Friday 12th February 2021

Dear Parents/Carers,

We've finally reached the end of Term 3 and it wouldn't be the end of term if there wasn't a little 'hiccup' to keep us on our toes! The weather this week has certainly been a challenge and I'd like to take this opportunity to thank you all for your support this week. Keeping the children at home where possible has certainly helped where we have been short-staffed and has enabled us to keep the staff safe by sending those driving home a little earlier.

I'd like to take this opportunity to thank the staff for their efforts in coming in and, in particular, Rob Moon for his tireless work in clearing paths and gritting across the week.

When I was first interviewed for this job almost three years ago now, I recall talking about my key educational principles of *Creativity, Excellence* and *Resilience* and I think it's fair to say that we've certainly seen these in action this term (particularly '*resilience!*')

In the spirit of 'finding a silver lining', I'm pleased that we have had the snow as it's given the children a break from the routine of remote education and live lessons – please do have a break over the half-term break. Put down the workbooks (keep reading though!) and enjoy time together as a family.

With best wishes,

A handwritten signature in black ink that reads 'James Tibbles'.

James Tibbles
Headteacher
