

# Bridge & Patrixbourne Residential

Tues 12<sup>th</sup> – Thurs 14<sup>th</sup> October 2021  
Parent/carer information

# Bore place

This trip is an authentic ‘farmstay’ experience for your child. Your child will be staying at Bore Place, which has a 500 acre working organic dairy farm.

Bore Place is in Kent, situated between Tonbridge, Sevenoaks and Edenbridge.

Bore Place has over 30 years’ experience delivering day and overnight visits for school children.

What will  
they  
be doing?

# Learning on the farm

A fun, jam-packed programme with a focus on outdoor learning. Activities are designed to allow children to connect with each other and their environment. Bore Place's aim is for children to learn, grow and be inspired through their experiences.

# accommodation

---

“The engagement with the children was lovely they were totally engrossed, it was pitched just right. Your ability to cater to our medical/allergic needs was outstanding. Even in the pouring rain the children were interested and not once did they notice just how soaked they were getting.”

Sevenoaks Prep, May 2018

# Indoor camping

---

All the fun of snuggling into a sleeping bag without the worry of cold or wet weather!

Exclusive overnight use of the building with large sleeping dorms for boys and girls.

Separate washing and toilet facilities for boys, girls and adults.

Teachers and accompanying adults sleep in an adjoining room.

Shower facilities available

# The old stable

---

The Old Stable block has a few allocated bedrooms for use for children who can not sleep on the floor.. eg for medical reasons.

**Please speak to a member of the Year 5 staff in the next week if you feel your child needs to sleep in a bedroom.**

You will receive a packing list for your child this week. (shown shortly).

# itinerary

---

“The activities were pitched appropriately for the children. The children were able to provide very positive feedback to parents. Booking, confirmation and pre-visit documentation was very thorough and helpful.”

Audley Primary, June 2018

14:00	Depart Bore Place	Depart Bore Place

## **Organic Farm Tour**

A guided tour discovering the inputs and outputs of a working organic dairy farm.

## **Harvesting & Pizza Making**

Explore the market garden and harvest organic veg for your pizza toppings. Make fresh dough and create your own pizza to eat for dinner.

## **Campfire, Small Mammals & Moth Traps**

Learn to light a fire and toast marshmallows over the flames.

Set traps to (humanely) capture some small mammals and moths to identify in the morning.

## **Food Waste & Fairtrade**

Explore some food issues - food waste and Fairtrade - and make delicious chocolate and banana muffins.

## **Natural Dye Craft**

Use a variety of natural materials to create colourful dyes for tie-dye artworks.

## **Den Building**

Survival of the fittest! Make a den that will keep you cosy and dry when we get the watering can out to test it!

## **All About Dairy**

See our cows being milked, the cheesemakers make cheese and your tutor make cheese scones, before you make your own.

## **Orienteering**

Navigate the farm following maps and clues. Teamwork, decision making and coordination skills will be needed!

## **Mud Faces**

Inspired by the story of The Green Man, explore the woods and make a mud face on a tree.

# Food & catering

“..The activities were fantastic and the team work we saw between pupils was wonderful. The children really enjoyed themselves and all came bouncing back to school. Activities were well timed and paced and the food was amazing!..”

Oakley School, October 2018

# Farm to fork

Food is important at Bore Place. From farm to fork – growing, cooking and sharing food.

Your child will be provided with healthy, balanced meals and snacks.

All meals will be vegetarian and created using seasonal, organic and locally-produced ingredients including produce from its own market garden.

Bore Place's on-site chef prepared home cooked food and the children will be involved along the food journey, from harvesting and washing to chopping, smelling, serving and eating.

# Meals

---

## Breakfast

Breakfast is self-served and overseen by the visiting school's teachers/adults.

There will be a selection of cereals, milk, yoghurt and fresh fruit, as well as homemade sourdough bread and a selection of organic jams and spreads. Juice is also provided.

## Snacks

Healthy and nutritious snacks are served to keep energy levels topped up for busy days exploring the farm.

Snacks include flapjacks, fruit and banana bread.

## Lunch

Children will help to make their lunch by preparing their own sandwich after breakfast., with the support of teachers and Bore Place leaders.

Filling choices are: cheese, tomato, egg mayo, marmite.

Sandwiches will be served at lunchtime with veg sticks and hummus, flapjacks and a piece of fruit.

## Dinner

**Night 1** Children will make homemade pizzas and salad.  
Followed by a slice of homemade cake or a piece of fruit.

**Night 2** Tomato pasta bake or macaroni cheese with salad harvested from the garden the previous day.  
Followed by fruit crumble and custard.

Dietary requirements will be catered for. Please ensure your child's teacher is aware of any allergies or dietary requirements.

# safety

“Well planned tour of the farm with friendly farmers to add their expertise to the guides.”

Southborough Primary, July 2018

\* The safety and security of visitors is the priority at Bore Place. Every stay starts with a safety orientation ensuring the children understand that the rules are in place to keep them safe.

\* All activities are facilitated and led by Bore Place's team of experienced, enthusiastic tutors, who are all DBS checked and fully insured.

\* Bore Place is a safe, fully insured venue.

\* Accompanying school leaders will have access to a dedicated Bore Place on call number for 24/7 emergency support.

\* Bore Place risk assesses every activity and shares the assessments with the visiting school once the itinerary is confirmed.

\* Safeguarding of children is paramount and Bore Place has a designated Safeguarding Officer and Safeguarding Policy.

# other

---

- Should you need to contact us in an emergency please phone the school office and they will contact us.
- We will be blogging each day to keep you updated.
- Medication – clearly labelled with child's name and dosage to be handed to staff in the morning.
- Inhalers – may be kept by your child but please list on medical form.
- Children should take travel sickness medication before leaving home on the day of departure. Please give top staff if this is needed on our trip back.
- Medical forms and dietary forms will be sent out this week.

# Other continued

---

- No sweets or snacks in suitcases.
- No need for pocket money as there is no gift shop.
- No cameras – staff will take lots of photos.
- Children will need a drinks bottle to refill daily.
- Please do not send any electronic devices or mobile phones, make-up, hair dryers/hair straighteners or anything of value.

# Any questions?
