We will be thinking about what this means and what in our lives, we need to

Dear parents and carers,

With just two weeks to go until half term, it's safe to say we're all counting down. This week has brought plenty of wet and cold weather, but it certainly hasn't dampened spirits — Years 2–6 have been thoroughly enjoying their swimming lessons, showing great progress and growing in confidence each session, and classes have been learning about some interesting topics along the way.

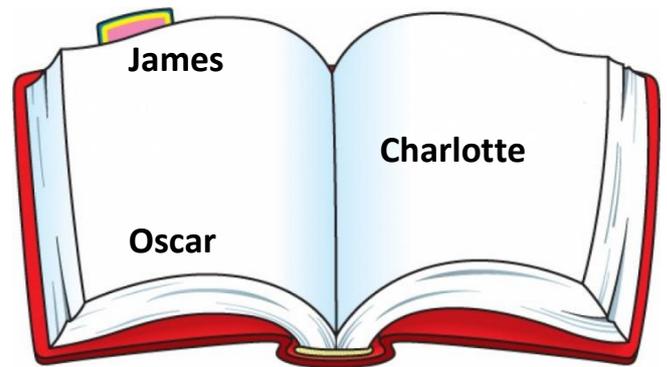

Our Stars of the week!

CHARLOTTE – ONE TO EIGHT YEARS OLD

When I was one, I thought of fun
 When I was two, I thought of you
 When I was three, I knew I was me
 When I was four, I opened the door
 When I was five, I learned how to drive
 When I was six, I picked up sticks
 When I was seven, I thought of Heaven
 Now I am eight, I stay up late

At Bredenbury, we love showing off and celebrating the wonderful things children achieve outside of school.

This week, we are delighted to share a beautiful poem written by our pupil, Charlotte.

Have you got something your child would like to bring in and share with us? Please feel free — we love celebrating children's achievements beyond the classroom!

Our guinea pigs are still enjoying their holiday and are being very well looked after! They'll be back with us after half term and can't wait to see the children again — we're sure they'll have lots of cuddles to catch up on.

Junk Modelling Request

Our class will be making vehicles soon and would appreciate any clean junk-modelling materials (boxes, tubes, bottle tops, cartons). Thank you for your support!
