Dear Parents/Carers,

We've reached the end of Term 3 and it is difficult to believe that we are already half-way through the school year. Although this term is traditionally a quieter term, there has been some fantastic learning going on throughout the school. I'm especially been impressed with Year 3 and their topic on Palm Oil production and its impact on the orangutans of Borneo. It's so important that the children learn about the dangers to our natural world and how we can each do our bit. Read more about this on our Year 3 page.

Whilst on the subject of the environment, I'm very pleased that we have now received the Eco-School Bronze Award. I'd like to say a huge thank you to our Eco-Council and please do visit the **Eco-Schools** page of our website to learn more about what is going on around the school.

World Book Day

World Book Day is coming up and Miss Allison and Mrs Haynes are busy making plans to celebrate this event. We'll have more detail about this day in our next newsletter but thought that you'd like to know before half-term that, as part of the day, we are inviting children to, once again, dress up as a favoured book character.

500 Words Competition

Remember that to enter, children have to write a short story of no more than 500 words and it can be about anything they like. More information can be found on the BBC Radio 2 website here and, if any children wish to share their stories with us, we'd love to publish them on our school website as well. Keep them coming in, we love reading them and we'll publish them all on the school website after the 500 words competition has closed.

Corona Virus (COVID-19)

There may be some understandable concern in our community about the Coronavirus but I would just like to reassure all parents and friends of the school that we continue to follow guidance and advice from Public Health England (https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public) and the Local Authority Health Protection Team.

Over the next couple of months we will be welcoming visitors from other countries but please be assured that the health and safety of our children is our highest priority and we are continually monitoring and reviewing the situation.

Parental Consultations

Following discussion at the November meeting of the Parent Council, it was agreed that we would trial having an early-evening slot for those parents who struggled to attend during the day. We will be keeping an aspect of our 'day consultations' as some parents find these convenient although we will be having slots around morning drop-off and afternoon pick-up.

Term Dates (2020-2021)

We know that parents like to have plenty of advanced notice of term dates and we have now set the terms dates for the next academic year. You'll notice that we've continued to keep the two days added to the October half-term as we appreciate that some families may take this opportunity to take a short holiday. We have also added two days to the May half-term break for the same reason.

All term dates can be found on the **Term Dates** page of our school website.

- Term 1: Wednesday 2nd Sept to Friday 23rd Oct
- Term 2: Wednesday 4th Nov to Friday 18th Dec
- Term 3: Monday 4th Jan to Friday 12th Feb
- Term 4: Monday 22nd Feb to Thursday 1st April
- **Term 5**: Monday 19th April to Friday 28th May
- Term 6: Wednesday 9th June to Wednesday 21st July

Don't forget that this newsletter and all previous newsletters can also be found on the **Headteacher Newsletter** section of our school website.

With best wishes

Jams Tible
