# CHILD PROTECTION & SAFEGUARDING POLICY & PROCEDURE

Bridge & Patrixbourne Church of England Primary School is a welcoming and nurturing community which promotes: *creativity* (developing our gifts); *excellence* (being the best we can be) and *resilience* (learning from our experiences). The school provides opportunities which enable everyone to flourish and grow within the love of God.

I am the vine, you are the branches. If you remain in me and I in you, you will bear much fruit. Without me, you can do nothing.

## What to do if you have a welfare concern in Bridge School

#### Why are you concerned?

- For example
  - o Allegation/ child shares a concern or worry
  - o Indicators of abuse or neglect

#### Immediately record your concerns (if urgent, speak to a DSL first)

- Follow the school's procedure. Alert the DSL and complete a pink safeguarding form or log on CPOMS (located in class files, staff room and office).
  - Reassure the child
  - Clarify concerns if necessary (TED: Tell, Explain, Describe)
  - o Use child's own words
  - Sign and date your records

#### Inform the Designated Safeguarding Lead(s) – James Tibbles, Headteacher

#### **Designated Safeguarding Lead**

- Consider whether the child is at immediate risk of harm e.g. unsafe to go home
- Access the Kent Safeguarding Children Multi-Agency Partnership (KSCMP) Support Level Guidance document and procedures: <a href="https://www.kscmp.org.uk">www.kscmp.org.uk</a>
- Refer to other agencies as appropriate e.g. Internal or community services, early help open access, LADO, Police or Request for Support for integrated children's services
- If unsure then consult with Area Education Safeguarding Advisor or Local Authority Social Worker at the Front Door.

#### If you are unhappy with response

#### Staff:

- Follow local escalation procedures (contact Central Referral Unit)
- Follow Whistleblowing procedures

#### **Pupils and Parents:**

 Follow school complaints procedures (can be obtained from school office or school website)

#### Record decision making and action taken on CPOMS

#### **Monitor**

- What you are monitoring e.g. behaviour trends, appearance etc.
- How long you will monitor
- Where, how and to whom you will feedback and how you will record

**Review** and **request further support** (if necessary)

At all stages the child's circumstances will be kept under review

The DSL/Staff will request further support if required to ensure the child's safety is paramount

## Child Focused Approach to Safeguarding

#### Introduction

Bridge & Patrixbourne CEP School recognise our statutory responsibility to safeguard and promote the welfare of all children. Safeguarding is everybody's responsibility and all those directly connected (staff, volunteers, governors, leaders, parents, families, and learners) are an important part of the wider safeguarding system for children and have an essential role to play in making this community safe and secure.

Bridge & Patrixbourne CEP School believe that the best interests of children always come first. All children (defined as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.

Staff working with children at Bridge & Patrixbourne CEP School will maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff will always act in the best interests of the child and if any member of our community has a safeguarding concern about any child or adult, they should act and act immediately.

Bridge & Patrixbourne CEP School recognises the importance of providing an ethos and environment within school that will help children to be safe and to feel safe. In our school children are respected and are encouraged to talk openly. We will ensure children's wishes and feelings are taken into account when determining what safeguarding action to take and what services to provide.

Our core safeguarding principles are:

#### Prevention

positive, supportive, safe culture, curriculum and pastoral opportunities for children, safer recruitment procedures.

#### Protection

following the agreed procedures, ensuring all staff are trained and supported to recognise and respond appropriately and sensitively to safeguarding concerns.

#### Support

for all learners, parents and staff, and where appropriate specific interventions are required for those who may be at risk of harm.

#### Working with parents and other agencies

to ensure timely, appropriate communications and actions are undertaken when safeguarding concerns arise.

The procedures contained in this policy apply to all staff, including and governors, temporary or third-party agency staff and volunteers) and are consistent with those outlined within KCSIE 2021.

#### **Policy Context**

This policy is implemented in accordance with our compliance with the statutory guidance from the Department for Education, 'Keeping Children Safe in Education' 2021 (KCSIE) which requires individual schools and colleges to have an effective child protection policy.

This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004 and related guidance. This includes but is not limited to:

- Keeping Children Safe in Education 2021 (KCSIE)
- Working Together to Safeguard Children 2018 (WTSC)
- Ofsted: Education Inspection Framework' 2021
- Framework for the Assessment of Children in Need and their Families 2000
- Kent and Medway Safeguarding Children Procedures

- Early Years and Foundation Stage Framework 2021 (EYFS)
- The Education Act 2002
- Education and Inspections Act 2006
- The Education (Independent School Standards) Regulations 2014
- The Non-Maintained Special Schools (England) Regulations 201Definition of Safeguarding

In line with KCSIE 2021, safeguarding and promoting the welfare of children is defined for the purposes of this policy as:

- protecting children from maltreatment
- preventing impairment of children's mental and physical health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care, and
- taking action to enable all children to have the best outcomes.

