2. Summer fete

- We discussed the arrangements of the fete and looked back at last years feedback. The conclusion was that there needed to be a lot more parental support in order to run more games for the children which JT, RT, AG, EH & HS will discuss on the 28th January. We have decided to not have a stage this year, due to cost and visibility, we thought it would be best to have an arena, possibly surrounded by hay bales.
- We discussed having child friendly outsourced stalls which would cost £20 a pitch.
- There was a discussion about having a Donation bucket on the gate & not a charge for the fete.
- We thought a candyfloss machine would be a great extra, so if any parent is able to help with this, please contact the PTA.
- There will be programmes of events and it was said that there would be a site map on the back. The cost of the adverts for the program - £25 – quarter page, £50 half page, £100 full page. There is also the opportunity for businesses to pay £150 to sponsor an inflatable, have a full page advert in the programme & have their company banner on display.
