

How to select school meals in ParentMail

In ParentMail select accounts.

This will then show you the different options available.

School Dinners 2021 should be available in the list.

Select School Dinners and you will see the calendar view come up.

Select which day you want to book for and the week will open. It will automatically have 'no choice' selected

Select which option you want for your child's lunch and then scroll down to the bottom of the screen and select 'Pay now'

You will be asked to review your choices. Scroll down to the bottom and select 'Confirm'

This will take you through to the basket and your payment options.

Once you have made your selections the days you have booked will come up as green.
