Dear Parents/Carers,

As this long term draws to a close, I wanted to write and share some fantastic news with you all. School performance tables have been released this week and we are ranked 8th in Stockport out of 107 schools! As you can see below, for children achieving the higher standard we are ranked 2nd out of 107 schools in Stockport!

I am so thankful to everyone involved with the school, as we have all been part of this journey over the last four years: staff at the school, the Education Learning Trust and our school governors. A special mention for you all as parents – you have supported the school and been loyal through good times and bad. I hope you will share this news proudly with friends and family in the local community.

I know league tables are not the only indicator a school is measured by but these will go a long way to evidencing the development of the school in the last few years. We are incredibly proud of the children who have achieved this accolade and are determined that standards will be maintained in future years.

I want to wish you all a Merry Christmas. I hope you enjoy all the festivities and look forward to seeing you all back in school on Monday 8th January 2024!

Kind regards,

Helen Moorcroft
