### Class News

This week has been a busy one, especially with our Year 6 pupils away on their residential. It sounds like they are having a wonderful time and making lots of great memories. As this is our final week before the Easter holidays, we are really looking forward to Thursday, when we have a range of fun activities planned for the children to enjoy. Parents/carers are warmly invited to join us on Thursday afternoon to take part in the activities.

#### Nursery

The nursery children have been making the most of the sunny, warm weather by enjoying lots of outdoor play and activities.

#### Class 1

We had a super visit to Wicton Farm where the children shared their knowledge about seasonal changes, and we looked at what that meant on the farm. The children en-

joyed helping to feed the oldest cow on the farm, who is an impressive 20 years old. We also enjoyed a lovely walk through the fields, tasted wild garlic and drew pictures with charcoal.

#### Class 2

Class 2 have been exploring mass by using the balancing scales to weigh and compare different objects around the classroom.

#### Class 3

Class 3 have been looking at plant reproduction. On Monday they looked at the inside of a tulip to investigate the different parts. They carefully dissected the flower to expose the stamens, spot the stigma and then carefully cut open the style and ovary where a new seed would grow.

## Staff News

This week will be Mrs Haynes' final week with us, as she will not be returning after the holidays. After 12 years of dedicated service at Bredenbury, she will be moving on to new pastures.

Mrs Haynes would like to extend her sincere thanks to parents, staff and pupils for their support over the years and will always look back on her time at the school with great fondness.

We wish her every success and happiness in the future.