The school acknowledges that this policy recognises a range of specific safeguarding issues including (but not limited to):

- Bullying (including cyberbullying)
- Children with family members in prison
- Children Missing Education (CME)
- Child missing from home or care
- Child Sexual Exploitation (CSE)
- Child Criminal Exploitation (County Lines)
- o Domestic abuse
- Drugs and alcohol misuse
- o Fabricated or induced illness
- o Faith abuse
- Female Genital Mutilation (FGM)
- Forced marriage
- Gangs and youth violence
- Gender based abuse and violence against women and girls
- o Hate
- Homelessness
- Honour based abuse (including breast ironing)
- Human trafficking and modern slavery
- Mental health
- o Missing children and adults
- Online safety
- Peer on peer abuse
- Preventing radicalisation and extremism
- Private fostering
- Relationship abuse
- Sexual Violence and Sexual Harassment
- Upskirting
- Youth produced sexual imagery or "Sexting"

(Also see Part One and Annex B within 'Keeping Children Safe in Education' 2021)

#### Related Safeguarding Policies

This policy is one of a series in the school's integrated safeguarding portfolio and should be read in conjunction with the policies as listed below:

- Safeguarding Children and Child Protection induction leaflet for school visitors
- Managing Racial Incidents Policy
- PREVENT Training

#### Policy Compliance, Monitoring and Review

Bridge & Patrixbourne CEP School will review this policy at least annually (as a minimum) and will update it as needed, so that it is kept up to date with safeguarding issues as they emerge and evolve, including lessons learnt. The policy will also be revised following any national or local updates, significant local or national safeguarding events and/or learning, and/or any changes to our own procedures.

All staff (including temporary staff and volunteers) will be provided with a copy of this policy and Part One and/or Annex A of KCSIE 2021 as appropriate. This can be found in the staffroom.

Parents/carers can obtain a copy of the school Child Protection Policy and other related policies on request. Additionally, our policies can be viewed via the school website.

The policy forms part of our school development plan and will be reviewed annually by the governing body who has responsibility for oversight of safeguarding and child protection systems.

The Designated Safeguarding Lead and headteacher will ensure regular reporting on safeguarding activity and systems to the governing body. The governing body will not receive details of individual learner situations or identifying features of families as part of their oversight responsibility.

## Key Responsibilities

#### Governance and Leadership

The governing body and leadership team have a strategic responsibility for our safeguarding arrangements and will comply with their duties under legislation.

The governing body have regard to the KCSIE 2021 guidance and will ensure our policies, procedures and training is effective and complies with the law at all times.

The school has a nominated governor for safeguarding. The nominated governor will support the DSL and have oversight in ensuring that the school has an effective policy which interlinks with other related policies, that locally agreed procedures are in place and being followed, and that the policies are reviewed at least annually and when required.

The governing body and leadership team will ensure that the DSL is supported in their role and is provided with sufficient time so they can provide appropriate support to staff and children regarding any safeguarding and welfare concerns.

The headteacher will ensure that our child protection and safeguarding policies and procedures adopted by the governing body, are understood, and followed by all staff.

#### Designated Safeguarding Lead (DSL)

The school has appointed James Tibbles (Headteacher), a member of the senior leadership team as the Designated Safeguarding Lead (DSL).

The DSL has overall responsibility for the day-to-day oversight of safeguarding and child protection systems (including online safety) in school. Whilst the activities of the DSL may be delegated to the deputies, the ultimate lead responsibility for safeguarding and child protection remains with the DSL and this responsibility will not be delegated.

The school has also appointed Deputy DSLs who will have delegated responsibilities and act in the DSL's absence.

It is the role of the DSL to carry out their functions as identified in Annex C of KCISE 2021. This includes but is not limited to:

- Acting as the central contact point for all staff to discuss any safeguarding concerns
- Maintaining a confidential recording system for safeguarding and child protection concerns
- Coordinating safeguarding action for individual children
- When supporting children with a social worker or looked after children the DSL should have the details of the child's social worker and the name of the virtual school head in the authority that looks after the child (with the DSL liaising closely with the designated teacher)
- Liaising with other agencies and professionals in line with KCSIE 2021 and WTSC 2018
- Ensuring that locally established procedures as put in place by the three safeguarding partners as part of the
  Kent Safeguarding Children Multi-Agency Partnership procedures (KSCMP), including referrals, are followed, as
  necessary.
- Representing, or ensure the school is appropriately represented at multi-agency safeguarding meetings (including child protection conferences)
- Managing and monitoring the school role in any multi-agency plan for a child.
- Being available during term time (during school hours) for staff in the school to discuss any safeguarding concerns.
- Helping promote educational outcomes by sharing the information about the welfare, safeguarding and child
  protection issues that children, including children with a social worker, are experiencing, or have experienced,
  with teachers and school leadership staff.
- Ensuring adequate and appropriate DSL cover arrangements in response to any closures and out of hours and/or out of term activities.
- Ensuring all staff access appropriate safeguarding training and relevant updates in line with the recommendations within KCSIE.
- Informing the headteacher of any significant safeguarding issues.

The DSL will undergo appropriate and specific training to provide them with the knowledge and skills required to carry out their role. Deputy DSLs will be trained to the same standard as the DSL. The DSLs training will be updated formally at least every two years, but their knowledge and skills will be updated through a variety of methods at regular intervals and at least annually.

#### Members of Staff

All members of staff have a responsibility to:

- Provide a safe environment in which children can learn.
- Be aware of the indicators of abuse and neglect so that they can identify cases of children who may need help or protection.
- Know what to do if a child tells them that he or she is being abused or neglected and understand the impact abuse and neglect can have upon a child.
- Be able to identify and act upon indicators that children are, or at risk of developing mental health issues.
- Be prepared to identify children who may benefit from early help.
- Understand the early help process and their role in it.
- Understand the school safeguarding policies and systems.
- Undertake regular and appropriate training which is regularly updated.
- Be aware of the local process of making referrals to children's social care and statutory assessment under the Children Act 1989.
- Know how to maintain an appropriate level of confidentiality.
- Reassure children who report concerns that they are being taken seriously and that they will be supported and kept safe.

#### Children and Young People

Children and young people (learners) have a right to:

- Feel safe, be listened to, and have their wishes and feelings taken into account.
- Confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express
  their views and give feedback.
- Contribute to the development of school safeguarding policies.
- Receive help from a trusted adult.
- Learn how to keep themselves safe, including online.

