- Failed to understand or recognise the need for clear personal and professional boundaries in his or her work;
- Behaved in a way in her or her personal life which could put children at risk of harm;
- Become the subject of criminal proceedings not relating to a child;
- Become subject to enquiries under local child protection procedures and/or child subject to [Child Protection Plan](#);
- Behaved in a way which seriously undermines the trust and confidence placed in him or her by the employer.

## Online Referral

You can submit a referral using Stockport Council's secure online form:

➡ [Start a LADO referral](#)

## Note for Parents who are worried about a child

If you are a parent or carer in Stockport and have concerns about a child's safety or wellbeing, you should not hesitate to seek help. You can contact your child's school and ask to speak with the Designated Safeguarding Lead (DSL), who is specially trained to respond to these concerns. Alternatively, you can reach out directly to Stockport's Multi-Agency Safeguarding and Support Hub (MASSH) for advice or to make a referral—they are available to listen and offer guidance.

Contact details for Stockport MASSH:

Phone: 0161 217 6028 (Monday to Thursday: 8:30am – 5:00pm, Friday: 8:30am – 4:30pm)

Email: [massh@stockport.gov.uk](mailto:massh@stockport.gov.uk)

If you need help outside these hours, contact the Emergency Duty Team on 0161 718 2118.

In cases of immediate risk or danger, always call the police on 999. Remember, sharing your concerns could be an important first step in protecting a child and ensuring they get the support they need.

## The role of the Designated Safeguarding Lead

### MANAGING REFERRALS

Refer all safeguarding cases, including Early Help, through the relevant routes:

<https://www.stockport.gov.uk/early-help-assessment/assessing-needs-eha>

<https://forms.stockport.gov.uk/v2/contacting-the-massh/level-select>

to the Police if a crime may have been committed.

Identify any safeguarding issues relating to individual children, especially ongoing enquiries under section 47 of the Children Act 1989.

Act as a source of support, advice and expertise to staff members on matters of child protection and safeguarding.

Escalate inter-agency concerns and disagreements about a child's wellbeing. Further information can be found here:

[https://greatermanchesterscb.proceduresonline.com/search/search.html?zoom\\_sort=0&zoom\\_query=escalation+process&zoom\\_per\\_page=10&zoom\\_and=0](https://greatermanchesterscb.proceduresonline.com/search/search.html?zoom_sort=0&zoom_query=escalation+process&zoom_per_page=10&zoom_and=0)

Have responsibility to ensure there is at least one key adult for 'Operation Encompass\*' and the point of contact for Child Exploitation. \*Guiding principles of the scheme are here:

<https://www.operationencompass.org/school/college-participation>.

An annual information letter to be sent to parents. All downloadable documents are here:

<https://www.operationencompass.org/school/college-participation/school/college-downloads>.

To ensure that the Local Authority are notified if children are persistently absent or missing from education-

<https://www.stockport.gov.uk/start/missing-from-school/college-report-form>

<http://www.safeguardingchildreninstockport.org.uk/wp-content/uploads/2024/04/Stockports-multi-agency-response-to-need-guidance-document.pdf>

## INTER-AGENCY WORKING AND INFORMATION SHARING

Co-operate and comply with Children's Social Care for enquiries under section 47 of the Children Act 1989.

Promote an understanding of our lawful duty in line with the Data Protection Act 2018 and GDPR, including an awareness these do not prevent, or limit, the sharing of information for the purposes of keeping children safe; and this includes allowing practitioners to share information without consent (Keeping Children Safe in Education 2021) where appropriate.

Complete reports and attend, or ensure other relevant staff members attend, child protection conferences, core group meetings and other multi-agency meetings, as required.

Liaise with other agencies working with the child, share information as appropriate and contribute to assessments.

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/721581/Information\\_sharing\\_advice\\_practitioners\\_safeguarding\\_services.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/721581/Information_sharing_advice_practitioners_safeguarding_services.pdf)

When a child leaves our school/college, the Designated Safeguarding Lead will make contact with the Designated Safeguarding Lead at the new school/college and will ensure that the safeguarding file is forwarded to the receiving school/college within **five working days**. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school/college and/or evidence of recorded delivery. Where a parent elects to remove their child from the school/college roll to home educate, the school/college will make arrangements Archive these records in accords with the schedule of retention.

We will continue to support any pupil leaving the school/college about whom there have been concerns by ensuring that all appropriate information, including Safeguarding and welfare concerns, is forwarded under confidential cover to the pupil's new school/college as a matter of priority.

