

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool
Revised July 2021

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

 $Please visit \underline{gov.uk} for the revised Df Eguidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. Df Een courages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium. \\$

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click <u>HERE</u>.

Created by:

Details with regard to funding Please complete the table below.

Total amount allocated for 2022/23	£19,539
How much (if any) do you intend to carry over from this total fund into 2023/24?	£0
Total amount allocated for 2023/24	£19,487
Total amount of funding for 2023/24. To be spent and reported on by 31st July 2024.	£19,487

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	90% (54/60)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	72% (43/60)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	90% (54/60)
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ <mark>No</mark>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2023/24	Total fund allocated: £19,487	Date Updated:	July 2024	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that			Percentage of total allocation:	
primary school pupils undertake at le	ast 30 minutes of physical activity a d	lay in school		12.8%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Local Clubs and Coaches to run school curriculum time sessions and extra curricula after school clubs: This helps support the children to access a variety of different sports, but also to have the chance to develop these skills at school and then join local clubs. More importantly, it helps to create a love of sport and sets them up for following healthy lifestyles where children enjoy being activity for prolonged periods each day.	Children will get specialist coaching in curriculum time and after-school clubs from local clubs and coaches as well as regular teaching staff. Outside coaches include: Cricket, Multi Skills, Tennis, Rugby. Local links to include – Canterbury Hockey Club, Bridge Tennis Club, Canterbury Rugby Club, Canterbury Golf Club, Canterbury Cricket Club, Polo Farm Tennis.	£500.00	afterschool and holiday clubs	Clubs will continue to run as many of our class teachers and TAs run these. Clubs run by external sports coaches will be factored into next academic year's funding to ensure continued engagement from all pupils. Continue to target vulnerable groups (Pupil Premium & SEND) for extra-curricular clubs/events, particularly those who haven't attended
Sports Equipment Provide equipment to support high quality PE lessons and support extra- curricular activities.	All staff and children to have access to appropriate sports equipment to deliver high quality, high-impact and enjoyable physical activities. Undertake regular equipment		1 ,	something this year. Continue to budget for equipment next academic year. Carry out audit in September 2024 ready for order.

audits to establish what equipment needs to be purchased

essons.

13/16 (81%) Pupil Premium children have taken part in an extra-curricular activity this year (either a sporting club or event).

44/53 (83%) SEND children have taken part in an extra-curricular activity this year (either a sporting club or event).

It was identified that there were not many events for Y1, 2, 3 and 5. However, all of the SEND and PP children in Y6 attended an levent.

New equipment purchased this vear has enabled children to access appropriate and safe equipment.

We started to look into a restructure of Lunch time play. Recently we appointed a new HLTA Specialist and have agreed that this will be part of her wider role to set up. We have explored a few different ways to adapt our provision. HLTA to go and see one scheme in particular (Opal Play at a local school) and plans are in place for this to start being actioned in an adapted way in our school.

Continue with the setting up a successful lunchtime structure led by staff and group of children (Sports Crew/play leaders) to offer children a range of activities that get them physically active during lunchtimes.

Key indicator 2: The profile of PESSP/	A being raised across the school as a to	pol for whole sch	•	Percentage of total allocation: 20.5%
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
HLTA PE Subject Specialist/lead: Support Subject leader to ensure school sport, PE and physical activity is a whole school approach that will have great outcomes in lessons and consistency throughout the school.	To support with administration of sporting events including letters, transport etc. To deliver high quality PE across a range of year groups. To work with and develop the teaching of PE in year groups across the school. Through supporting in planning, observing and offering feedback of teaching and team teaching with year group staff.	£4,000.00	all events, means we have attended 27 events this year - all on offer through Canterbury Academy Sports Partnership (CASP). We have won a number of our Canterbury schools events. • 3 x Dynamos cricket winners (Yr3/4, Yr 5/6 & Girls) • 1 x Girls football league winners • 1 x runners up netball league • 1 st in district netball tournament • 2 x Quicksticks medals 1 st & 2 nd (Yr5/6 and Yr3/4)	through admin and access arrangements for these events to take place. Both PE Subject Leads to carry out a set number of observations (1 or 2 per term) agreed at the start of the academic year. This will continue to ensure a clear picture of PE in the school and highlight areas that can be developed as well as celebrated.

to Bromlev Tennis Finals We also progressed to the **District finals in Dynamos** Cricket:

- Girls runners up
- Mixed Yr 34 runners up
- Mixed Yr 5/6 winners

Accessing these events is key to promoting PE within our school as the children are excited and enthused by the possibility of representing the school as part of and event attendance data a team or individually.

Staff are continuing to use and adapt the Greenacre scheme of work which was purchased three vears ago. There is now a good balance of staff, who have a strength in teaching PE, spread across the school/year groups.

Regular review of the progression of PE across the school ensures that there is a broad and balanced curriculum being offered.

> • Lead has planned a PE curriculum based upon Greenacre framework

inform future planning and spending. Set 2 dates in the vear to gather some pupil voice data/evidence.

PE subject leader and HLTA PE Specialist to regularly update Sports Premium Funding Evidence document.