#### Parents and Carers

Parents/carers have a responsibility to:

- Understand and adhere the relevant school policies and procedures.
- Talk to their children about safeguarding issues with their children and support the school in their safeguarding approaches.
- Identify behaviours which could indicate that their child is at risk of harm including online.
- Seek help and support from the school or other agencies.

#### Child Protection Procedures

## Recognising Indicators of Abuse and Neglect

All staff are made aware of the definitions and indicators of abuse and neglect as identified by Working Together to Safeguard Children (2018) and Keeping Children Safe in Education 2021. This is outlined locally within the <u>Kent Support</u> Levels Guidance.

Bridge & Patrixbourne CEP School recognise that when assessing whether a child may be suffering actual or potential harm there are four categories of abuse:

- Physical abuse
- Sexual abuse
- Emotional abuse
- Neglect

For further information see Appendix 1.

Bridge & Patrixbourne CEP School recognises that concerns may arise in many different contexts and can vary greatly in terms of their nature and seriousness. The indicators of child abuse and neglect can vary from child to child. Children develop and mature at different rates, so what appears to be worrying behaviour for a younger child might be normal for an older child. It is important to recognise that indicators of abuse and neglect do not automatically mean a child is being abused however all concerns should be taken seriously and will be explored by the DSL on a case-by-case basis.

Bridge & Patrixbourne CEP School recognises abuse, neglect, and safeguarding issues are rarely standalone events and cannot always be covered by one definition or one label alone. In many cases, multiple issues will overlap with one another, therefore staff will always be vigilant and always raise concerns with a DSL.

Parental behaviors can indicate child abuse or neglect, so staff will be alert to parent-child interactions or concerning parental behaviours; this could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.

Children may report abuse happening to themselves, their peers or their family members. All reports made by children to staff will be taken seriously and will be responded to in line with this policy.

Safeguarding incidents and/or behaviours can be associated with factors and risks outside the School/College. Children can be at risk of abuse or exploitation in situations outside their families; extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, sexual abuse, serious youth violence and county lines.

Technology can be a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face and in many cases, abuse will take place concurrently via online channels and in daily life. Children can also abuse their peers online.

By understanding the indicators or abuse and neglect, we can respond to problems as early as possible and provide the right support and services for the child and their family.

All members of staff are expected to be aware of and follow this approach if they are concerned about a child:

'What to do if you are worried a child is being abused' 2015

In all cases, if staff are unsure, they will always speak to the DSL (or deputy).

Bridge & Patrixbourne CEP School recognises that some children have additional or complex needs and may require access to intensive or specialist services to support them.

If deemed necessary by the headteacher or by staff authorised by the headteacher following a concern about a child's safety or welfare, the searching and screening of children and confiscation of any items, including electronic devices, will be managed in line with the school 'Searching, Screening and Confiscation' policy and behaviour policy, which is informed by the DfE 'Searching, screening and confiscation at school' guidance.

#### Responding to Child Protection Concerns

If staff are made aware of a child protection concern, they are expected to:

- o listen carefully to the concern and be non-judgmental.
- only use open questions to clarify information where necessary, e.g. who, what, where, when or Tell, Explain, Describe (TED).
- o not promise confidentiality as concerns will have to be shared further, for example, with the DSL and potentially Integrated Children's Services.
- o be clear about boundaries and how the report will be progressed.
- o record the concern in line with school record keeping requirements.
- o inform the DSL (or deputy), as soon as practically possible.

The DSL or a deputy should always be available to discuss safeguarding concerns. If in exceptional circumstances, a DSL is not available, this should not delay appropriate action being taken. Staff should speak to a member of the senior leadership team and/or take advice from Education Safeguarding Service or via consultation with a social worker from the Front Door. In these circumstances, any action taken will be shared with a DSL as soon as is practically possible.

Bridge & Patrixbourne CEP School will respond to concerns in line with the Kent Safeguarding Children Multi-Agency Partnership procedures (KSCMP).

The full KSCMP procedures and additional guidance relating to reporting concerns and specific safeguarding issues can be found on their website: <a href="https://www.kscmp.org.uk">www.kscmp.org.uk</a>

Specific information and guidance to follow with regards to accessing Early Help and Preventative Services and/or Children's Social Work Services as part of Integrated Children's Services (ICS) in Kent can be found here: <a href="https://www.kelsi.org.uk/support-for-children-and-young-people/integrated-childrens-services">www.kelsi.org.uk/support-for-children-and-young-people/integrated-childrens-services</a>

Where a child is suffering, or is likely to suffer from harm, or is in immediate danger, a 'request for support' will be made immediately to Integrated Children's Services (via the 'Front Door') and/or the police, in line with KSCMP procedures.

Bridge & Patrixbourne CEP School recognise that in situations where there are immediate child protection concerns for a child as identified in line with Support Level Guidance, it is NOT to investigate as a single agency, but to act in line with KSCMP guidance which may involve multi-agency decision making.

The DSL may seek advice or guidance from their Area Education Safeguarding Advisor from the Education Safeguarding Service before deciding next steps.

They may also seek advice or guidance from a social worker at the Front Door service who are the first point of contact for Integrated Children's Services (ICS).

In the event of a request for support to the Front Door being necessary, parents/carers will be informed and consent to this will be sought by the DSL in line with guidance provided by KSCMP and ICS. Parents/carers will be informed of this, unless there is a valid reason not to do so, for example, if to do so would put a child at risk of harm or would undermine a criminal investigation.

All staff are aware of the process for making request for support referrals for statutory assessments under the Children Act 1989, along with the role they might be expected to play in such assessments.

