

j	v	x	qu
y	z	w	zz

Please cut these out to practise with your child.

Once your child knows the sounds you can use them to build words with three sounds along with the sounds from the previous set. Eg. quit, quill, van, vet, yet, yes, jug, jet, jig, wet, win, fox, box, six, buzz, fizz, zip, You can also challenge them to build these words themselves.

'Will' is a high frequency word which can be built using the sounds learnt at this stage. The other words are 'tricky words' and cannot be decoded at this stage.

be	he	she	all	will
was	you	we	her