## **AWARENESS RAISING:**

- Ensure the Bredbury Green Primary School's child protection policies are known, understood and used appropriately.
- Ensure the school's safeguarding policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors regarding this;
- Ensure the safeguarding policy is available publicly and parents are aware of the fact that referrals about suspected abuse, neglect, or exploitation may be made and the role of the school/college or college in this; and
- Link with the safeguarding partner arrangements to make sure staff are aware of any training opportunities and the latest local policies on local safeguarding arrangements. (KCSIE 2025)

## **QUALITY ASSURANCE:**

- Monitor the implementation of and compliance with policy and procedures, including periodic audits of safeguarding and welfare concerns files (at a minimum once a year).
- Complete an audit of the school safeguarding arrangements at frequencies specified by the Stockport Safeguarding Children Partnership
- Provide regular reports, to the governing body detailing changes and reviews to policy, training undertaken by staff members and the number of children with child protection plans and other relevant data.
- Take lead responsibility for remedying any deficiencies and weaknesses identified in safeguarding arrangements.

## **SUPERVISION AND REFLECTION:**

The school will have a framework for providing an opportunity to staff who are working directly with vulnerable young people, particularly those who are being managed on a child protection, child in need or team around the family plan, to have regular access to an appropriate manager to talk through and reflect on their involvement with the child's case.

## **Information for the DSL**

### **DISCUSSING CONCERNS WITH THE FAMILY AND THE CHILD – ADVICE FOR THE DESIGNATED SAFEGUARDING LEAD (DSL)**

---

In general, you should always discuss any concerns the school/college may have with the child's parents. They need to know that you are worried about their child. However, you should not discuss your concerns if you believe that this would place the child at greater risk or lead to loss of evidence for a police investigation.

If you make a decision not to discuss your concerns with the child's parents or carers, this must be recorded in the child's Safeguarding file with a full explanation for your decision.

It is important to record and consider the child's wishes and feelings, as part of planning what action to take in relation to concerns about their welfare. Capturing the lived experience of the child is paramount to ensure that actions remain child-centred **and their own words when possible**.

When talking to children, you should take account of their age, understanding and preferred language, which may not be English. It is also important to consider how a SEND child may need support in communicating.

How you talk to a child will also depend on the substance and seriousness of the concerns. You may need to seek advice from the Integrated Front Door or the police to ensure that neither the safety of the child nor any subsequent investigation is jeopardised.

If concerns have arisen as a result of information given by a child, it is important to reassure the child but not to promise confidentiality.

It is expected that you discuss your concerns with the parents and seek their agreement to making a referral to the Integrated Front Door, unless you consider that this would place the child at increased risk of significant harm.

You do not need the parents' consent to make a referral if you consider the child is in need of protection, although parents will ultimately be made aware of which organisation made the referral. If parents refuse to give consent to a referral but you decide to continue, you should inform the staff at the MASSH when making your referral.

If you decide to refer the child without the parents' consent, make sure to record this with a full explanation of your decision.

When you make your referral, you should be clear with MASSH colleagues what the child and parents will be told, by whom and when.

The DSL has responsibility for managing and overseeing child protection referrals. The designated safeguarding lead or a deputy should always be available to discuss safeguarding concerns. If in exceptional circumstances, the designated safeguarding lead (or deputy) is not available, this should not delay appropriate action being taken. Staff must take responsibility by speaking to a member of the senior leadership team and/or take advice from local children's social care (this can be the named school/college social worker or the MASSH-See Appendices). In these circumstances, any action taken should be shared with the designated safeguarding lead (or deputy) as soon as is practically possible. For more information and access to the online referral form follow this link- <https://www.stockport.gov.uk/contacting-the-massh>

**The DSL must ensure staff understand this and are able to act accordingly.**

## **Peer Abuse including Sexual Violence and Harassment**

All staff must be aware safeguarding issues can manifest themselves via child-on-child abuse. This is most likely to include, but not limited to: bullying (including cyber bullying), gender-based violence/sexual assaults, harassment and sexting. Staff should be clear as to the school/college or college's policy and procedures with regards to child-on-child abuse; and on how the risk of child-on-child abuse is being minimised, how suspected abuse will be recorded and investigated; as well as how the victims and perpetrators will be supported. More support can be found:

<https://www.gov.uk/government/publications/sharing-nudes-and-semi-nudes-advice-for-education-settings-working-with-children-and-young-people>

It is important that school/colleges record incidents across the whole spectrum of sexual violence, sexual harassment, and harmful sexualised behaviours so that they can understand the scale of the problem in their own school/colleges and make appropriate plans to reduce it. For more guidance go to:

[Sexual violence and sexual harassment between children in school/colleges and colleges \(publishing.service.gov.uk\)](https://publishing.service.gov.uk) – from September 2021

All such incidents should be immediately reported to the Designated Safeguarding Lead (DSL) or equivalent and managed in line with your setting's child protection policies. Victims of harm should be supported by the school/college's pastoral system. **It is important that all staff new or otherwise, have input on these matters at least annually.**

A bespoke helpline for children and young people who've experienced abuse at school/college, and for worried adults and professionals that need support and guidance. If you are concerned about something, you can contact the NSPCC helpline Report Abuse in Education on 0800 136 663 or email [help@nspcc.org.uk](mailto:help@nspcc.org.uk)