Where is it is identified a child may benefit from Early Help support (as provided by ICS), the DSL (or deputy) will generally lead as appropriate and make a request for support via the Front Door.

The DSL will keep all early help cases under constant review and consideration will be given to escalating concerns to the Front Door or seeking advice via the Education Safeguarding Service if the situation does not appear to be improving or is getting worse.

If, after a request for support or any other planned external intervention, a child's situation does not appear to be improving or there is a concern regarding decisions made, the DSL will consider following KSCMP escalation procedures to ensure their concerns have been addressed and, most importantly, that the child's situation improves. DSLs may request support with this via the Education Safeguarding Service.

Bridge & Patrixbourne CEP School is an <u>Operation Encompass School</u>. This means we work in partnership with Kent Police to provide support to children experiencing domestic abuse.

#### **Recording Concerns**

All safeguarding concerns, discussions and decisions, and reasons for those decisions, will be recorded in writing on the school safeguarding system and passed without delay to the DSL.

Concern forms are kept in the staffroom although staff should use CPOMS where at all possible.

Records will be completed as soon as possible after the incident/event, using the child's words and will be signed and dated by the member of staff. Child protection records will record facts and not personal opinions. A body map will be completed if injuries have been observed.

If there is an immediate safeguarding concern the member of staff will consult with a DSL before completing the form as reporting urgent concerns takes priority.

If members of staff are in any doubt about recording requirements, they will discuss their concerns with the DSL.

Child protection records will include a clear and comprehensive summary of the concern, details of how the concern was followed up and resolved and details regarding any action taken, decisions reached and the outcome.

Child protection records will be kept confidential and stored securely. Child protection records will be kept for individual children and will be maintained separately from all other records relating to the child in the school. Child protection records are kept in accordance with data protection legislation and are retained centrally and securely by the DSL.

All child protection records will be transferred in accordance with data protection legislation to the child's subsequent school, under confidential and separate cover as soon as possible. Child Protection files will be transferred securely to the new DSL, separately to the child's main file, and a confirmation of receipt will be obtained.

In addition to the child protection file, the DSL will also consider if it would be appropriate to share any information with the DSL at the new school or college in advance of a child leaving, for example, information that would allow the new school or college to continue to provide support.

Where the school receives child protection files, the DSL will ensure key staff such as the special educational needs coordinators (SENCOs)/named person with oversight for SEN, will be made aware of relevant information as required.

#### Multi-Agency Working

Bridge & Patrixbourne CEP School recognises and is committed to its responsibility to work within the KSCMP multiagency safeguarding arrangements. The leadership team and DSL will work to establish strong and co-operative local relationships with professionals in other agencies in line with statutory guidance.

Bridge & Patrixbourne CEP School recognises the importance of multi-agency working and is committed to working alongside partner agencies to provide a coordinated response to promote children's welfare and protect them from harm. This includes contributing to KSCMP processes as required, such as, participation in relevant safeguarding multi-agency plans and meetings, including Child Protection Conferences, Core Groups, Strategy Meetings, Child in Need meetings or other early help multi-agency meetings.

#### Confidentiality and Information Sharing

Bridge & Patrixbourne CEP School recognises our duty and powers to hold, use and share relevant information with appropriate agencies in matters relating to child protection at the earliest opportunity as per statutory guidance outlined within KCSIE 2021.

Bridge & Patrixbourne CEP School has an appropriately trained Data Protection Officer (DPO) as required by the General Data Protection Regulations (GDPR) to ensure that our school is complaint with all matters relating to confidentiality and information sharing requirements.

The Data Protection Act 2018 and GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children (KCSIE 2021). DfE "<u>Information sharing advice for safeguarding practitioners</u>" (2018) provides further detail.

The headteacher and DSL will disclose relevant safeguarding information about a learner with staff on a 'need to know' basis.

All members of staff must be aware that whilst they have duties to keep information confidential, in line with our confidentiality policy, they also have a professional responsibility to be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of children; this may include sharing information with the DSL and with other agencies as appropriate. All staff are aware they cannot promise confidentiality in situations which might compromise a child's safety or wellbeing.

#### Complaints

All members of the school/college community should feel able to raise or report any concerns about children's safety or potential failures in the school/college safeguarding regime. The school/college has a complaints procedure available to parents, learners and members of staff and visitors who wish to report concerns or complaints. This can be found in the staff room.

Whilst we encourage members of our community to report concerns and complaints directly to us, we recognise this may not always be possible. Children, young people, and adults who have experienced abuse at school can contact the NSPCC 'Report Abuse in Education' helpline on 0800 136 663 or via email: <a href="https://newport.org.uk">help@nspcc.org.uk</a>

Staff can also access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally.

Staff can call 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email help@nspcc.org.uk.

The leadership team at Bridge & Patrixbourne CEP School will take all concerns reported to the school/college seriously and all complaints will be considered and responded to in line with the relevant and appropriate process.

Anything that constitutes an allegation against a member of staff or volunteer will be dealt with in line with section 8 of this policy.

## Specific Safeguarding Issues

Bridge & Patrixbourne CEP School is aware of a range of specific safeguarding issues and situations that can put children at greater risk of harm. In addition to Part One, DSLs, school/college leaders and staff who work directly with children will read annex B of KCSIE 2021 which contains important additional information about specific forms of abuse and safeguarding issues.

Where staff are unsure how to respond to specific safeguarding issues, they should follow the processes as identified in part 3 of this policy and speak with the DSL or a deputy.

#### Peer on Peer Abuse

All members of staff at Bridge & Patrixbourne CEP School recognise that children are capable of abusing their peers, and that it can happen both inside and outside of school/college and online.

Bridge & Patrixbourne CEP School recognises that peer on peer abuse can take many forms, including but not limited to:

- o Bullying, including cyberbullying, prejudice-based and discriminatory bullying
- o abuse in intimate personal relationships between peers
- physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
- o sexual violence and sexual harassment
- o consensual and non-consensual sharing of nudes and semi-nude images and/or videos (also known as sexting or youth produced sexual imagery)
- causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
- upskirting (which is a criminal offence), which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm
- initiation/hazing type violence and rituals

Bridge & Patrixbourne CEP School believes that abuse is abuse and it will never be tolerated or dismissed as "banter", "just having a laugh", "part of growing up" or "boys being boys" as this can lead to a culture of unacceptable behaviours and an unsafe environment for children.

Bridge & Patrixbourne CEP School recognises that even if there are no reported cases of peer on peer abuse, such abuse is still likely to be taking place.

All staff have a role to play in challenging inappropriate behaviours between peers. Staff recognise that that some peer on peer abuse issues may be affected by gender, age, ability and culture of those involved, i.e. for gender based abuse, girls are more likely to be victims and boys more likely to be perpetrators.

Concerns about learner's behaviour, including peer on peer abuse taking place offsite will be responded to as part of a partnership approach with learners and parents/carers. Offsite behaviour concerns will be recorded and responded to in line with existing appropriate policies, for example anti-bullying, acceptable use, behaviour and child protection policies.

In order to minimise the risk of peer-on-peer abuse, Bridge & Patrixbourne CEP School will implementing a robust antibullying policy, providing an age/ability appropriate PSHE and RSE curriculum, providing a range of reporting mechanisms.

Bridge & Patrixbourne CEP School want children to feel able to confidently report abuse and know their concerns will be treated seriously. All allegations of peer on peer abuse will be reported to the DSL and will be recorded, investigated, and dealt with in line with associated school/college policies, including child protection, anti-bullying and behaviour. Learners who experience abuse will be offered appropriate support, regardless of where the abuse takes place.

Alleged victims, perpetrators and any other child affected by peer on peer abuse will be supported by taking reports seriously, listening carefully, avoiding victim blaming, providing appropriate pastoral support, working with parents/carers, reviewing educational approaches, following procedures as identified in other policies e.g. the school/college anti-bullying, behaviour and child protection policy, and where necessary and appropriate, informing the police.

#### Child on Child Sexual Violence or Harassment

When responding to concerns relating to child on child sexual violence or harassment, Bridge & Patrixbourne CEP School will follow the guidance outlined in Part Five of KCSIE 2021 and the DfE 'Sexual Violence and Sexual Harassment Between Children in Schools and Colleges' guidance.

Bridge & Patrixbourne CEP School recognises sexual violence and sexual harassment can occur between two children of any age and sex. It can occur through a group of children sexually assaulting or sexually harassing a single child or group of children and can occur online and face to face (both physically and verbally). Sexual violence and sexual harassment is never acceptable.

All victims of sexual violence or sexual harassment will be reassured that they are being taken seriously and that they will be supported and kept safe. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment or be made to feel ashamed for making a report.

When there has been a report of sexual violence or harassment, the DSL will make an immediate risk and needs assessment which will be considered on a case-by-case basis which explores how best to support and protect the victim and the alleged perpetrator (and any other children involved/impacted).

The risk and needs assessment will be recorded and kept under review and will consider the victim (especially their protection and support), the alleged perpetrator, and all other children and staff and any actions that are required to protect them.

Reports will initially be managed internally by the school/college and where necessary will be referred to Integrated Children's Services and/or the Police.

The decision making and required action taken will vary on a case by case basis, but will be informed by the wishes of the victim, the nature of the alleged incident (including whether a crime may have been committed), the ages and developmental stages of the children involved, any power imbalance, if the alleged incident is a one-off or a sustained pattern of abuse, if there are any ongoing risks to the victim, other children, adult students or school/college staff, and, any other related issues or wider context.

If at any stage the DSL is unsure how to proceed, advice will be sought from the Education Safeguarding Service.

#### Nude and/or Semi-Nude Image Sharing by Children

Bridge & Patrixbourne CEP School recognises that consensual and non-consensual sharing of nudes and semi-nude images and/or videos (also known as youth produced/involved sexual imagery or "sexting") can be a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).

When made aware of concerns involving consensual and non-consensual sharing of nudes and semi-nude images and/or videos by children, staff are advised to:

- Report any concerns to the DSL immediately.
- Never view, copy, print, share, store or save the imagery, or ask a child to share or download it this
  may be illegal. If staff have already viewed the imagery by accident, this will be immediately
  reported to the DSL.
- Not delete the imagery or ask the child to delete it.
- o Not say or do anything to blame or shame any children involved.
- Explain to child(ren) involved that they will report the issue to the DSL and reassure them that they will receive appropriate support and help.
- Not ask the child or children involved in the incident to disclose information regarding the imagery and not share information about the incident with other members of staff, the child(ren) involved or their, or other, parents and/or carers. This is the responsibility of the DSL.