Continue to keep a running record of all extra-curricular rather than having to gather this at the end of the year. (Participation tracking documents)

October 2023 we had an Ofsted inspection and PE was chosen as a subject to be deep dived. The following points were noted:

and tailored with local offer CPD is in place with an effective use of staff meeting time Strategic monitoring and support systems in place Extensive range of sports — parents comment on this Regarded as a beacon of sports in the area — parents speak fondly of this Clear direction for future Assessment is used to inform planning PE clubs include pupils with SEND Dance is seen as exciting EYFS is carefully planned for EYFS and PE lead work together Pupils express enjoyment; they have some knowledge which needs refining e.g. why would you throw a ball over or underarm. Pupils couldn't

Key indicator 4: Broader experience o	f a range of sports and activities offe	red to all pupils		Percentage of total allocation: 51%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Forest School & Outdoor Learning To use Forest School as a tool to increase children's engagement with outdoor physical activities. To utilise a trained specialist Forest School Teacher (Lisa P) who works within the school to offer children in Years R-6 Forest School and Outdoor Learning opportunities and learning experiences.	Forest school lead to plan effective lessons to deliver wider outdoor opportunities for all year groups Forest school lead to develop on site provision and to source local sites to further pupil learning Forest school lead to support EYFS and Year 1 teachers with continuous provision opportunities in outdoor learning environments.		FS Lead has created an ongoing photobook to show our Forest School journey throughout the	Look into funding opportunities to create a school pond. Explore the possibilities of running a toddler forest school group/sessions.

really showing this year, attracting many insects. Purchased some sweeping nets for the children to use.

Parents have been invited in for a walkaround and the Reception parents joined us in Forest School for a session with their children which was very successful and we received good feedback.

FS Lead has arranged a hub meeting for other Forest School Leaders to come and view our grounds and to exchange ideas. This will take place in October. FS Lead has also visited other Forest Schools in order to see how it's being run and exchange ideas of set ups.

We have engraved wood to make new Forest School rules signs that have gone up in the fire circle.

Blogs have been written at the end of each term for the parents to read and follow our Forest School sessions.

FS Lead has completed the 'Therapeutic Forest' course in February, which has touched on how to support children with

various needs and how to use nature as a Therapeutic tool.

Applied for funding with the co-op scheme - waiting to hear if it was successful.

We have also applied to become part of a project to become a climate school through 'Learning for Landscapes'.

We have added outdoor posters to the area to enhance the children's learning, bought new tools like laplanders, shears, secateurs, screwdrivers and a draw knife. Replaced the hammock, bought new rope, lots of soil for the polytunnel and a new rope ladder etc.

The parent and children feedback forms that were sent out were overwhelmingly positive. One child had taken up scouts because Forest School had sparked a love for outdoor learning. One child made the potato pancake recipe, that we had cooked over the fire, at home with the parents on the same evening. Another child took their parents back to the woodlands where we go with the class as he absolutely loved the

den building.

Purchased insect-friendly perennials and the children helped me to establish this outdoor area which has been very successful and many butterflies, bees and other insects have visited.

We have built a new big Xylophone and started to establish la music area.

FS Lead ran a popular gardening lunch time club in Term 5 and 6 where children helped to plant seeds, plant seedlings, move soil, make new compost, water etc.

The polytunnel has been a great success with lots of zucchini growing, cucumbers, tomatoes, chard, butternut squash, peppers and aubergines. We also had potatoes, beetroot, pumpkins, rocket, strawberries, raspberries etc outside. Some Year 6 children ran a stall and sold some of our produce to the parents.

Links with the restaurant 'The Pig' have been made and they planted seeds with Year 5 children in the polytunnel.

FS Lead ran an extra workshop for
the Year 6 children, we sourced
wood and whittled wands for their
Harry Potter topic. The feedback
was brilliant. I also ran a day for
the children who did not sit the
Kent test.

,	n in competitive sport			Percentage of total allocation:
				27.5%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Canterbury Academy Sports Partnership (CASP) – Competition Package: This entitles the school to all Kent School Games competitions and Canterbury Academy Sports Partnership competitions. This Package includes access to our regular Poulletin outlining relevant Youth Sport Trust initiatives and invites to three Porimary sport networking events that Include support with School Games Mark. Schools signing up for this Package will also be given priority Pooking for Bikeability. Canterbury Academy Sports Partnership – League registration: Boys and Girls football teams league Pentry fee. Canterbury Academy Sports Partnership (CASP). We have won a number of our Canterbury schools events. • 3 x Dynamos cricket	Purchase the events entry levents case package again next year. Continue to fund school minibus to enable children to represent the school in PE events and engage in competitive sports.

Transport:

Enables more of our children to participate in Level 2/3 competitive events.

The whole school aim is to give every child the opportunity to represent the school in a sporting competition by the end of their primary education, which means entering more teams in events resulting in the use of more transport.

£4.500.00

promoting PE within our school as the children are excited and enthused by the possibility of representing the school as part of a team or individually.

Both the boys and girls football teams and the mixed netball team this year were a great success and very popular with the children. Next year, we are going to enter two boys and one girls football team and one mixed nethall team. into the leagues.

The school minibus continues to be a valuable resource in enabling children to participate in sporting events outside of school. This gives children the opportunity to experience competitive and noncompetitive sport at a high level but with this comes the learning opportunities around the 'School Games Values' (determination, honesty, respect, passion, teamwork & self-belief) that the school upholds throughout its PE curriculum. We believe these are vital to becoming a well-rounded being and sport offers the opportunities needed to experience and develop them.
