Dear Parents/Carers,

We have had at least two reasons for celebration at Bridge School this week with two new arrivals! Mr Chamberlain and Mr Taylor have both welcomed a new daughter into their respective families and we could not be more happy for them. Both mums and babies are doing well and I hope that Mr Chamberlain and Mr Taylor are both able to enjoy the next two weeks whilst they are on paternity leave.

Today, we sent them an audio message from the whole school congratulating both parents (although we should probably recognise that the mum's probably deserve more of this sentiment!)

### Ambulance Visit

Parents will know that we ask parents not to drive down School Lane in order to keep the road clear for children's safety but also in case of the need for emergency access. This was brought sharply into focus on Wednesday when a Bridge resident fell outside of school and required an ambulance to attend.

To the best of my knowledge, he is recovering well and we all wish him the best. I would like to express my gratitude to those parents who assisted and thanks for your understanding in walking the 'long way round' so that we did not have hordes of children walking past this gentleman in a vulnerable state.

### Clubs

Now that every parent has had the opportunity to sign up for clubs, parents are welcome to book an additional club for their child should they wish.

### New library system

As you know, we have an excellent school library and, in order to keep it to the standard that our children deserve, we need parental support. Over the year, we end up losing a great number of books because they go home and are then lost. Whilst the loss of an individual book in itself is no great hardship, last year we had to write off several hundred pounds worth of books and we can ill-afford to lose this.

Parents will start getting email reminders when books are 'overdue'; please help us by looking for these books with your children and making sure that they are returned to school.

### Payment Reminders

Whilst on the subject of email reminders, parents who owe money to the school will be receiving weekly reminders on a Friday to top up their account or make payments. Please can I ask that this is also kept 'on top of' as if the school has to cancel any debt, this essentially is taken from the provision for the children and the last thing we want to be doing is chasing parents for money.

We will walking the children back to school to collect bags and water bottles for home-time.

There will be a plea coming out for parent helpers to walk the children to the church and back.

One of the most important things that an education can provide is teaching children to read and we would like to invite all of our Year R parents to come to a short presentation with the Year R team who will explain how we teach reading at Bridge School and how parents can support at home. There is no need to book – you can just turn up! The session starts at 2.15pm on Monday 25<sup>th</sup> September.

### Bridge PTA Welcome Meeting and AGM

In a couple of weeks' time, we are inviting all parents of children in Year R to attend a little 'welcome from the PTA' at 6pm in the school hall. This is your chance to meet the PTA committee with some complimentary wine/beer/soft drinks and hear about how the PTA raise money for the children.

Following this, at 6.30pm, all parents are invited to the Annual General Meeting at which point we will confirm parent reps for each year group. We will also be seeking a new chair of the PTA as, after four years, Rebecca Thomas is standing down. If anyone is interested in becoming chair (or perhaps co-chairing with someone else!) then please come along and feel free to speak to me on the playground beforehand if you have any questions.

### Fireworks

These are a while off yet but worth keeping in your diary. Saturday 4<sup>th</sup> November is the Bridge Village Firework display and this is our biggest fundraiser. We are seeking support on the day itself and the morning after for clearing up. Historically we have a stalwart group of volunteers but, as their children leave, we need new parents to support. If you can help please email [bridgepta1@gmail.com](mailto:bridgepta1@gmail.com). Tickets will go on sale closer to the time.

### Time for Reflection

In our Collective Worship this week, we have been talking about what it means to flourish, to do more than just grow and develop but to thrive and be the best possible version of ourselves – summed up in our aim for *excellence*.

We've look at the image of Jesus as a 'shepherd' and how their role is to make sure that each of the sheep in the flock flourish, whilst applying this to the context of the school and how it is the role of every adult in the school to support the children flourish. We also looked at how the children can support each other and discussed the recent success of the England Women's Football team as a model of working together.

One word from our school prayer perfectly encapsulates this: *May we always try to bring out the best in ourselves and one another*

With very best wishes,