DSLs will respond to concerns as set out in the non-statutory UKCIS guidance: <u>Sharing nudes and semi-nudes: advice for education settings working with children and young people</u>' and the local <u>KSCMP</u> guidance. When made aware of a concern involving consensual and non-consensual sharing of nudes and semi-nude images and/or videos:

- the DSL will hold an initial review meeting to explore the context and ensure appropriate and proportionate safeguarding action is taken in the best interests of any child involved. This may mean speaking with relevant staff and the children involved as appropriate.
- o parents and carers will be informed at an early stage and be involved in the process to best support children, unless there is good reason to believe that involving them would put a child at risk of harm.
- o All decisions and action taken will be recorded in line with our child protection procedures.
- o a referral will be made to ICS and/or the police immediately if:
- the incident involves an adult (over 18).
- o there is reason to believe that a child has been coerced, blackmailed, or groomed, or there are concerns about their capacity to consent, for example, age of the child or they have special educational needs.
- the image/videos involve sexual acts and a child under the age of 13, depict sexual acts which are unusual for the child's developmental stage, or are violent.
- o a child is at immediate risk of harm owing to the sharing of nudes and semi-nudes.
- The DSL may choose to involve other agencies at any time if further information/concerns are disclosed at a later date.
- If DSLs are unsure how to proceed, advice will be sought from the Education Safeguarding Service.

#### Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

Bridge & Patrixbourne CEP School recognises that CSE and CCE are forms of abuse that occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence. CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation.

If staff are concerned that a child may be at risk of CSE or CCE, immediate action should be taken by speaking to the DSL or a deputy.

#### Serious Violence

All staff are made aware of the indicators which may signal children are at risk from or are involved with serious violent crime. These may include unexplained gifts or new possessions, increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or a significant change in wellbeing, or signs of assault or unexplained injuries.

Any concerns regarding serious violence will be reported and responded to in line with other child protection concerns.

The initial response to child victims is important and staff will take any allegations seriously and work in ways that support children and keep them safe.

#### So-called honour-based abuse

So-called 'honour'-based abuse (HBA) encompasses incidents or crimes which have been committed to protect or defend the honour of the family and/or the community, including female genital mutilation (FGM), forced marriage, and practices such as breast ironing.

All forms of HBA are abuse (regardless of the motivation) and concerns should be responded to in line with section 3 of this policy. Staff will report any concerns about HBA to the DSL (or a deputy).

Whilst all staff will speak to the DSL (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific legal duty on teachers.

If a teacher, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher must report this to the police.

#### Preventing radicalisation

Bridge & Patrixbourne CEP School is aware of our duty under section 26 of the Counter-Terrorism and Security Act 2015 (the CTSA 2015), to have "due regard to the need to prevent people from being drawn into terrorism", also known as the Prevent duty and the <u>specific obligations</u> placed upon us as an education provider regarding risk assessments, working in partnership, staff training, and IT policies.

Bridge & Patrixbourne CEP School recognises that children are vulnerable to extremist ideology and radicalisation and staff will be alert to changes in children's behaviour which could indicate that they may be in need of help or protection.

Staff will report any concerns to the DSL (or a deputy), who is aware of the local procedures to follow.

#### Cybercrime

Bridge & Patrixbourne CEP School recognises that children with particular skill and interest in computing and technology may inadvertently or deliberately stray into 'cyber-enabled' (crimes that can happen offline but are enabled at scale and at speed online) or 'cyber dependent' (crimes that can be committed only by using a computer/internet enabled device) cybercrime.

If staff are concerned that a child may be at risk of becoming involved in cyber-dependent cybercrime, the DSL will be informed, and consideration will be given to accessing local support and/or referring into the <a href="Cyber Choices">Cyber Choices</a> programme, which aims to intervene when young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.

Where there are concerns about 'cyber-enabled' crime such as fraud, purchasing of illegal drugs online, child sexual abuse and exploitation, or other areas of concern such as online bullying or general online safety, they will be responded to in line with this and other appropriate policies.

## Supporting Children Potentially at Greater Risk of Harm

Whilst all children should be protected, some groups of children are potentially at greater risk of harm.

#### Safeguarding Children with Special Educational Needs or Disabilities (SEND)

Bridge & Patrixbourne CEP School acknowledges that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges and barriers for recognising abuse and neglect.

Bridge & Patrixbourne CEP School recognises that children with SEND may face additional communication barriers and experience difficulties in managing or reporting abuse or challenges. Children with SEND will be appropriately supported to communicate and ensure that their voice is heard and acted upon.

All members of staff will be encouraged to appropriately explore possible indicators of abuse such as behaviour, mood changes or injuries and not to assume that they are related to the child's disability. Staff will be mindful that children with SEND or certain medical conditions may be disproportionally impacted by behaviours such as bullying, without outwardly showing any signs.

Members of staff are encouraged to be aware that children with SEND can be disproportionally impacted by safeguarding concerns, such as exploitation, peer group isolation or bullying including prejudice-based bullying.

To address these additional challenges, our school will always consider implementing extra pastoral support and attention for children with SEND. The DSL will work closely with the SENDco to plan support as required.

#### Children Requiring Mental Health Support

All staff will be made aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.

Staff are aware that children's experiences, for example where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, can impact on their mental health, behaviour and education.

Staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

If staff have a mental health concern about a child that is also a safeguarding concern, immediate action should be taken by speaking to the DSL or a deputy.

#### Children Missing from Education

Children missing from education, particularly persistently, can act as a vital warning sign to a range of safeguarding issues including neglect, sexual abuse, and child sexual and criminal exploitation.

Where the school/college have concerns that a child is missing from education, we will respond in line with our statutory duties and local policies. Local support is available via the PRU, Inclusion and Attendance Service (PIAS).

#### **Elective Home Education**

Where a parent/carer expresses their intention to remove a child from school with a view to educating at home, we will respond in line with <u>national Elective Home Education guidance</u> and local <u>Kent guidance</u> and will work together with parents/carers and other key professionals and organisations to ensure decisions are made in the best interest of the child.

#### Children who need a Social Worker

The DSL will hold details of social workers working with children in the school/college so that decisions can be made in the best interests of the child's safety, welfare, and educational outcomes.

