Please cut these out to practise with your child.

Once your child knows the sounds you can use them to build three letter words.

Ask your child to 'sound it out' then 'blend it together'.

Eg. sit, sat, mat, sad, tin, pit, tap, pan, map, sip, pin, mad.

Words which appear frequently that can be decoded using sounds learnt at this stage:

a	is	in	it
at	an	as	

Tricky words which cannot be built or decoded using the sounds learnt at this stage:
