Value of the Month – Determination

We have already reached the end of this half term and what an amazing last week it's been.

Saturday, our amazing football team won the golden trophy for the first time ever in its 50 year history. Thank you again to Rob, who coaches them.

Class 1 made a visit to the Queen Elizabeth Animal Care, where they met a huge variety of different animals including lizards, a tree frog, African snails and much more.

Class 2 have been learning all about Brendan Jamison in art and the amazing sculptures he has created. Thursday, they finished their own brilliant sculptures which they took home.

Class 3 visited Wicton Farm where they had the opportunity to learn all about every aspect of dairy farming, observing cows including calves, exploring the building and grounds and tasting fresh milk.

Parking – can we please ensure we do not park across residents drives.

We have noticed children playing in the church car park at home time collection, obviously this is a dangerous place to play. Please ensure they don't play in the car park.