Where children have a social worker, this will inform school/college decisions about their safety and promoting their welfare, for example, responding to unauthorised absence and provision of pastoral and/or academic support.

#### Looked after children, previously looked after children and care leavers

Bridge & Patrixbourne CEP School recognises the common reason for children becoming looked after is as a result of abuse and/or neglect and a previously looked after child also potentially remains vulnerable.

The school has appointed a 'designated teacher' who works with local authorities to promote the educational achievement of registered pupils who are looked after or who have been previously looked after.

The designated teacher will work with the DSL to ensure appropriate staff have the information they need in relation to a child's looked after legal status, contact arrangements with birth parents or those with parental responsibility, care arrangements and the levels of authority delegated to the carer by the authority looking after them.

Where a child is looked after, the DSL will hold details of the social worker and the name of the virtual school head in the authority that looks after the child.

Where the school/college believe a child is being cared for as part of a private fostering arrangement (occurs when a child under 16 or 18 if the child is disabled is cared for and lives with an adult who is not a relative for 28 days or more) there is a duty to recognise these arrangements and inform the Local Authority via the front door.

Where a child is leaving care, the DSL will hold details of the local authority Personal Advisor appointed to guide and support them and will liaise with them as necessary regarding any issues of concern.

## Staff Engagement and Expectations

#### Awareness, Induction and Training

All members of staff have been provided with a copy of part one or annex A of 'Keeping Children Safe in Education' 2021 which covers safeguarding information for staff.

- o School/college leaders, including the DSL will read KCSIE in its entirety.
- o School/college leaders and all members of staff who work directly with children will read annex B.
- o All members of staff have signed to confirm that they have read and understood the national guidance shared with them. Records of this are kept on the SCR.

The DSL will ensure that all new staff and volunteers (including agency and third-party staff) receive safeguarding and child protection training (including online safety), including information to ensure they are aware of the school/college internal safeguarding processes, as part of their induction.

All staff members (including agency and third-party staff) will receive appropriate child protection training (including online safety) to ensure they are aware of a range of safeguarding issues; this training will be updated at least annually.

Safeguarding training for staff, including online safety training, will be integrated, aligned and considered as part of the whole school/college safeguarding approach and wider staff training and curriculum planning.

In addition to specific child protection training, all staff will receive regular safeguarding and child protection updates, at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

Staff will be encouraged to contribute to and shape school/college safeguarding arrangements and child protection policies.

The DSL and headteacher/principal will provide an annual report to the governing body detailing safeguarding training undertaken by all staff and will maintain an up to date register of who has been trained.

Although the school/college has a nominated lead for the governing body, all members of the governing body/proprietor will access appropriate safeguarding training which covers their specific strategic responsibilities on a regular basis.

#### Safer Working Practice

All members of staff are required to work within our clear guidelines on safer working practice as outlined in the school/college behaviour policy/code of conduct.

The DSL will ensure that all staff and volunteers (including agency and third-party staff) have read the child protection policy and are aware of the school/college expectations regarding safe and professional practice via the staff behaviour policy/code of conduct and Acceptable Use Policy (AUP).

Staff will be made aware of the school/college behaviour management and physical intervention policies. Staff will manage behaviour effectively to ensure a good and safe educational environment and will have a clear understanding of the needs of all children. Physical interventions and/or use of reasonable force will be in line with our agreed policy and procedures and national guidance.

All staff will be made aware of the professional risks associated with the use of social media and electronic communication (such as email, mobile phones, texting, social networking). Staff will adhere to relevant school/college policies including staff behaviour policy, Acceptable Use Policies, and Social Media.

#### Supervision and Support

The induction process will include familiarisation with child protection responsibilities and procedures to be followed if members of staff have any concerns about a child's safety or welfare.

The school/college will ensure that members of staff who are working within the foundation stage are provided with appropriate supervision in accordance with the statutory requirements of Early Years Foundation Stage (EYFS) 2021.

The school/college will provide appropriate supervision and support for all members of staff to ensure that:

All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children

All staff are supported by the DSL in their safeguarding role.

All members of staff have regular reviews of their own practice to ensure they improve over time.

Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.

The DSL will also put staff in touch with outside agencies for professional support if they so wish. Staff can also approach organisations such as their Union, the Education Support Partnership or other similar organisations directly.

## Safer Recruitment and Allegations

## Safer Recruitment and Safeguarding Checks

Bridge & Patrixbourne CEP School is committed to ensure that develop a safe culture and that all steps are taken to recruit staff and volunteers who are safe to work with our learners and staff.

Bridge & Patrixbourne CEP School will follow relevant guidance in Keeping Children Safe in Education 2021 (Part Three, 'Safer Recruitment') and from The Disclosure and Barring Service (DBS)

The governing body/proprietor/leadership/management committee and leadership team are responsible for ensuring that the school/college follows safe recruitment processes as outlined within guidance.

The governing body/proprietor/leadership/management committee will ensure that there is at least one of the persons who conducts an interview has completed safer recruitment training.

The school/college maintains an accurate Single Central Record (SCR) in line with statutory guidance.

Bridge & Patrixbourne CEP School are committed to supporting the statutory guidance from the Department for Education on the application of the Childcare (Disqualification) Regulations 2009 and related obligations under the Childcare Act 2006 in schools.

We advise all staff to disclose any reason that may affect their suitability to work with children including convictions, cautions, court orders, cautions, reprimands, and warnings.

Where the school/college places a learners with an alternative provision provider, the school/college will continue to be responsible for the safeguarding of that child.

The school/college will undertake appropriate checks to ensure the provider meets the needs of the pupil, including written confirmation that appropriate safeguarding checks have been carried out on individuals working at the establishment.

Allegations/concerns raised in relation to teachers, including supply teachers, other staff, volunteers and contractors

The School/College will respond to allegations in line with the <u>local Kent allegations arrangements</u> and <u>Part Four of KCSIE 2021</u>. In depth information can be found within our 'Managing Allegations against Staff' and staff behaviour policy/code of conduct policy. This can be found in the staff room.

Any concerns or allegations about staff, including those which do not meet the allegation/harm threshold (8.2.1) will be recorded and dealt with appropriately in line with national and local guidance. Ensuring concerns are dealt with effectively will protect those working in or on behalf of the school/college from potential false allegations or misunderstandings.

Where headteachers/principals are unsure how to respond, for example if the school/college is unsure if a concern meet the harm 'thresholds', advice will be sought via the <u>Local Authority Designated Officer</u> (LADO) Enquiry Line and/or the <u>Education Safeguarding Service</u>.

#### Concerns that meet the 'harm threshold'

Bridge & Patrixbourne CEP School recognises that it is possible for any member of staff, including volunteers, governors, contractors, agency and third-party staff (including supply teachers) and visitors to behave in a way that indicates a person would pose a risk of harm if they continue to work in their present position, or in any capacity with children in a school or college. This includes when someone has

- behaved in a way that has harmed a child, or may have harmed a child and/or
- possibly committed a criminal offence against or related to a child and/or;
- o behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- o behaved or may have behaved in a way that indicates they may not be suitable to work with children.

Allegations against staff which meet this threshold will be referred immediately to the headteacher/principal who will contact the <u>LADO</u> to agree further action to be taken in respect of the child and staff member. In the event of allegations of abuse being made against the headteacher/principal, staff are advised that allegations should be reported to the chair of governors who will contact the LADO.

#### Concerns that do not meet the 'harm threshold'

Bridge & Patrixbourne CEP School may also need to take action in response to 'low-level' concerns about staff, which typically would be behaviours which are inconsistent with our staff code of conduct, including inappropriate conduct outside of work and concerns that do not meet the allegations threshold.

Where low-level concerns are reported to the school/college, the headteacher/principal will to share or liaise with the LADO enquiries officer via the <u>LADO Enquiry Line</u>.

Low-level concerns will be recorded in writing and reviewed so potential patterns of concerning, problematic or inappropriate behaviour can be identified. Where a pattern is identified, the school/college will implement appropriate action, for example consulting with the LADO enquiry line and following our disciplinary procedures.

#### Safe Culture

As part of our approach to safeguarding, the School/College has created and embedded a culture of openness, trust and transparency in which our values and expected behaviour as set out in our staff behaviour policy/code of conduct are constantly lived, monitored and reinforced by all staff (including supply teachers, volunteers and contractors) and where all concerns are dealt with promptly and appropriately.

All staff and volunteers should feel able to raise any concerns about poor or unsafe practice and potential failures in the school/college safeguarding regime. The leadership team at Bridge & Patrixbourne CEP School will takes all concerns or allegations received seriously.

All members of staff are made aware of the school/college Whistleblowing procedure. It is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk.

Staff can access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally. Staff can call 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email <a href="help@nspcc.org.uk">help@nspcc.org.uk</a>.

Bridge & Patrixbourne CEP School has a legal duty to refer to the Disclosure and Barring Service (DBS) anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person.

If these circumstances arise in relation to a member of staff at our school/college, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the <u>LADO</u>.

## Opportunities to teach safeguarding

Bridge & Patrixbourne CEP School will ensure that children are taught about safeguarding, including online safety, as part of providing a broad and balanced curriculum. This will include covering relevant issues through Relationships and Sex Education and Health Education.

We recognise that school/college play an essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour, what is 'safe', to recognise when they and others close to them are not safe, and how to seek advice and support when they are concerned. Our curriculum provides opportunities for increasing self-awareness, self-esteem, social and emotional understanding, assertiveness and decision making so that learners have a range of age appropriate contacts and strategies to ensure their own protection and that of others.

Bridge & Patrixbourne CEP School recognise that a one size fits all approach may not be appropriate for all children, and a more personalised or contextualised approach for more vulnerable children, victims of abuse and some SEND children might be needed.

Our school/college systems support children to talk to a range of staff. Children will be listened to and heard, and their concerns will be taken seriously and acted upon as appropriate.

## **Physical Safety**

#### Use of 'reasonable force'

There may be circumstances when it is appropriate for staff to use reasonable force in order to safeguard children from harm. Further information regarding our approach and expectations can be found in our behaviour policy.

#### The Use of Premises by Other Organisations

Where services or activities are provided separately by another body using the school/college facilities/premises, the headteacher/principal and governing body/proprietor will seek written assurance that the organisation concerned has appropriate policies and procedures in place regarding safeguarding children and child protection, and that relevant safeguarding checks have been made in respect of staff and volunteers. If this assurance is not achieved, an application to use premises will be refused.

Safeguarding requirements will be included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises. Failure to comply with this will lead to termination of the agreement.

#### Site Security

All members of staff have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may come to light.

Appropriate checks will be undertaken in respect of visitors and volunteers coming into school/college as outlined within national guidance. Visitors will be expected to, sign in and out via the office visitors log and to display a visitor's badge whilst on site.

Staff and visitors will be expected to adhere to any safety arrangements implemented because of Covid-19 restrictions.

Any individual who is not known or identifiable on site should be challenged for clarification and reassurance.

The school/college will not accept the behaviour of any individual (parent or other) that threatens school/college security or leads others (child or adult) to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse access for that individual to the school/college site.
